A WORLD
OF OUR OWN

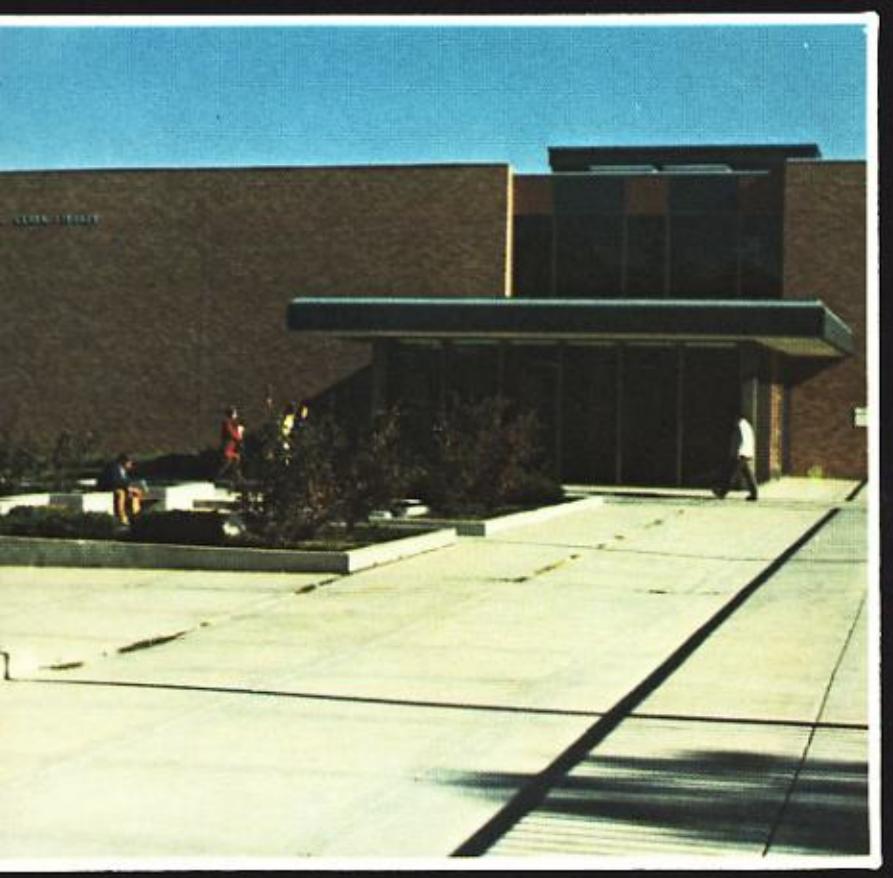

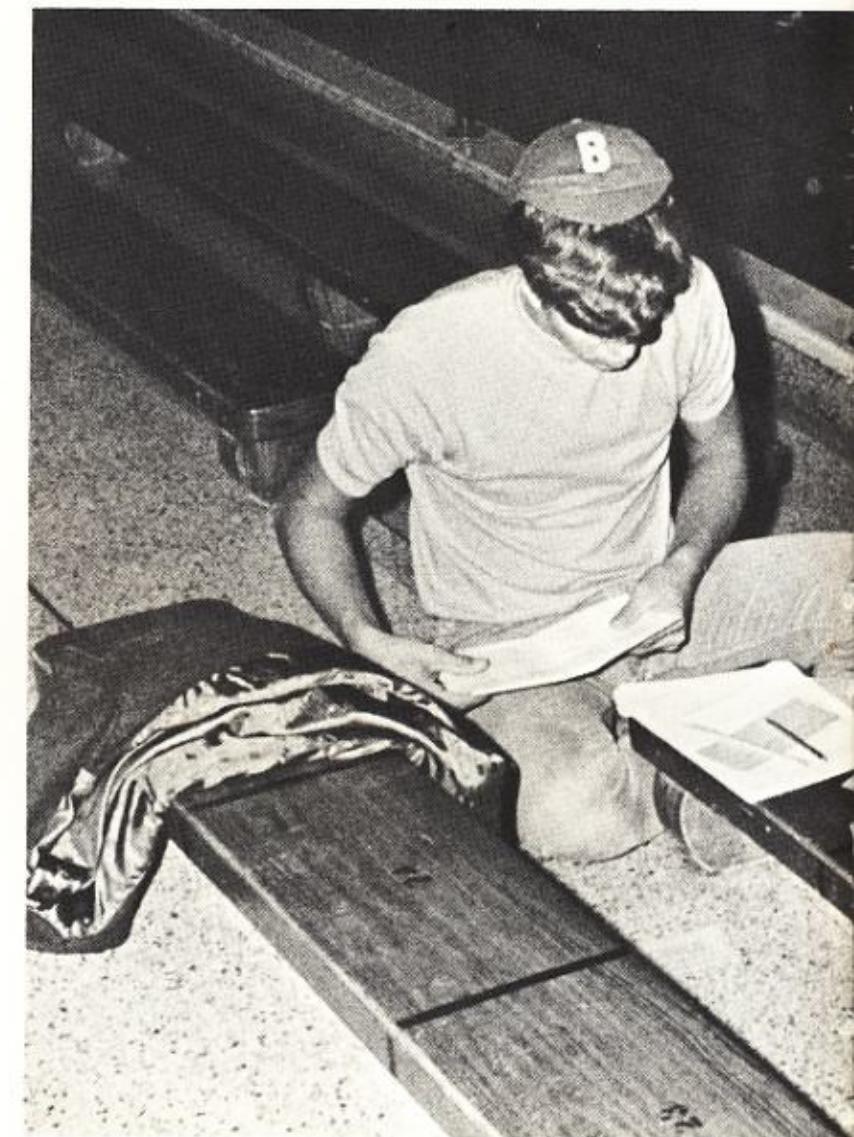

REMEMBERING WHEN

Beanie King — Dana Johnson, Queen — Dela Lauchak

Parking lots jammed! Suitcases, pouring rain and questions . . . questions . . . questions. Fees, meetings, many new faces and lines, lines, lines. A dance every night, beanies on backward and a barrage of names forgotten in a moment.

A new world . . .
a new life . . .

FRESHMEN WEEK

"Guess what — wrong dorm again!"
Will you take a check? I.D.? Where do I get that?
"Roomy — you look different than I thought you would."
"Where's your beany?"
"R.A.? What's that?"
"It's only four flights of stairs."
"I found out that people here are real."
"Going home for Thanksgiving?"

HOMECOMING 1970 FIRST YEAR OF THE SECOND FIFTY

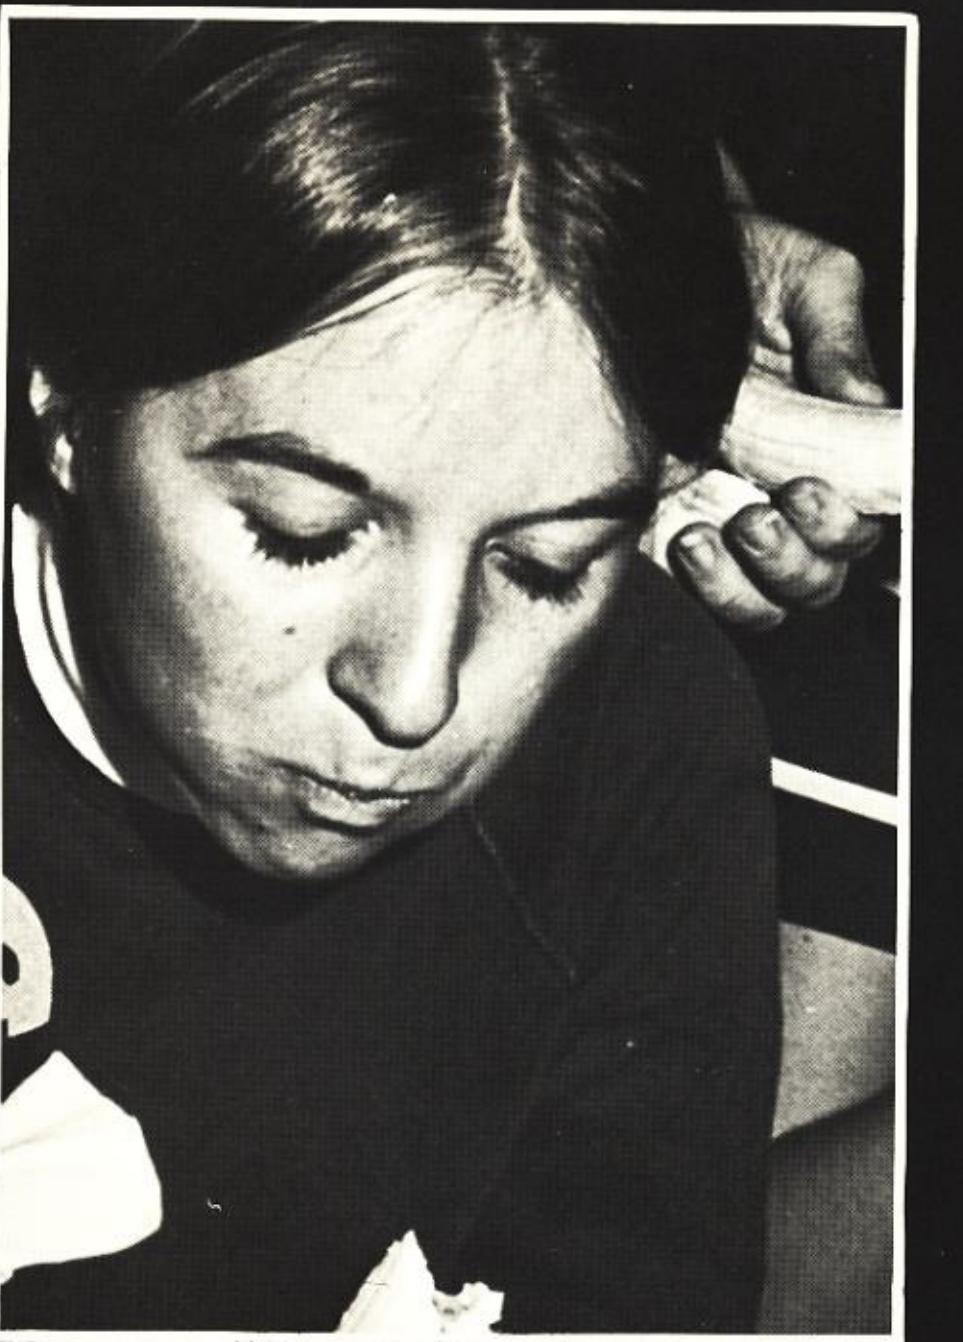

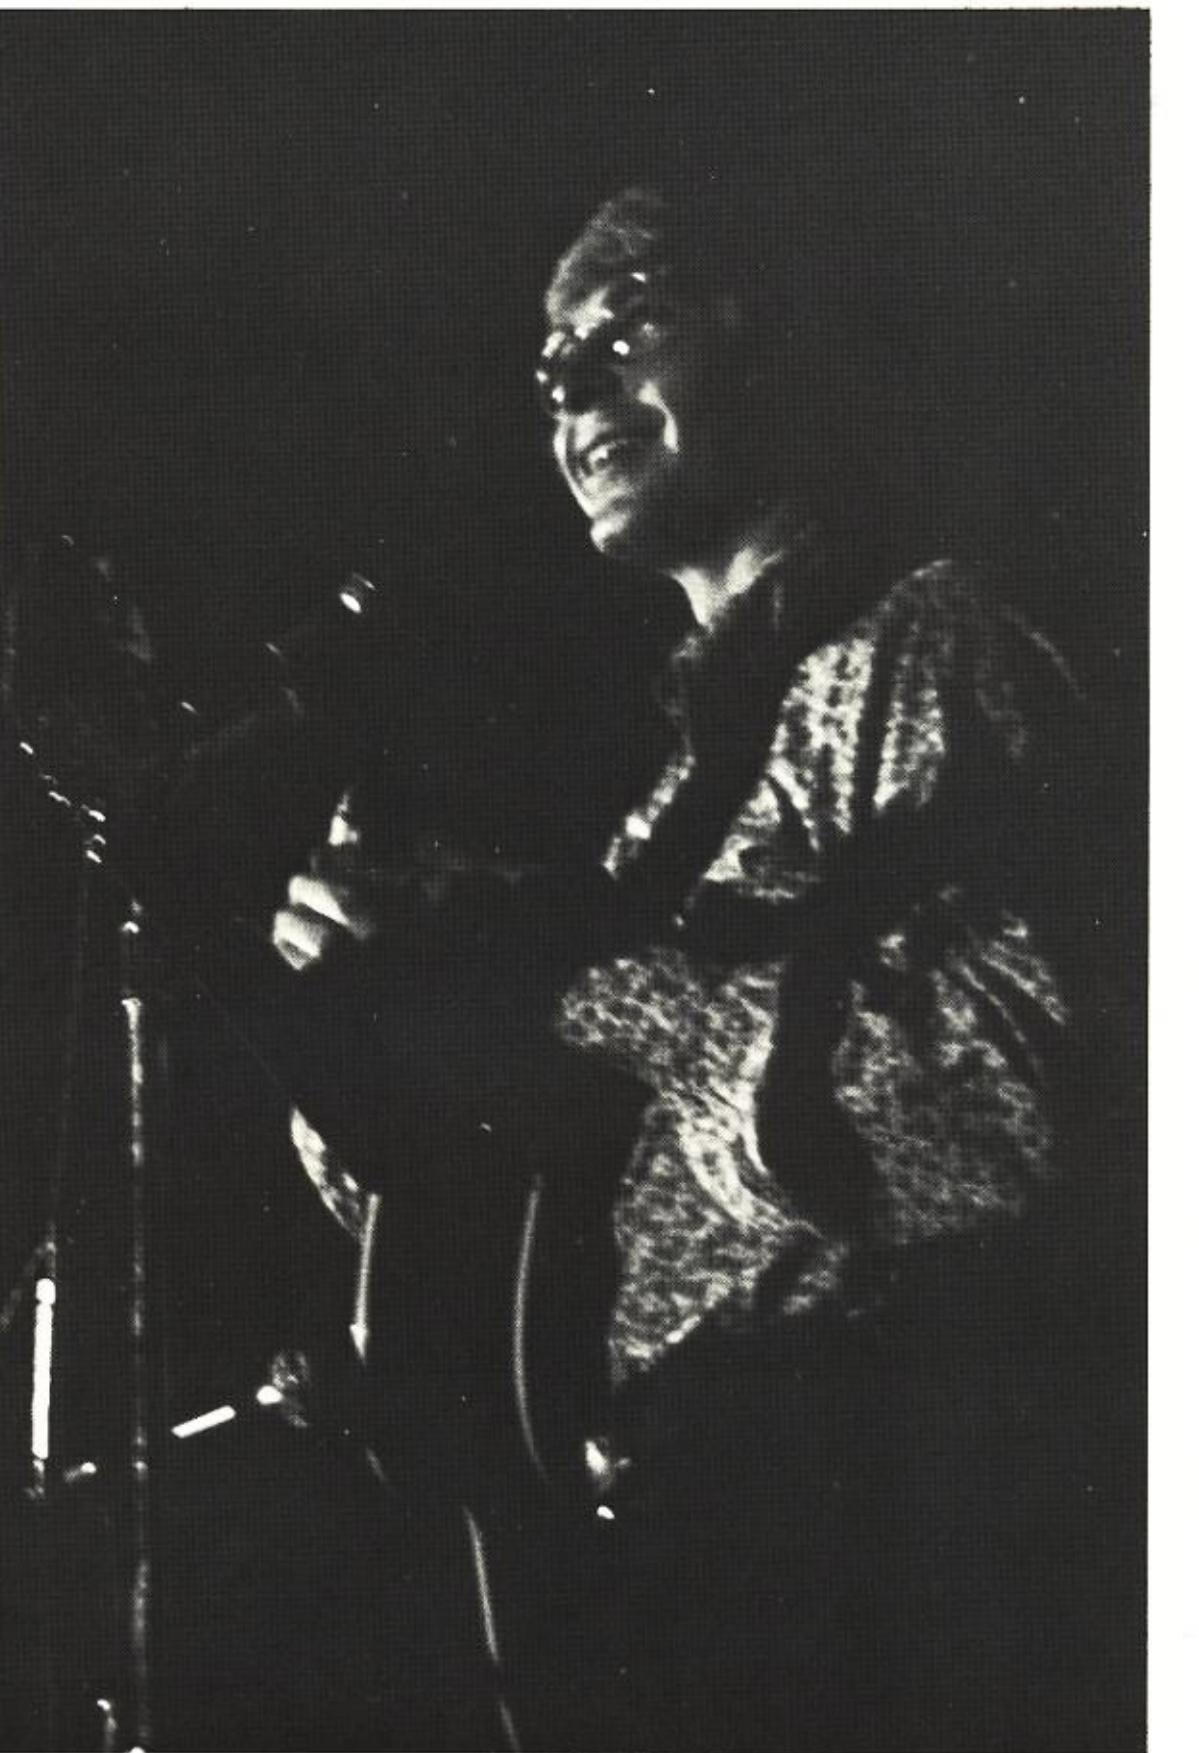

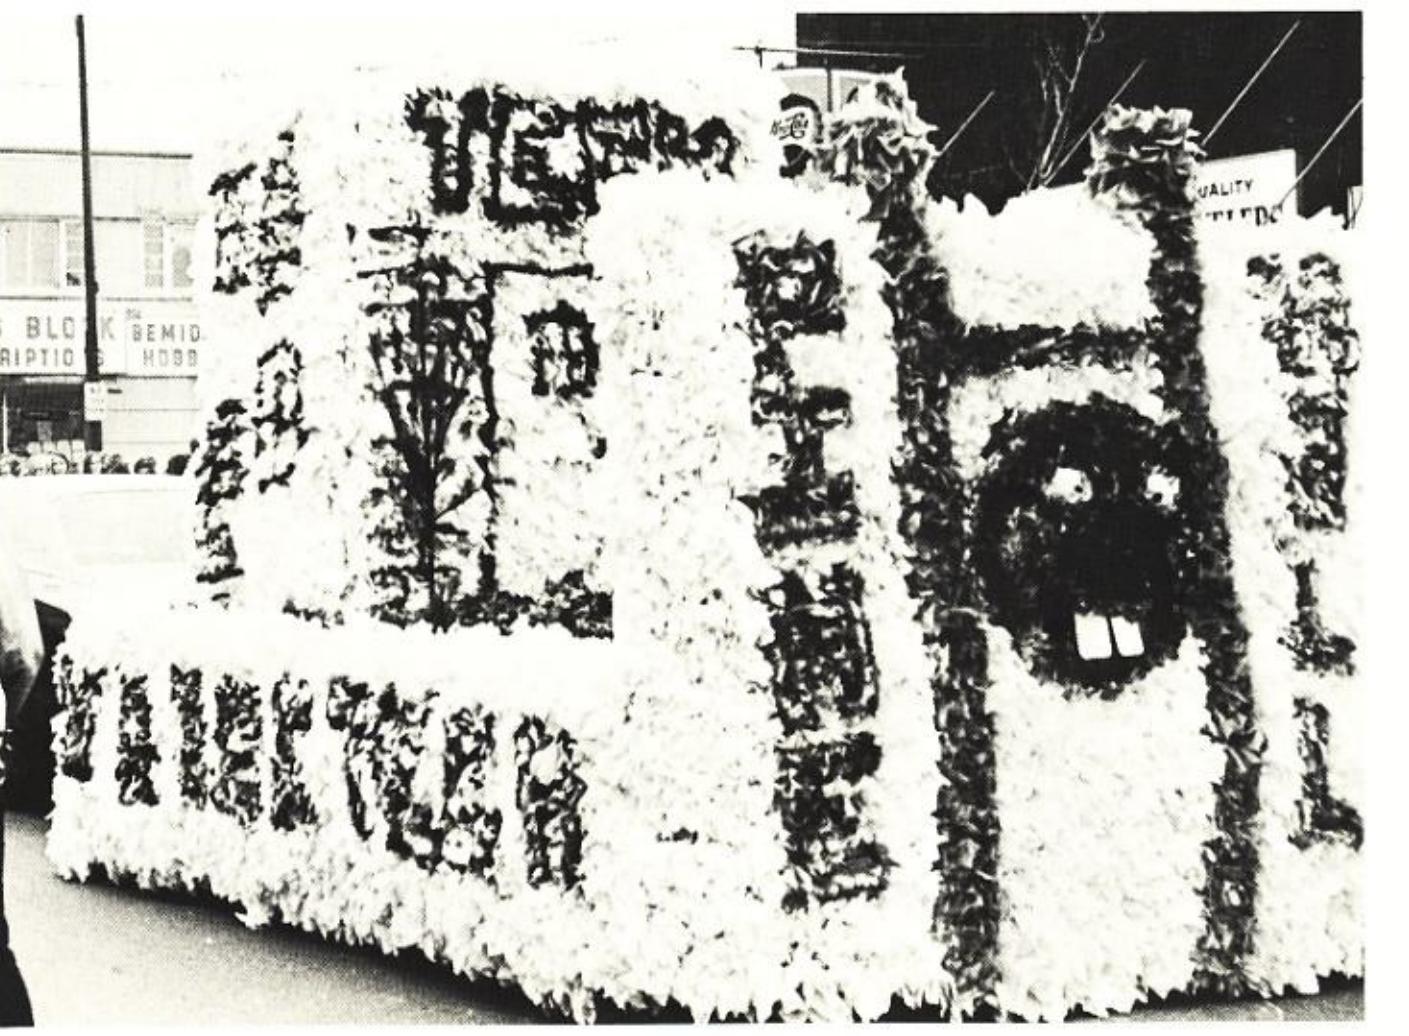

16

Three years ago Homecoming Queen Coronation was a small ordeal. Maybe two hundred people scattered themselves throughout the high school auditorium. Last year M100 was well occupied. But this year, Queen Coronation was fantastic! M100 was packed — people on the floor, people in the aisles, people standing — all to see Kathy Bydal crowned our queen. Ellen Holden and Cheri Cole were Kathy's attendants. The impressive ceremony was followed by John Denver's concert. Our old friend returned to us this year to share with us through his music his thoughts and feelings.

BSC football team was really psyched up for the big Saturday game. Fans filled the stands and cheered our team. A week of skits, ugly man and banana eating contests, vigorous campaigning, dances, float construction, movies, and neglected studies had finally come to its climax. To conclude Homecoming activities Saturday night students filled M100 again for the dance.

Homecoming 1970 was an enthusiastic beginning for the second fifty.

"Hey it was a grub dance and I'm the only one who went really grubby and everybody was lookin' at me!"

"Eight and a half pounds of bananas — yech! How'd he do it? I'd be so sick."

"I can't do my paper tonight. It'll have to be late. I'm going to the skits."

"He was uglier before he dressed up for the ugly man contest."

"Hey! Ya' gonna help build the float?"

"It always rains when we have a parade."

"I'm glad we have a parade 'cuz you never see parades anymore."

"Bydal beats 'em all!"

"I sent my dress to the cleaners and it came back on Monday."

"It'll be good when Homecoming is over so I can get back to my studies."

Alalai, Alalai,
In the choice between love and war
Who needs look very far?
For you soon recognize
That your wife's not a prize
To be tossed aside for your own
personal pride
Alalai, Alalai,
Hail Aphrodite;
Hail peace;
Hail Lysistrata, the manliest
woman of them all!

-Greek Chorus-

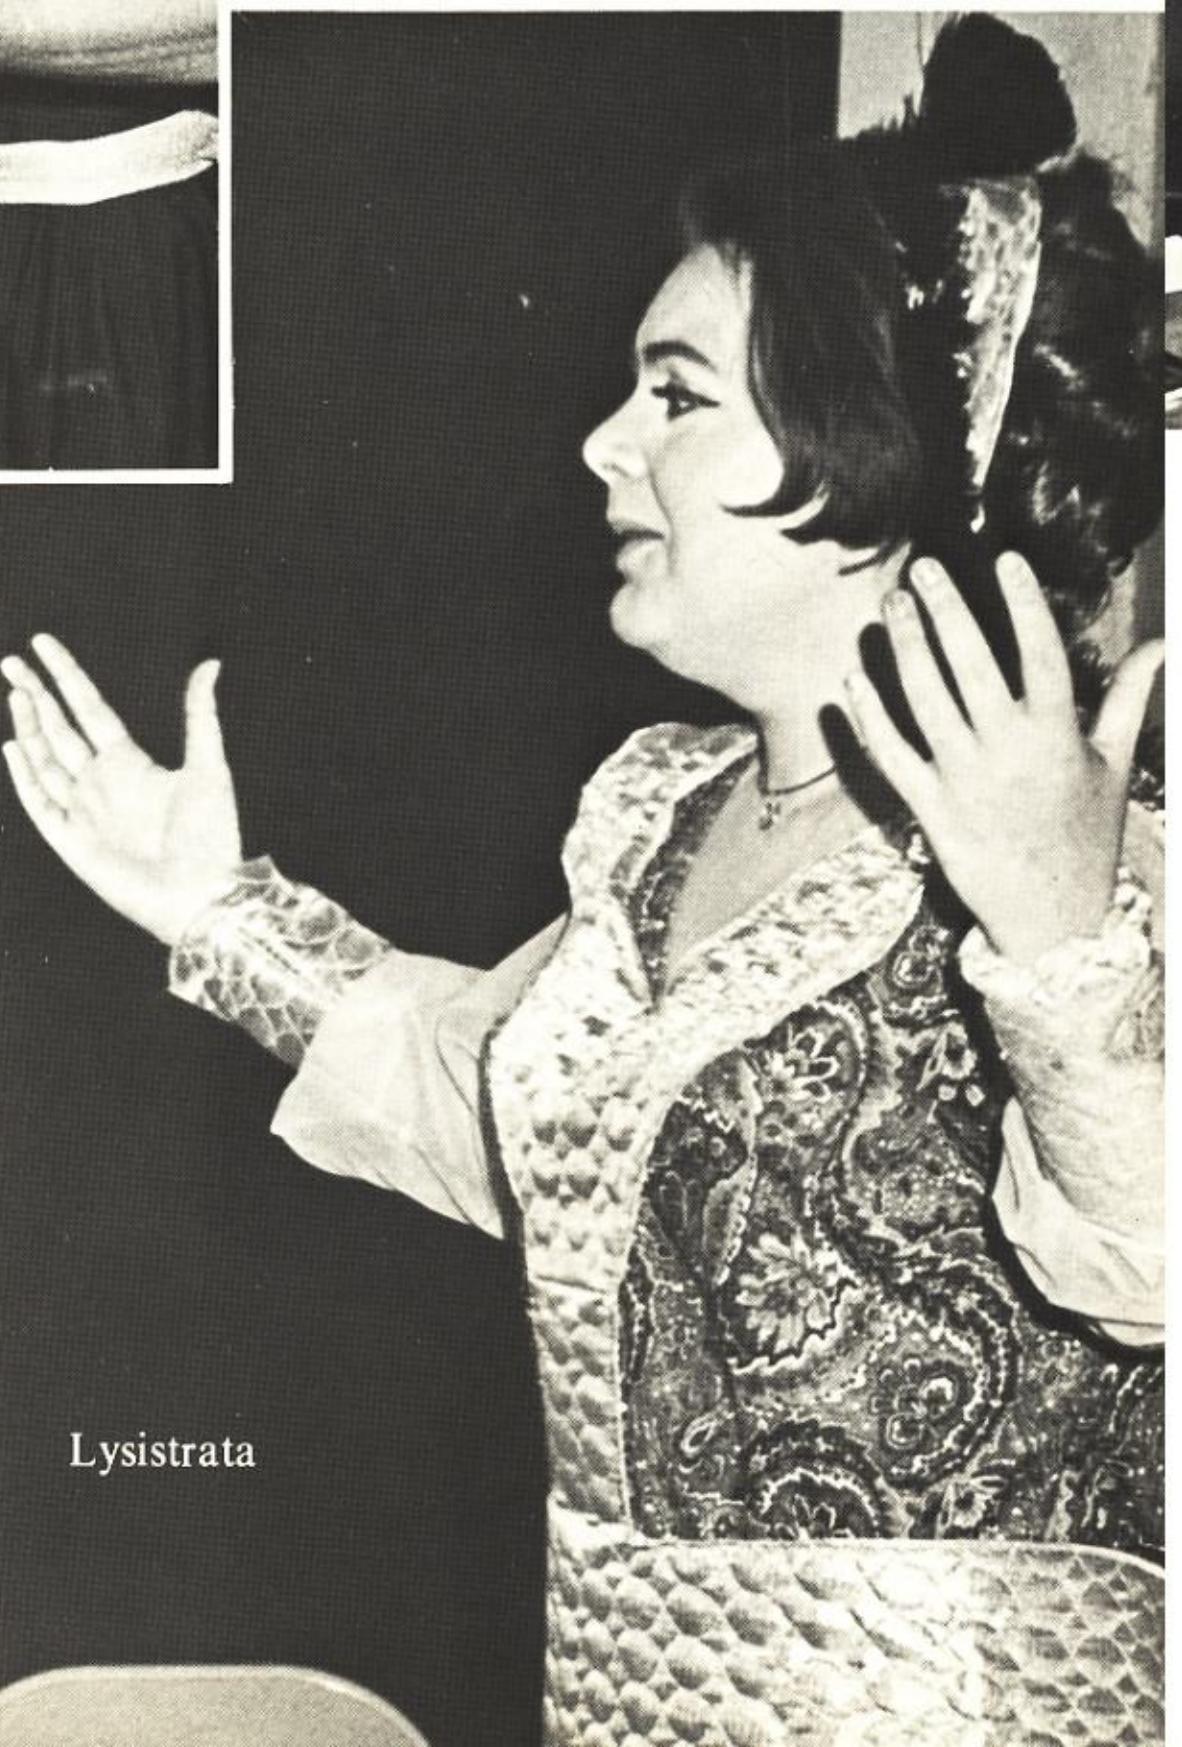

And the nation, by Zeus,
Should be treated as so much
Shreadings and tuffs of wool
Not to be left lying scattered
About but draw the ends in here
And from a ball and from the ball
Weave a coat to warm
And protect the people.

-Lysistrata-

You're right, because when sober we are not quite
sane.
If I can only talk the Athenians into it,
We'll always go to any peace talk quite drunk,
For now, going to Sparta sober, we're so quick
To look around and see what trouble we can make
That we don't listen to a single word they say —
Instead we think we hear them say what they do
not —

We're too uptight and on nothing can agree,
The shape of the peace table, in order of
speaking — the precedence of diplomacy.
But just now everything was pleasant. If a man
Got singing words belonging to another song,
We all applauded and swore it was fine!

MADRIGAL SUPPER

The Chamber Singers once again enriched the holiday season on December 10, 11, 12, and 13 by presenting the Madrigal Dinner. This dinner was an elaborate production involving music, food, costumes, atmosphere, and attitudes of the Renaissance period. A traditional English supper was served. The Chamber Singers and other members of the staff were costumed in 16th century dress. Use of heralds, wandering minstrels, jesters, and pages added authenticity to the setting.

THE COFFEE HOUSE PRESENTS ... THE ARGIRS

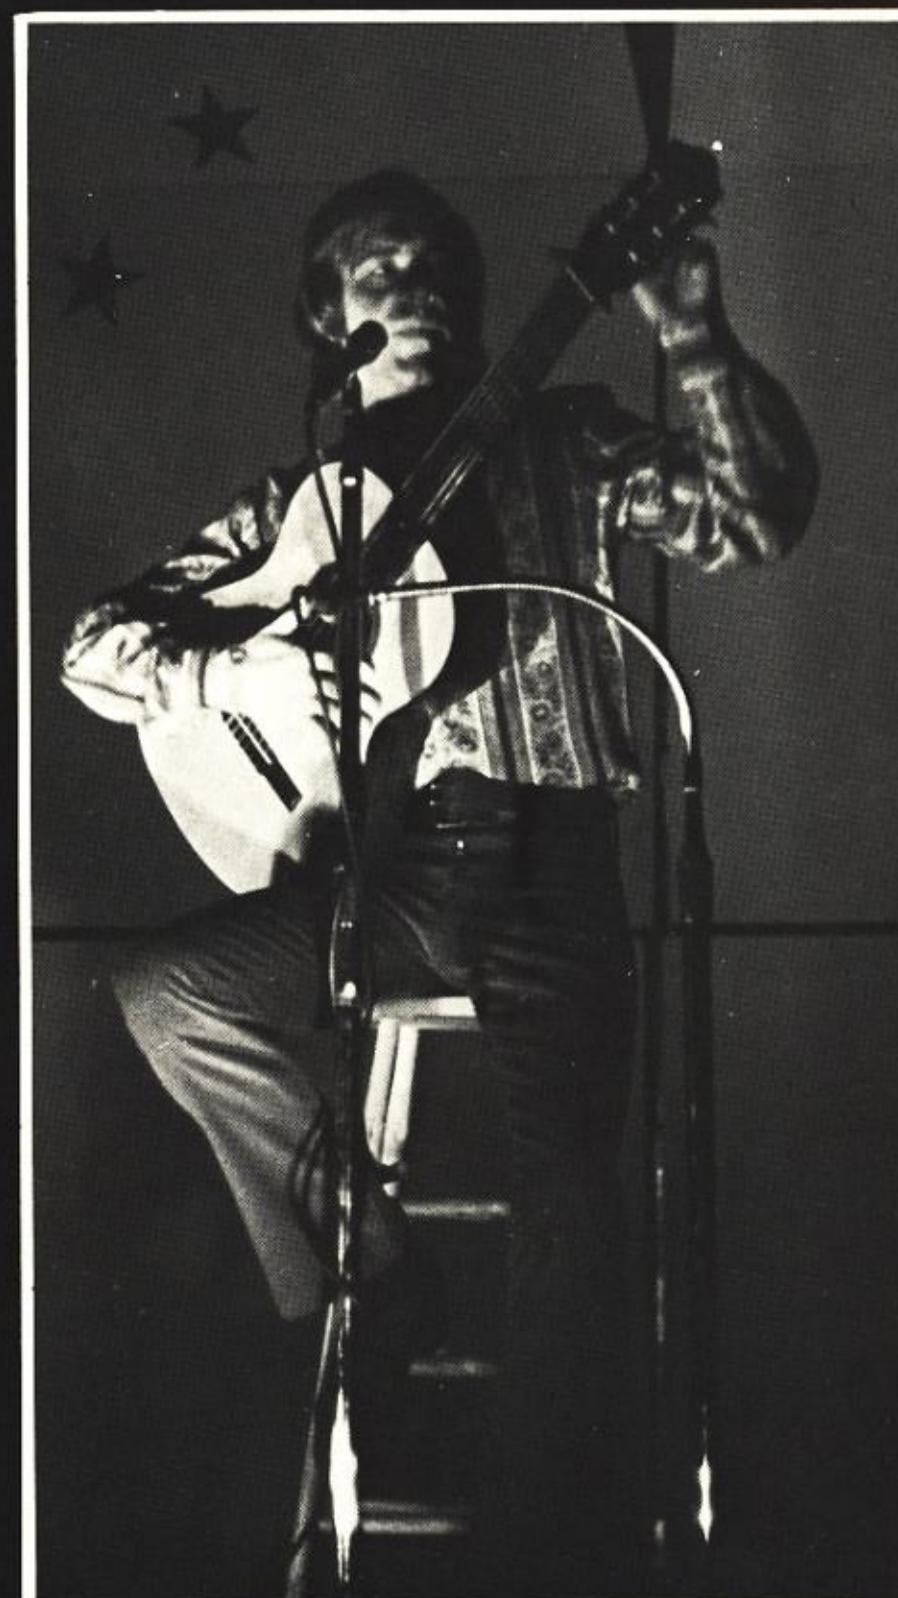

The Argir Group — reached out with their music and touched the minds who heard them. On the coffee-house circuit these three, Dave, Fred and Bea visited Minnesota for the first time for a week during our cold January. Bea and Fred sang Fred's original songs while Dave filled in with instrumental bass. Bea's flute, kazoo, quick smile, and Fred's depth and sincerity defined the Argir's style.

IN CONCERT . . . MICHAEL JOHNSON

Michael Johnson performed here on a series called "mini-concert." Bemidji welcomed him in typical style that Thursday in December with a maxi snow storm. Michael Johnson was found to be an accomplished guitarist. His talents ranged from classical to folk music, mainly original, and in a soft, peaceful style. After his concert students shared a "get to know you" time with the quiet and friendly man from Minneapolis.

LECTURE SERIES SPONSORS VIRGIL KEELS

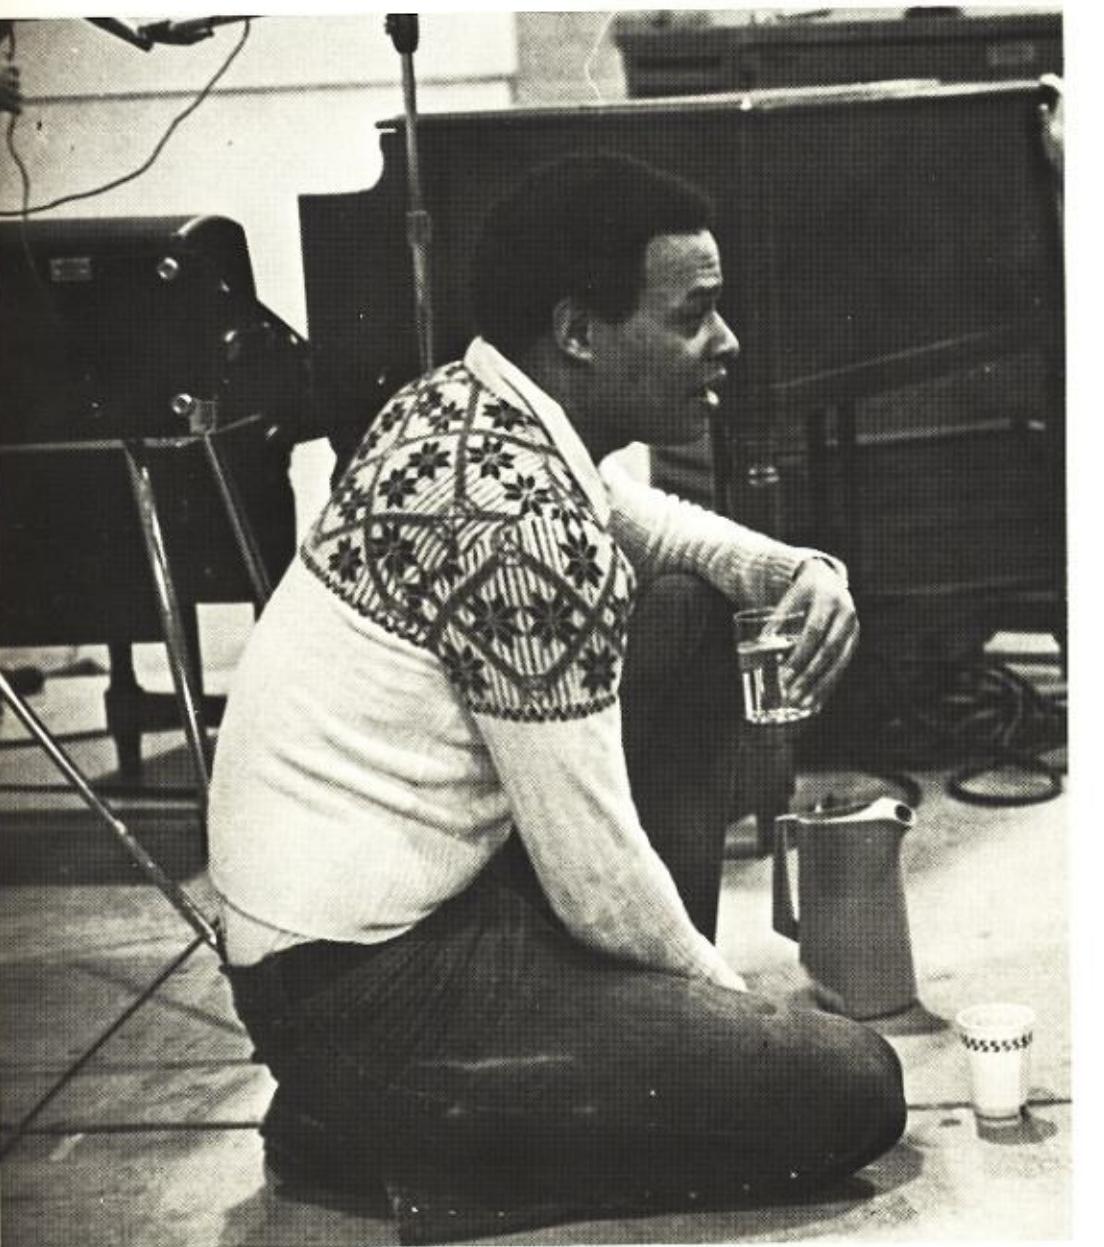

Here and there on campus for two days was Virgil Keels, rapping with small groups of students and staff.

"Would you talk about prison reform?"

"I'd like to hear more about drug abuse on college campuses."

Keels is a man with a variety of experiences and a valuable mind. He expressed these experiences as well as his feelings, opinions, and knowledge. After being released over two years ago from serving 22 years in seven penitentiaries, Keels worked for the mayor of Washington D.C. as a community worker. His activity in penal-reform and ex-convict rights has lead to a national effort for changes in these areas. These activities along with his involvement on the National Coordinating Council on Drug Abuse made Keels an authority with accurate information to relate to us.

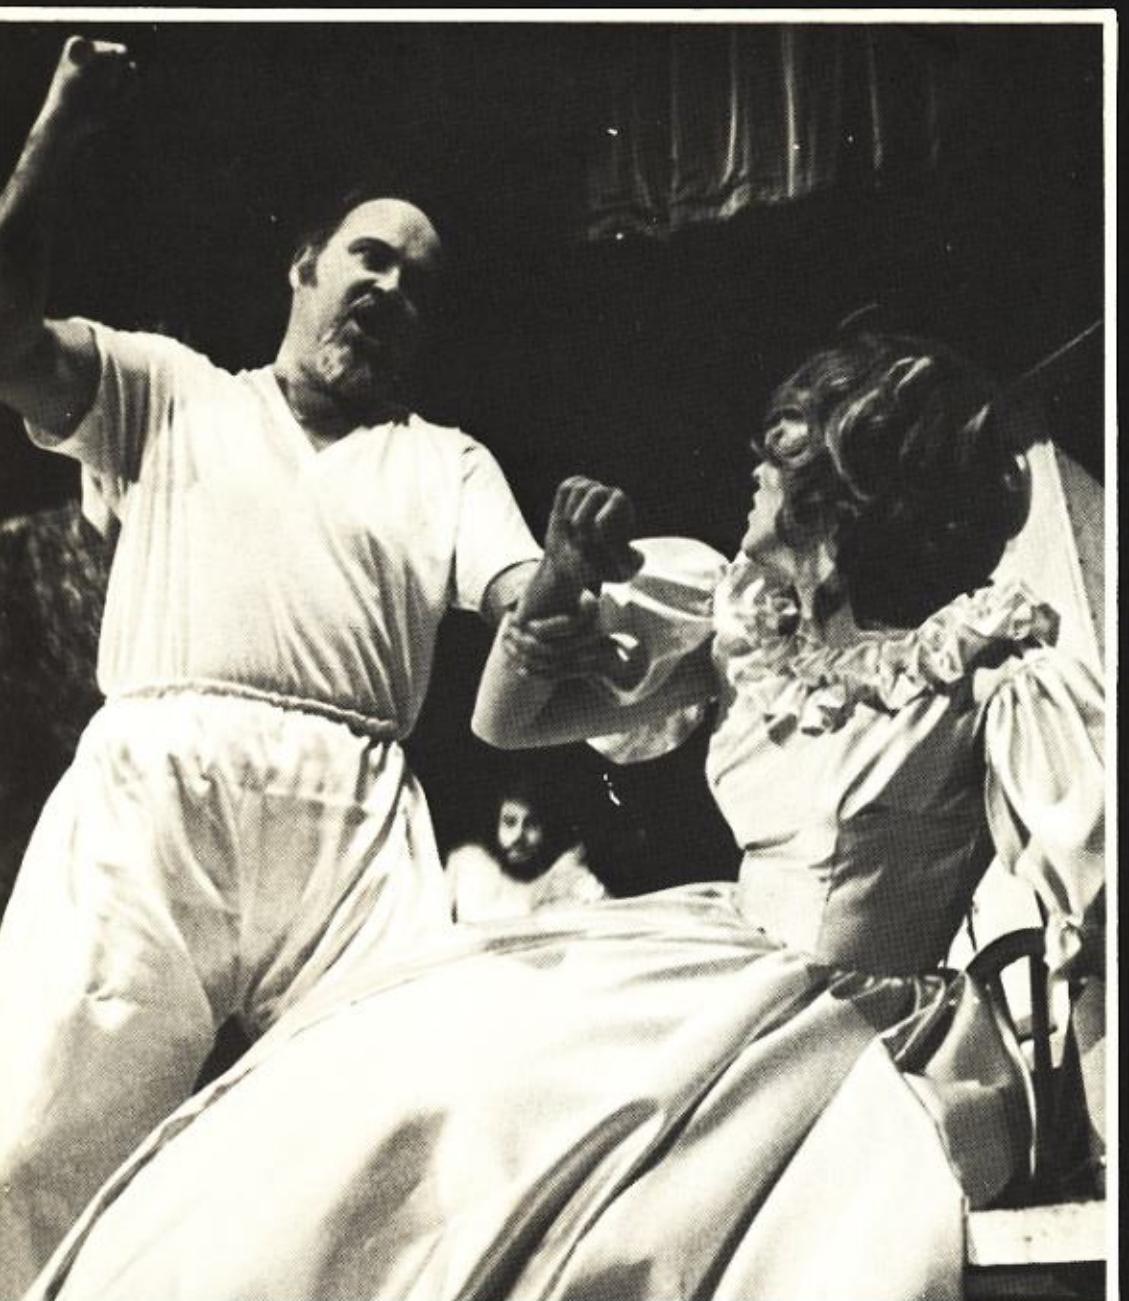

FEATURING JARREAU

Here in concert on January 27 was the rock group from the twin cities, Jarreau. The band's material, which was mostly original, was a mixture of jazz, bossa nova, rock, classical music, improvisational theatre and electronic composition. Most impressive of the easy, heavy musicians was the lead singer who did instrumental imitations. They radiated a personal warmth to an audience of four hundred students.

The story of "Pagliacci" was derived from an actual event in Italy in the 1890's. In the opera there is a conflict between a man, Canio, and his wife, who travel with a road show. The wife, Nedda, has a lover, Silvio, and the relationship is revealed to Canio. He is overcome with jealousy. Later, in the second act, the villagers gather for the strolling players' show. The members of the troupe enact situations almost identical with those they had played in real life. Canio forgets that he is Pagliacci, and his play-acting and actual jealousy become as one. In his rage he stabs Nedda, then Silvio, crying "No clown am I, but a man." and at the last he murmurs, "The comedy is ended."

The Week of Paul Bunyan once again included its annual events of snow sculpture, Volkswagen Push, beard growing contest, pancake eating contest, variety show, smorgasbord, winter olympics, woodchoppers ball, ski night, and casino night. Also during the week were the Pagliacci performances, cultural arts speaker Dick Gregory, dog sled races, an ecology conference, a bonfire, the snoshoe races, and Lonnie Knight performing for the coffee house circuit.

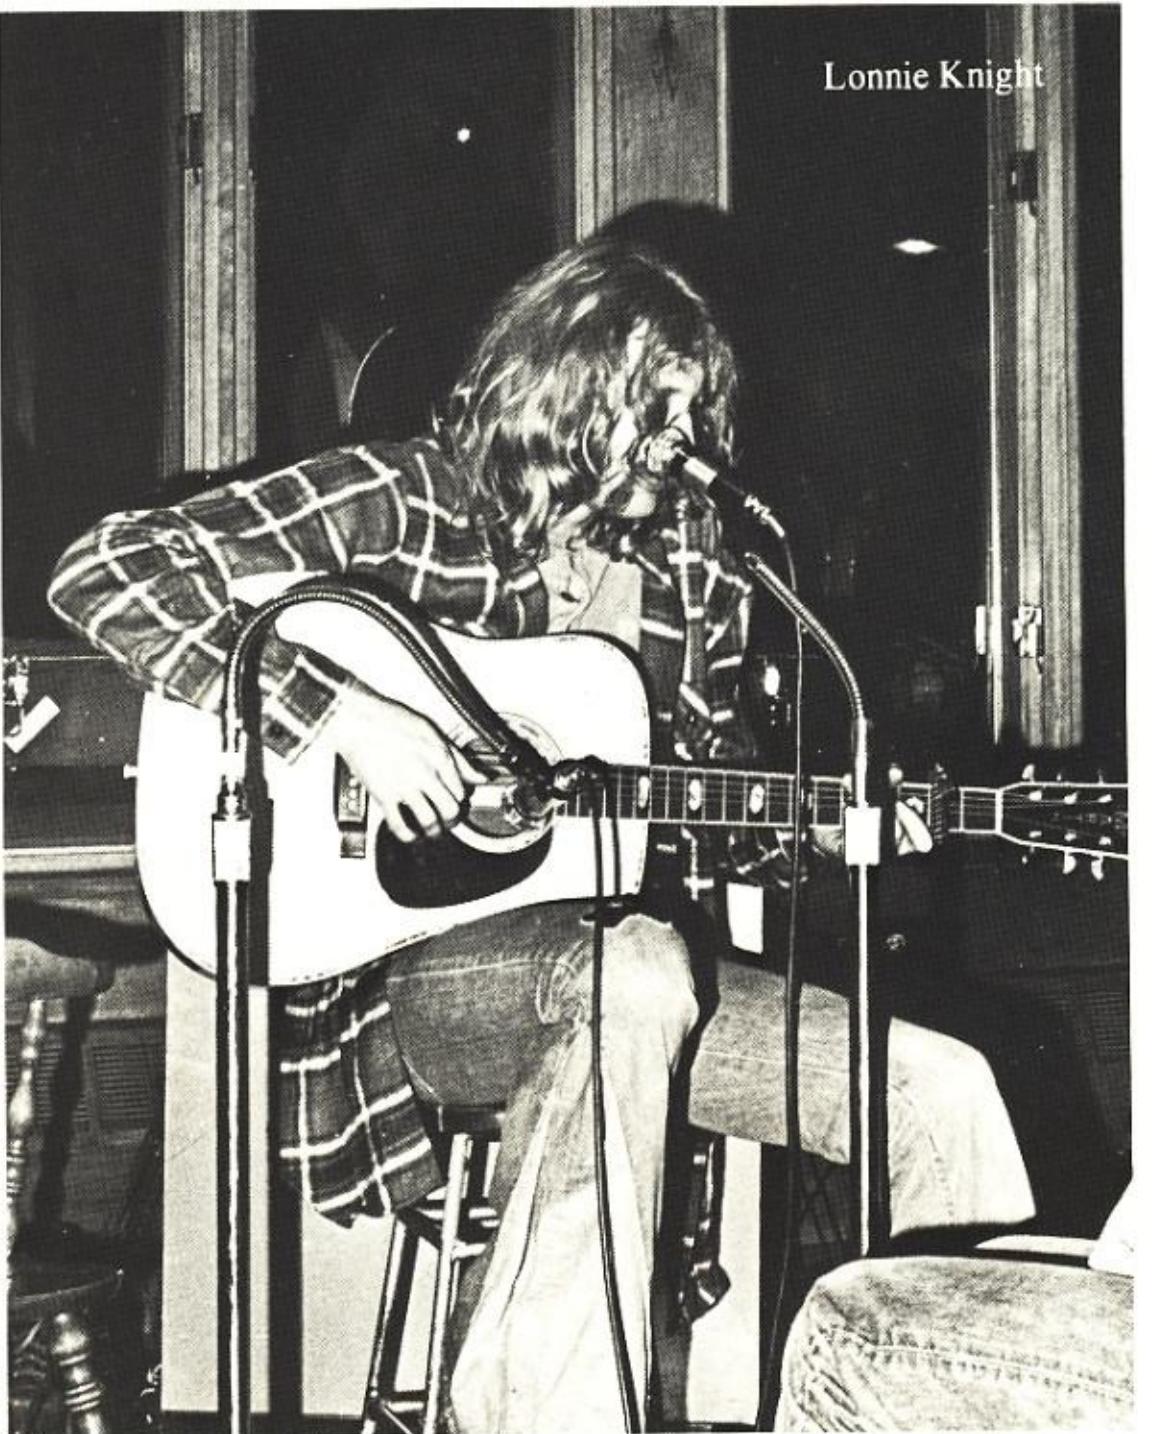

Placing first in the Bunyan Snow Sculpture was Theta Tau, followed by Phi Sig and Sigma Delta Rho. The B-Club won the means' volkswagen push, and Kappa Theta Chi the womens'. The Ranger Crew and Beta Phi placed second, while AKE and Delta Theta Kappa came in third.

Dave Zerbes won the peach fuzz beard contest. Bruce Bogda had the nicest trimmed while Scott Borg the most unusual beard. The fullest beard was found on Ivan Musicant.

Reigning Carrie was Nancy Aamodt. John Dowdell was BSC's Paul Bunyan.

SPRING TRACK 1970

Track continued to be on the upswing at Bemidji State as the Beavers placed 4th in the Conference meet at St. Cloud despite the loss of two of the leading point getters.

School records were broken or tied again this season as the two-mile relay team broke the school record by 22.6 seconds down to 7:55.4. This is outstanding considering two of the relay team, Carl Jarvi and Dave Foss were freshmen and Jim Walrath and Royce Peterson were Juniors. Walrath also broke the school record in the six-mile at the conference meet with a 34:04.8 timing. Tying records were the mile relay team of Jon Croom, Dennis Girms, Roger Twigg, and Tom Holmes at 3:22.0 and Croom with a 50.0 clocking in the 440.

Tom Holmes was last years standout with a first place in the 880, 2nd in the mile, and anchored Bemidji's second place finish of the mile relay, all at the conference meet.

The 1971 team is captained by Jim Walrath and Jon Croom with coaches Bob Eudeikis and Bob Wagner at the helm.

WOMEN'S TRACK

The 1970 Spring Season of Girl's Track proved to top all previous seasons. Our fourteen girls participated in five major meets, first traveling to Moorhead State's Invitational where they placed first. The next two meets were on more personal terms, with BSC first confronting NDSU and later Moorhead State. Both meets were victorious. Placing third in a University of Minnesota invitational, the girls prepared for the state-wide meet to be held at UMD. In the final competition the girls took third place for Bemidji State. The girls were coached by Mrs. Smith who was aided by the student assistant, Gay Luke.

BASEBALL

The 1970 Beaver Baseball Team finished the season first under the .500 mark. The season was highlighted by the team's first southern road trip. The 12 day Easter break trip covered Northern Texas and Southern Oklahoma and provided a nine game schedule before the snow ever thought about leaving Minnesota. Since the trip was financed through the team's own endeavors, it was an exceptionally rewarding experience. All indications are that the trip will be an annual affair.

Although the team did poorly in conference play the overall record improvement is an indication that last year's young team has reached maturity. The 1971 season will see 14 returning seniors — among them the 1971 team captains: Wayne Bradley, Lou Seesz, and Terry Taylor. Indications are that 1971 will be a good year for the Beaver baseballers.

CROSS COUNTRY

This year's Cross Country team was the strongest and youngest team that has been seen at BSC in recent years. In the conference, the team had only one senior: Captain and Co-Most Valuable Player, Jim Walrath, four sophomores: Dave Phillips, Carl Jarvi, Mike Egan, and Jeff Olive, and two freshmen: Brad Ellevold-Co-Most Valuable Player, and Dave Anderson plus several other returning lettermen. The team had a strong nucleus and will definitely be a strong contender for the NIC crown next season.

This year's team finished fourth in the NAIA but came back the next week to finish fourth in the District 13 meet where there are more schools and much keener competition. By 40 points the Beavers beat Winona, whom the Beavers had lost to by eight points at the conference meet. Look for a real tough squad next year under the leadership of Captain, Len Bode.

BASKETBALL

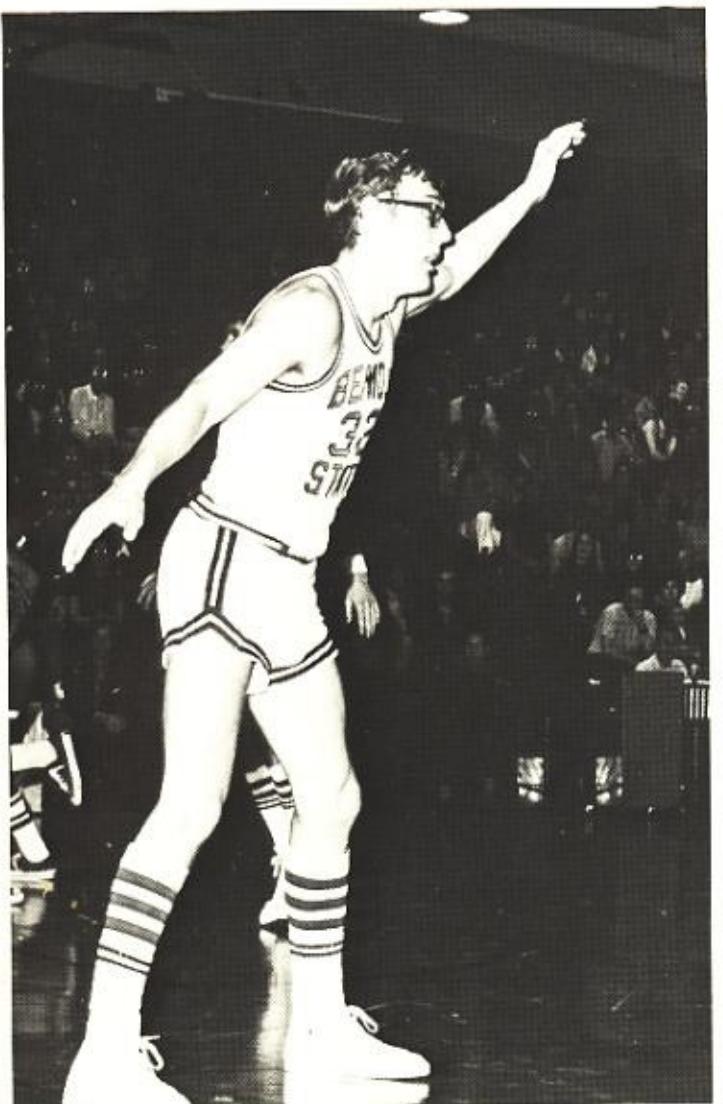

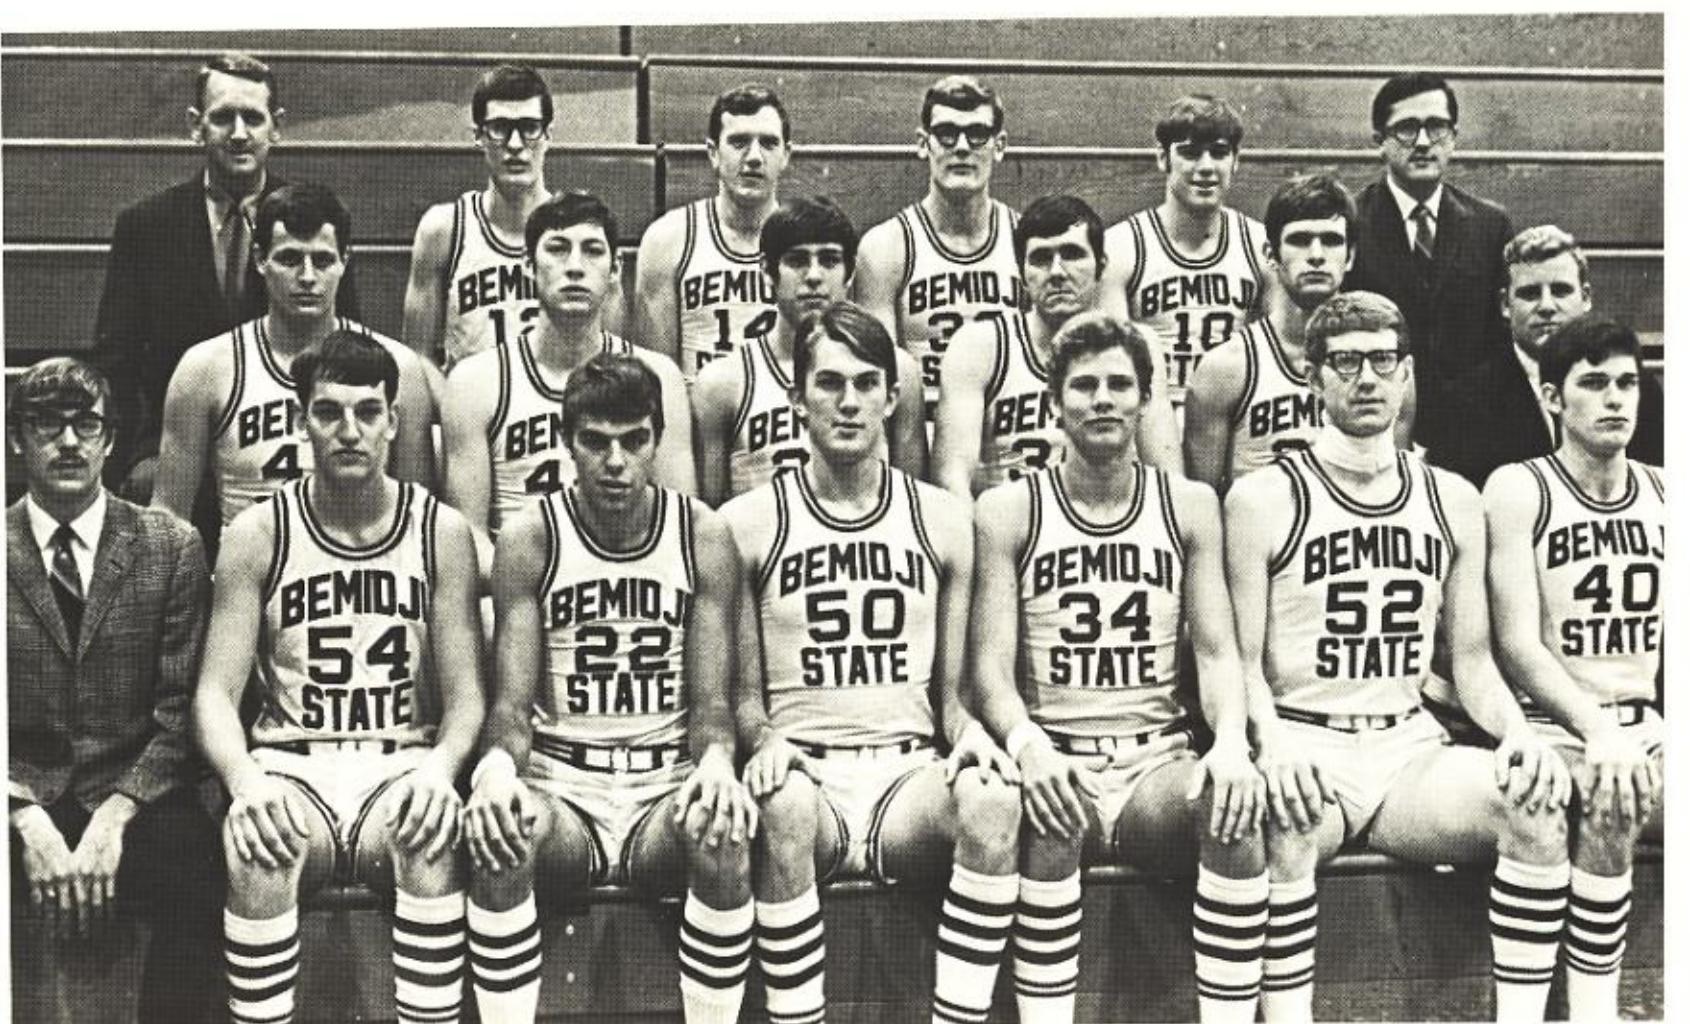

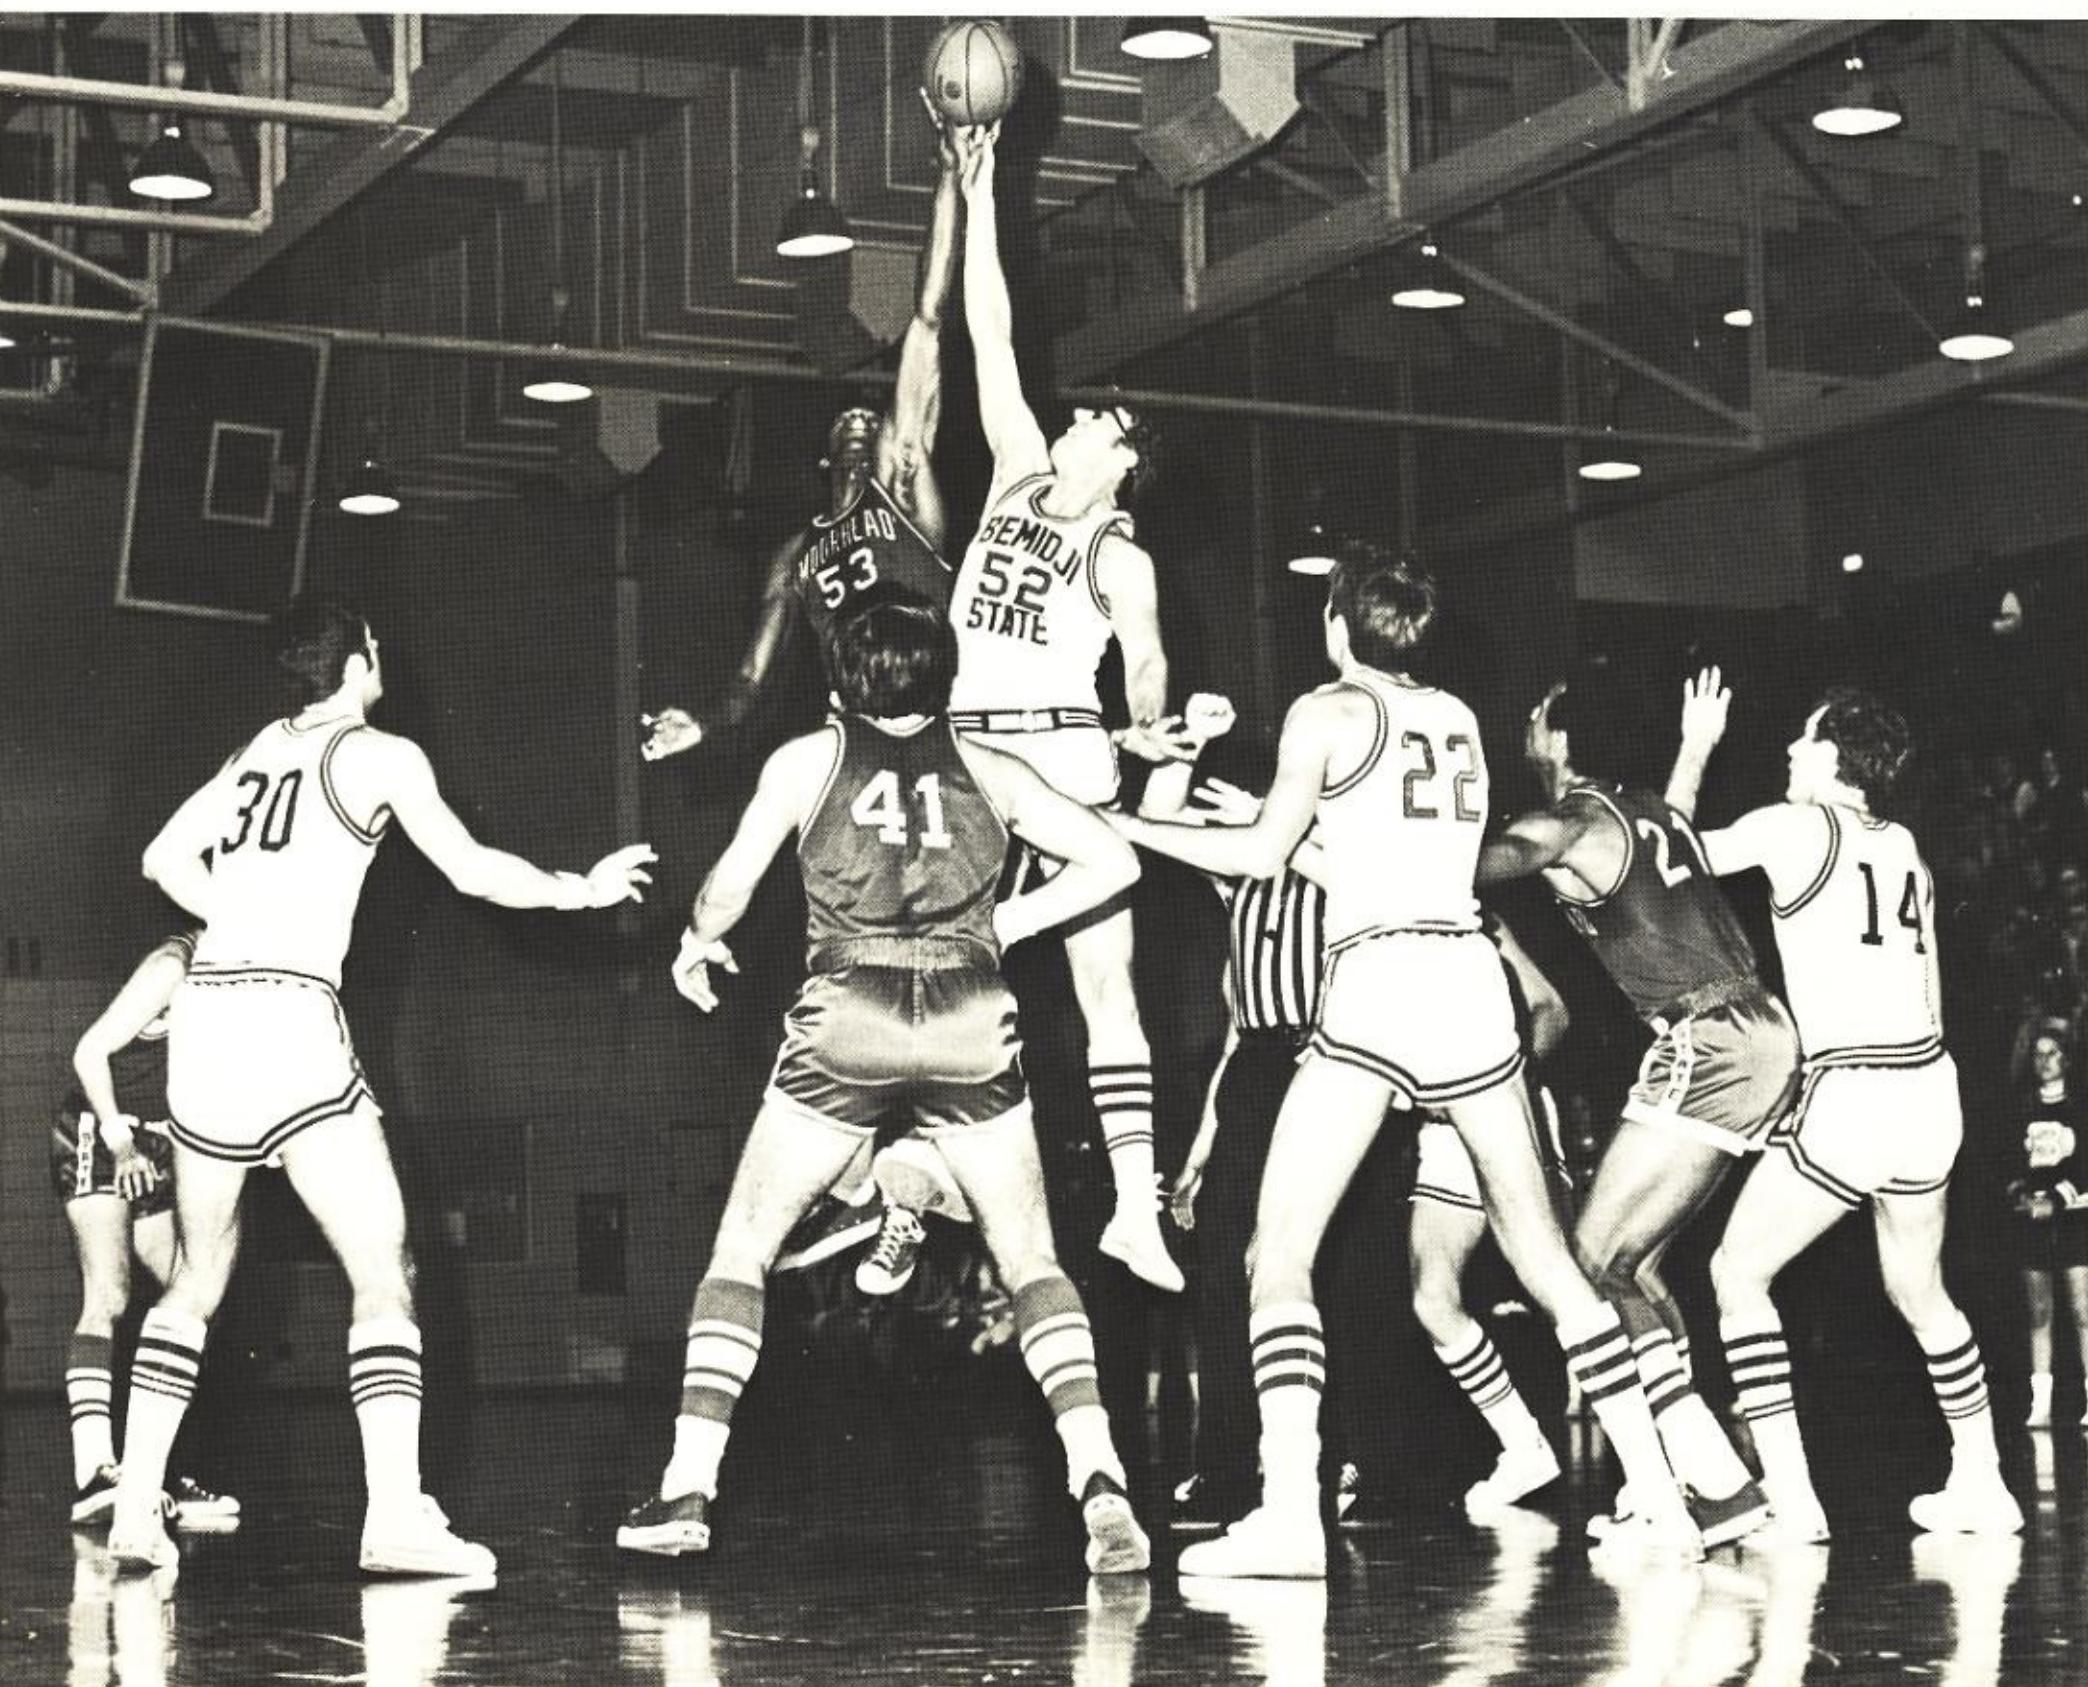

The Basketball Beavers started out the season with only five returning lettermen. The remainder of the team was comprised with players from the last years Junior Varsity team.

The season got off to a good start with a 4-1 score. Then injuries kept players from games. Each game one and sometimes two of the regulars were out due to either an injury or illness. It was difficult for the Basketballers to judge each other when their line was being constantly shifted.

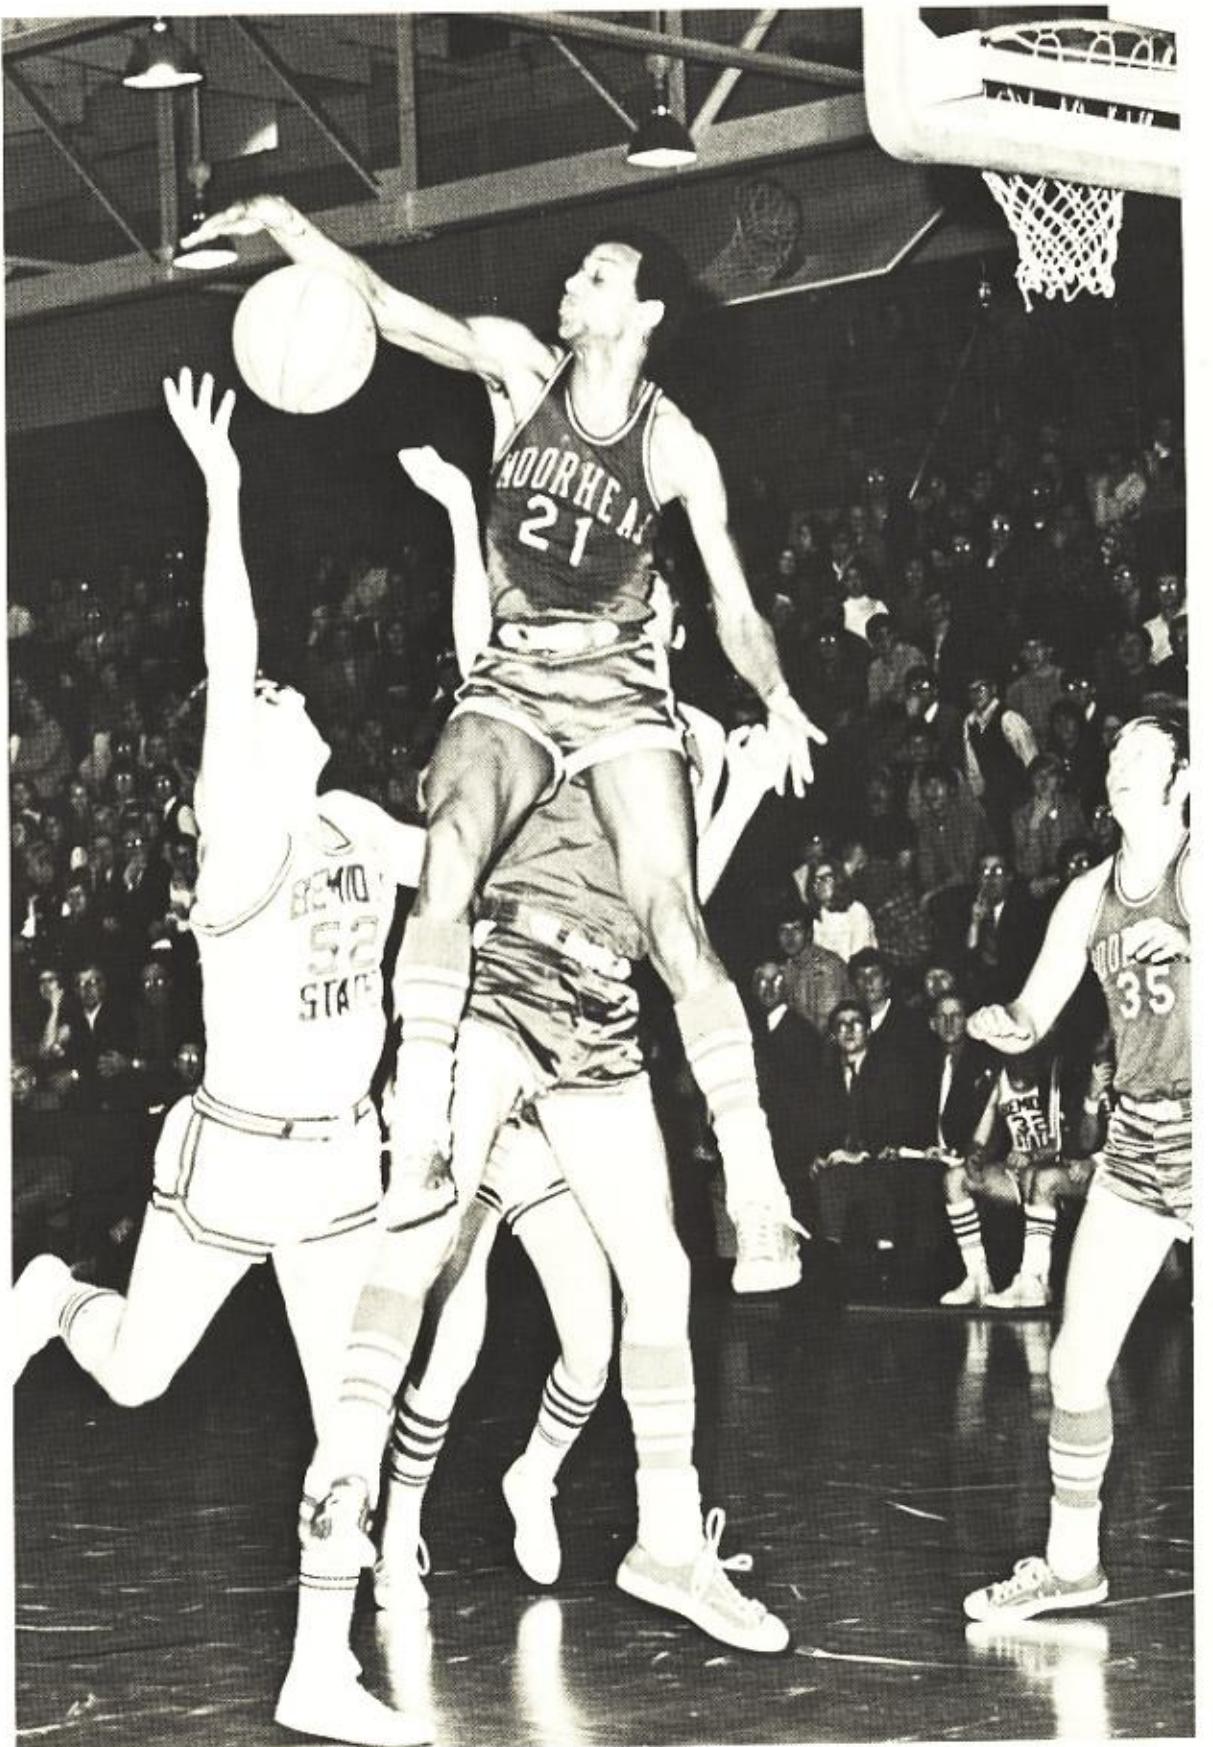

Stauff came out on top with 89 baskets and also with total number of points at 245. Wagner was close behind making 85 baskets, but also grabbed 177 rebounds.

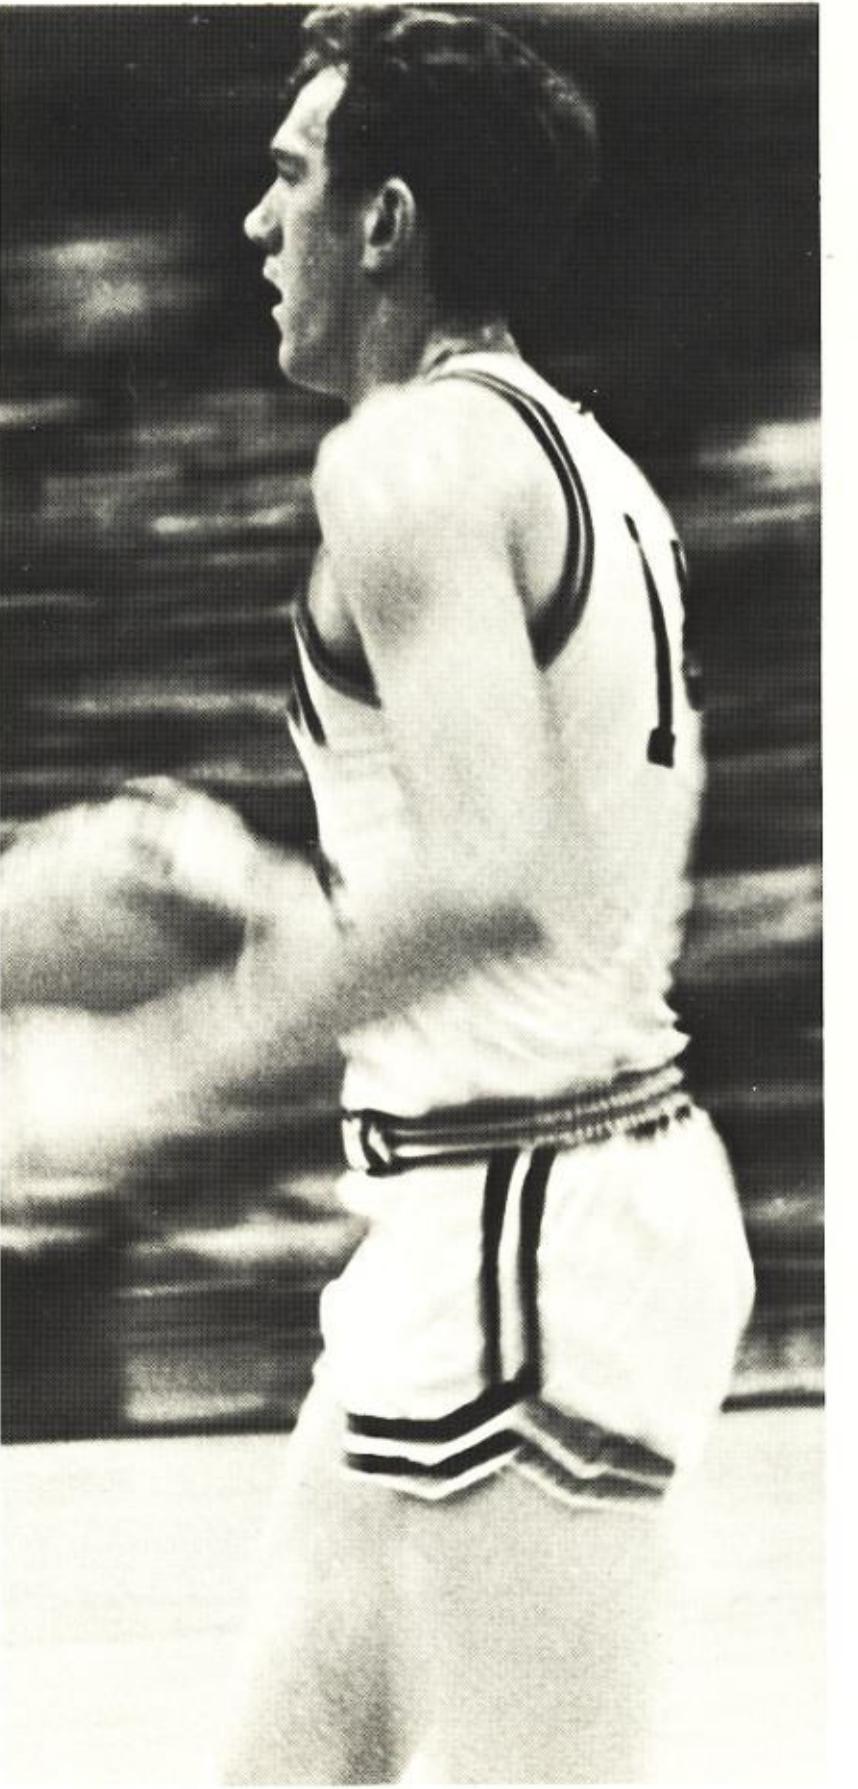

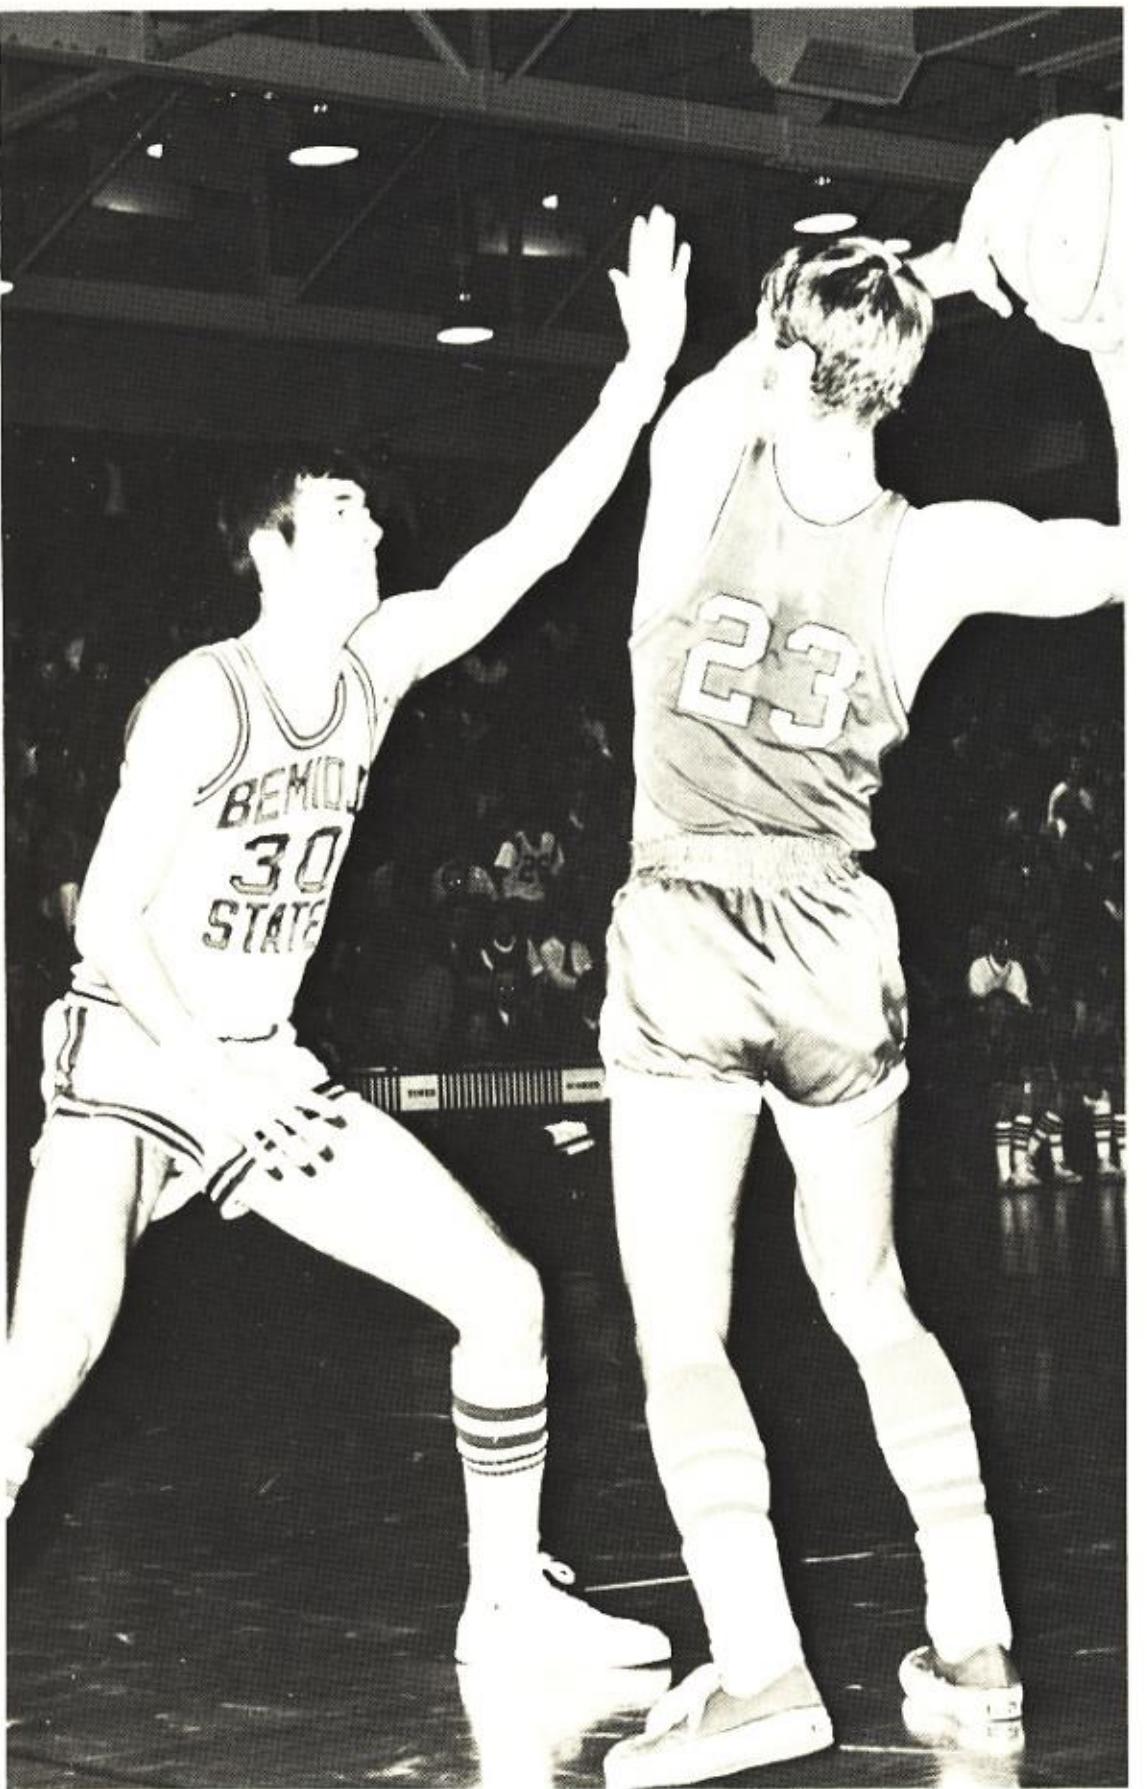

The team finished with a 9-13 record but most of the games they lost were very close. Their average score per game was 67 compared to their opponents 73 score.

Only two seniors, Mjelde and Warren, are graduating. Continuing with almost the same team next year looks hopeful if the injuries are less.

HOCKEY TEAM ... WINS IT AT HOME

The hockey team made it four in a row this year as both ICHA conference champions and NAIA National Champions. This is the first time the national play-offs were held at Bemidji.

In the first game Bemidji topped Augsburg College 12-1. The opponent received their only goal in a successful attempt at a penalty shot. Lakehead University, who defeated Gustavus Adolphus 6-4 the first night came back strong only to lose to the Beavers 6-2 in a battling game for the number one spot. The battle wasn't only with sticks as a hand to hand scrimmage in front of the opponents box included all mem-

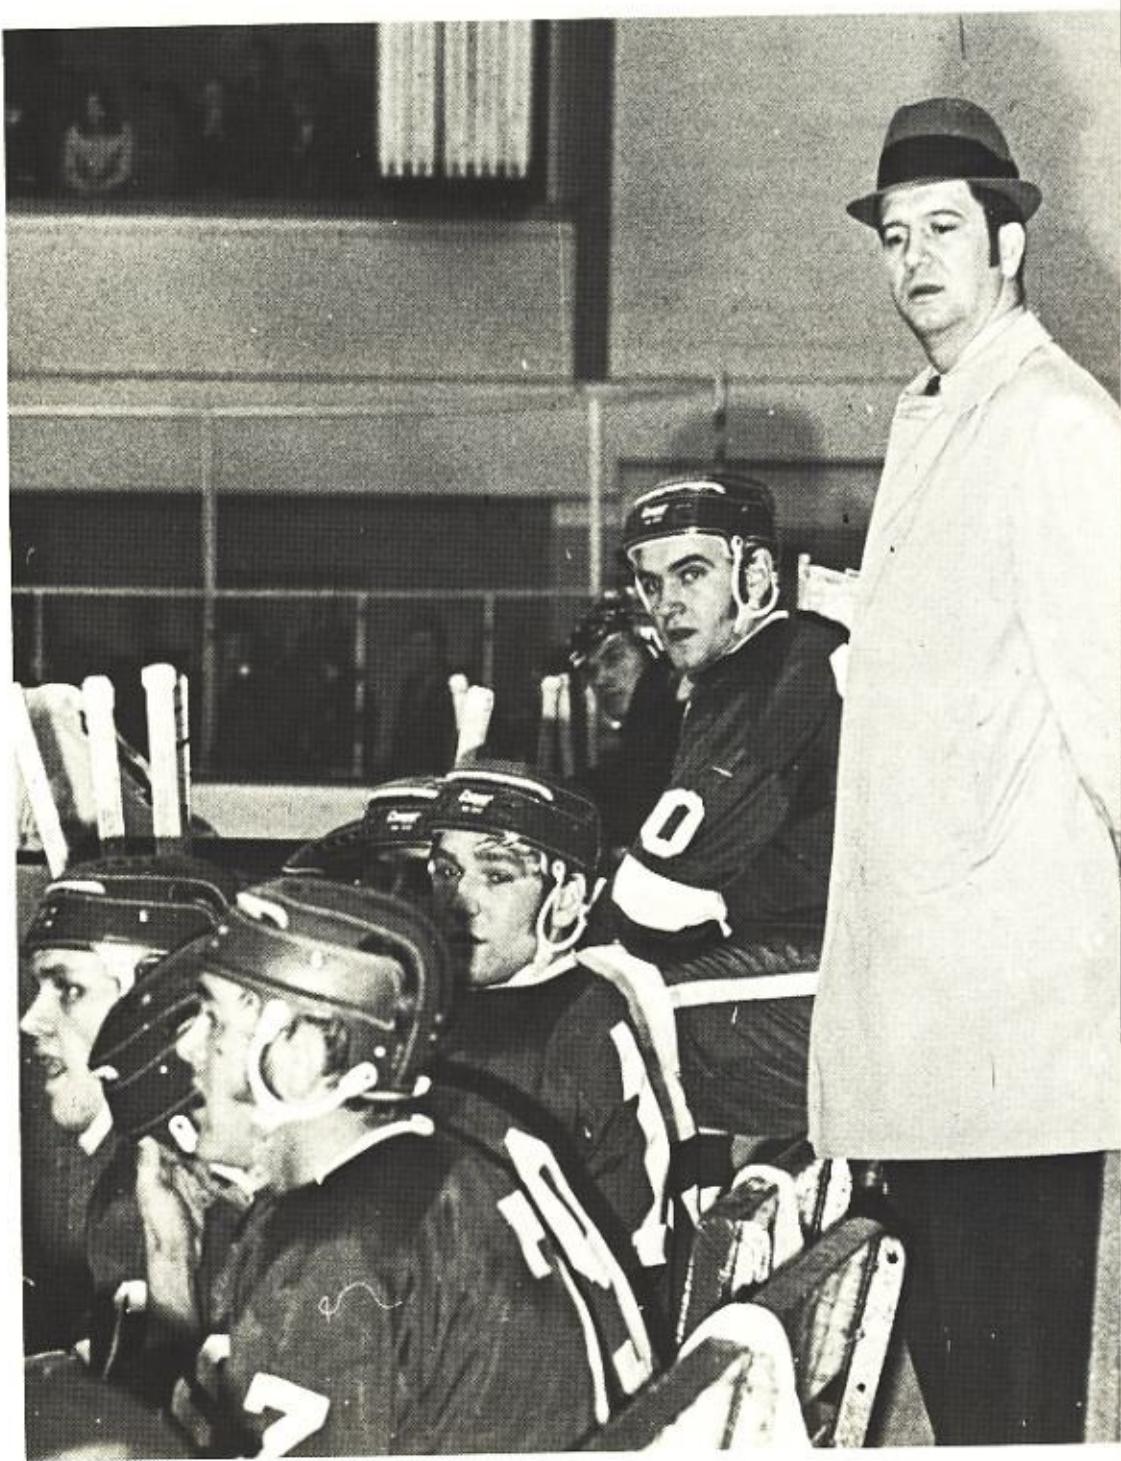

bers of both teams. Even the second line goalies were exchanging swings.

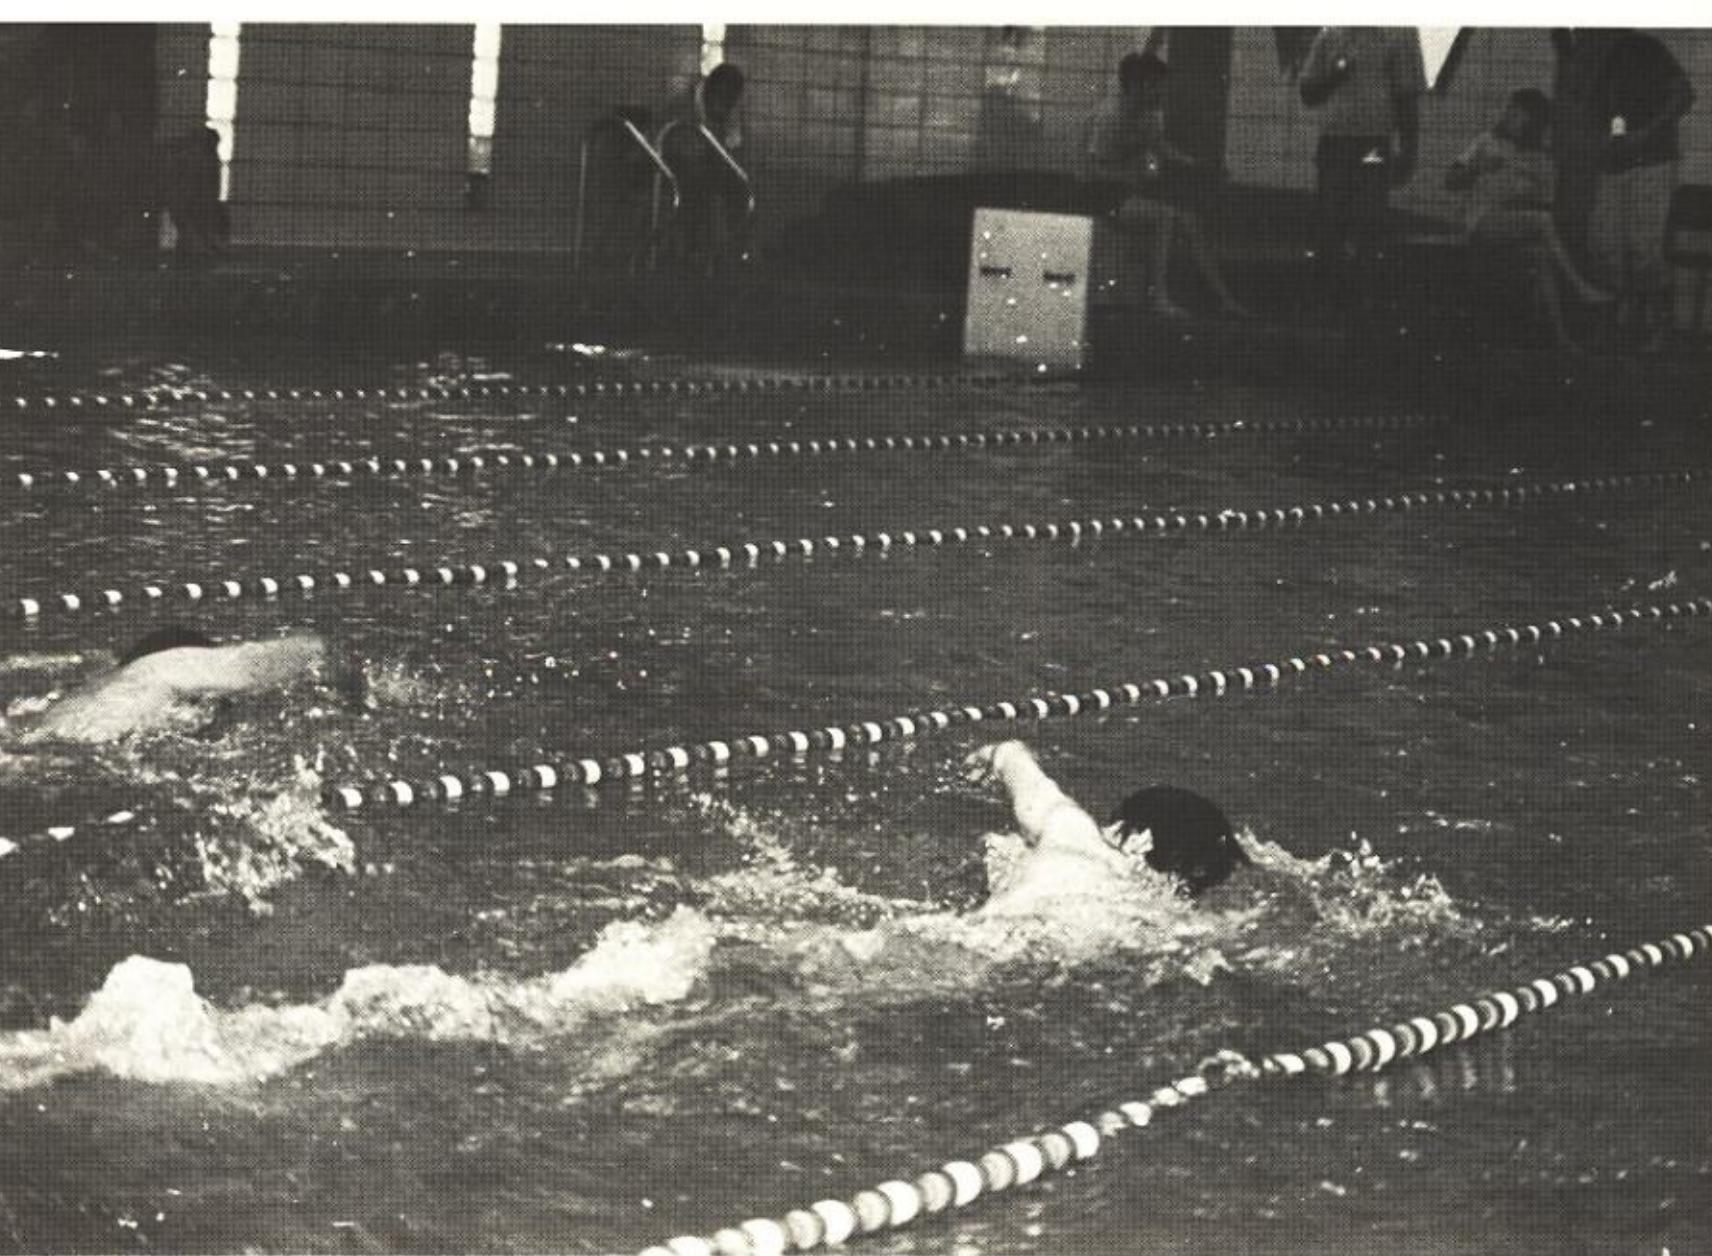

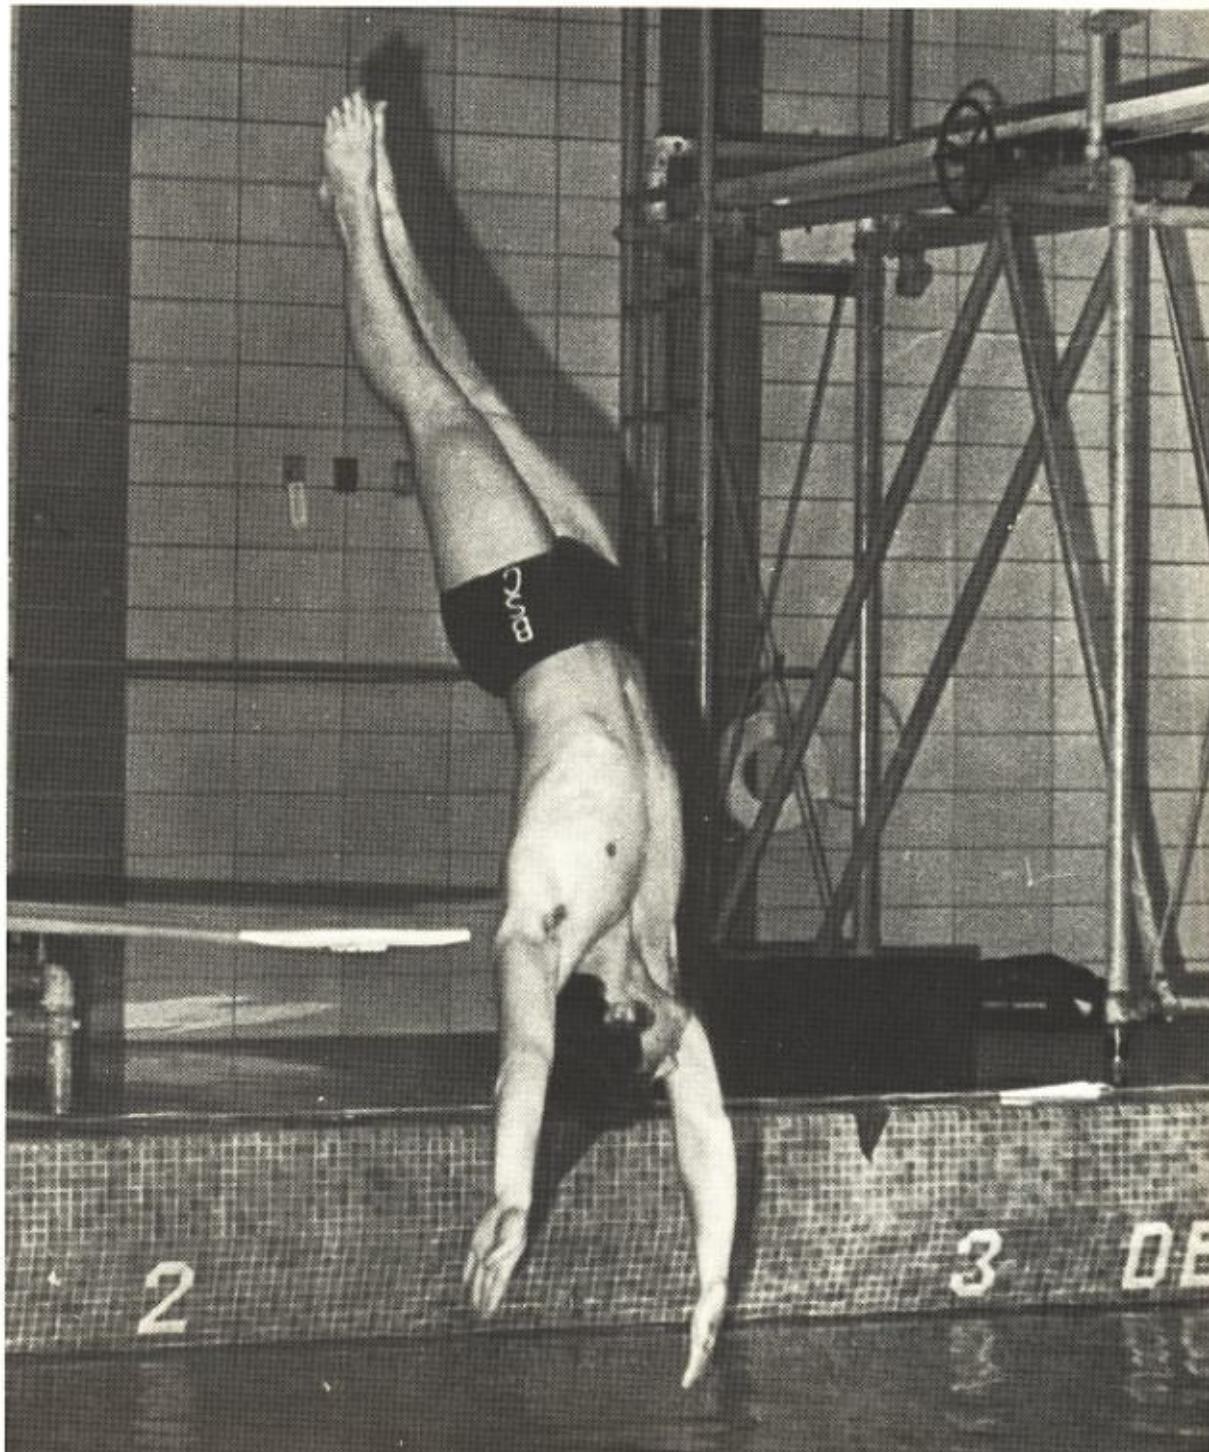

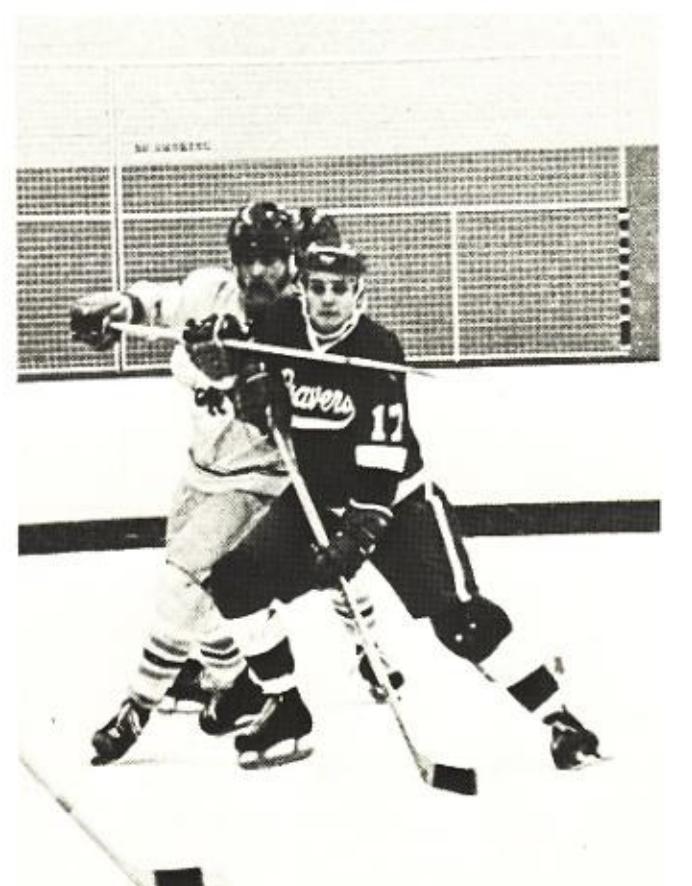

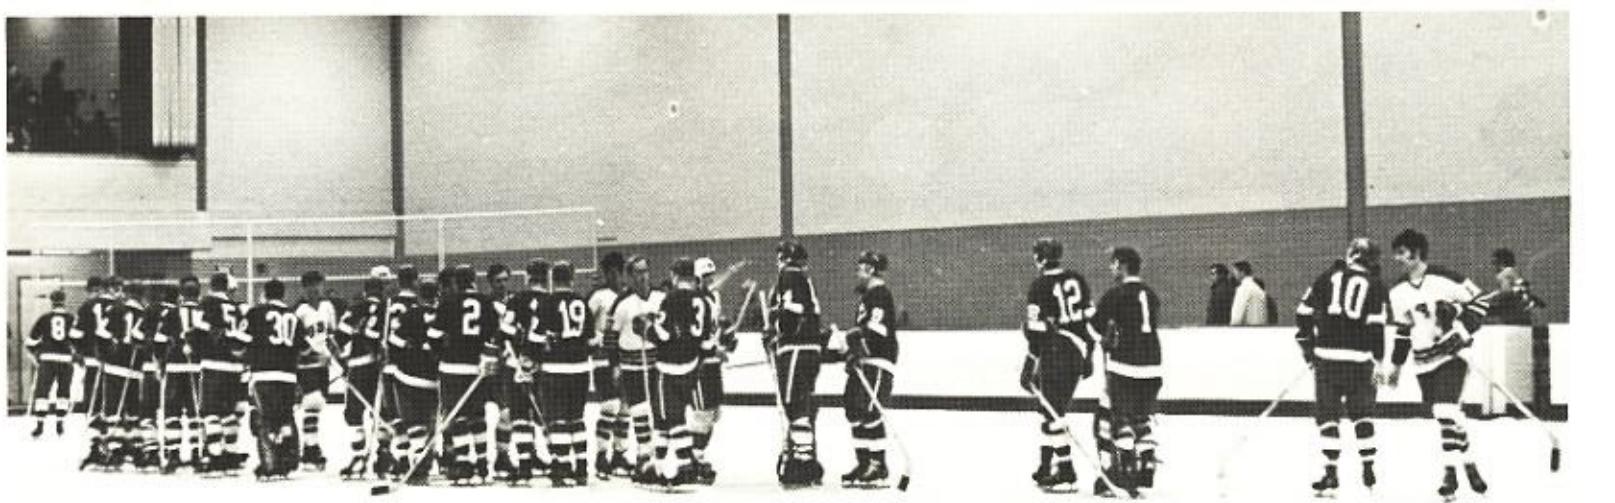

Denny Lemieux came out on top with a season high of 32 with 25 assists. Comstock ended the season with 652 saves against his opposition of 750.

Making the All-American team were Blane Comstock, Charlie Bwon, Bruce Falk, Denny Lemieux, and Jude Boulianne. Bruce Falk came through as the most valuable player of the tournament.

Peters is optimistic about the future, even though he loses seniors — goalie Blane Comstock, Bruce Falk, Charlie Brown, Jim McElmery, Jim Humphrey, and Denny Schueller.

"I feel we have a fine group to build on next year." Peters also mentioned the good forwards returning and added that a fine group of freshmen defensemen look very promising.

SIX IN A ROW:

The Bemidji swimmers broke records and won 11 out of the 18 events to win the conference championship. Perry Brown had a perfect meet as he won five gold medals. His time of 5:13 was a new record in both the varsity and conference 500 yard freestyle. He also placed first in the 200 yard freestyle, 1650 yard freestyle, and he was a member of the 800 free relay and the 400 free relay that took first.

Len Rothlisberger won three medals in the 50 freestyle, the medley relay and the 400 free relay.

Pat Carroll beat the conference and varsity record in the 400 individual medley but placed second.

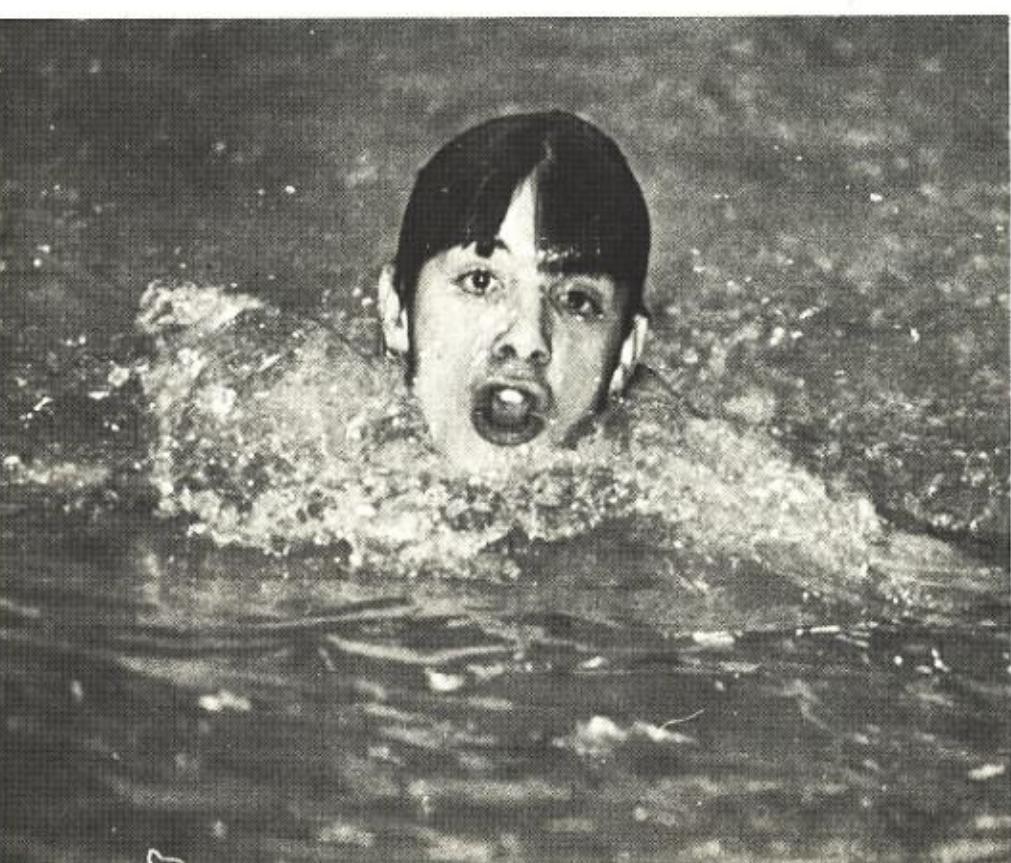

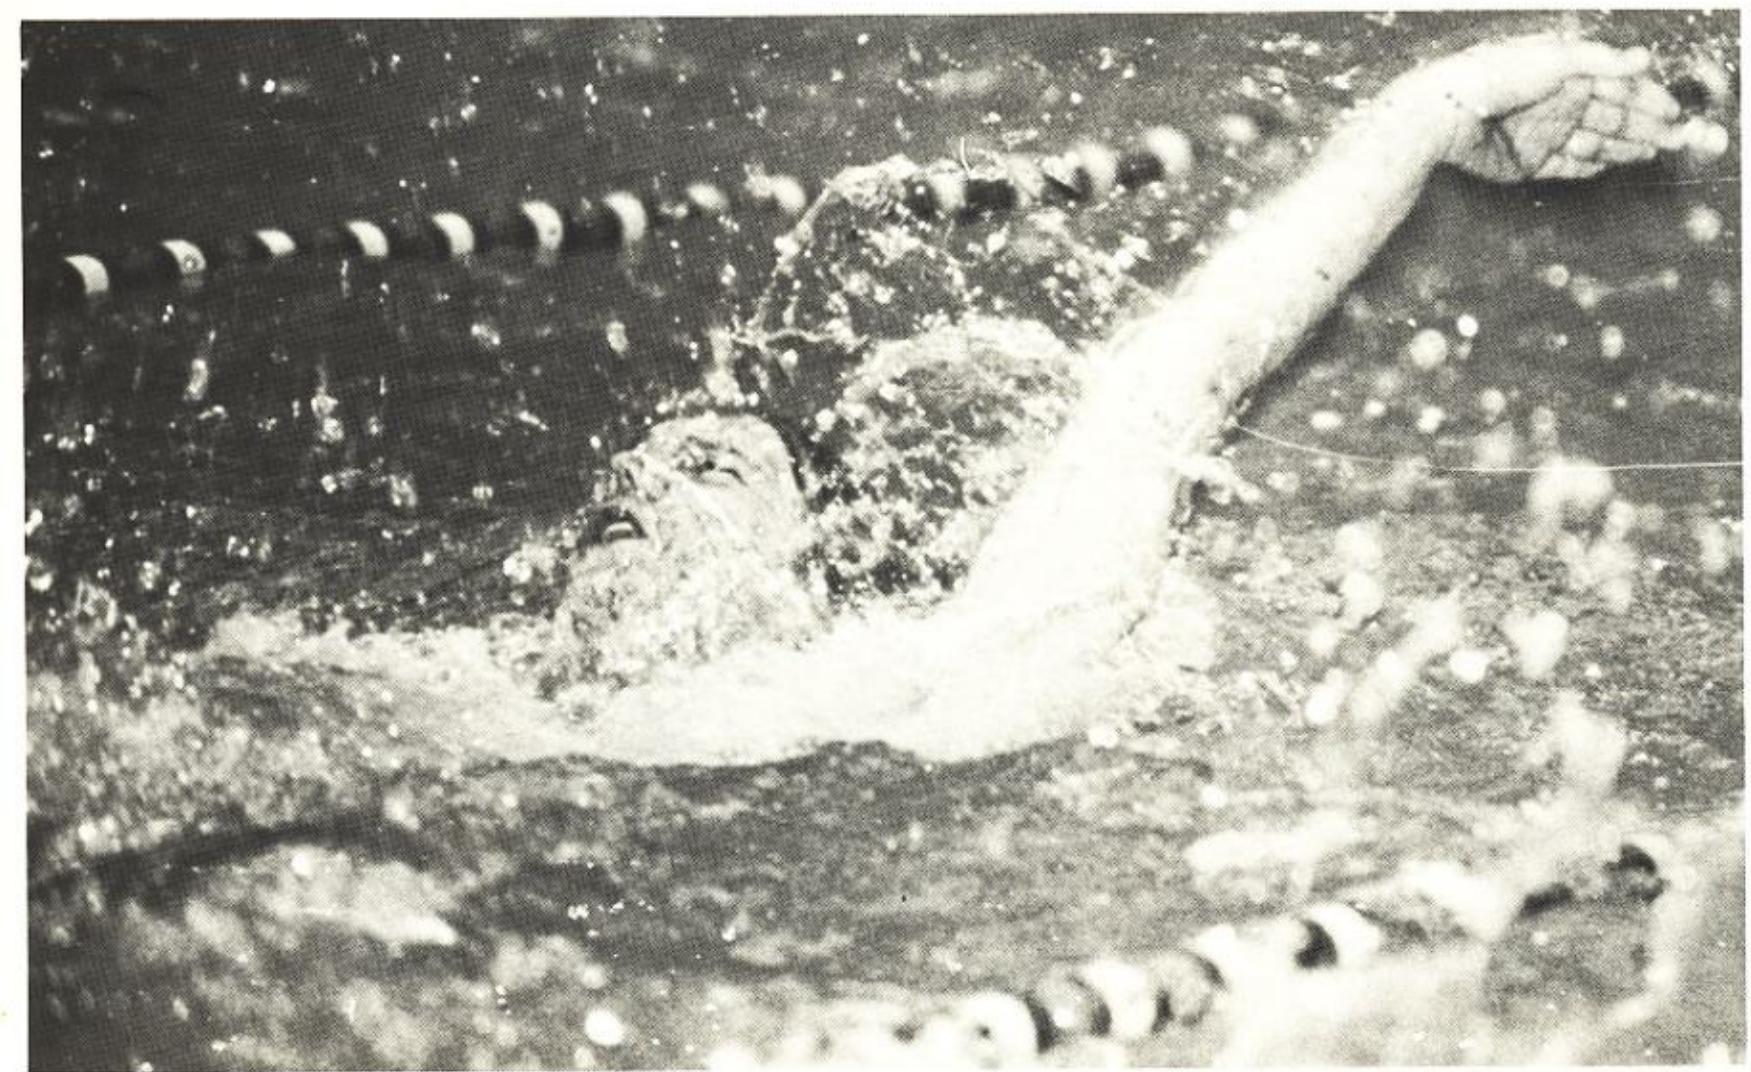

Others placing first in the conference were Marc Hamren in the 100 breast stroke, Dave Tukey in the 100 backstroke and Chuck Stuart in the 200 yard backstroke.

This is the sixth year in a row the swimmers have won conference and the third year Mr. Albrecht has coached his team to the victory.

The BSC swimming team coached by Lee Ahlbrecht, Mike Pahlen and Dick Vesely started out the season minus thirteen swimmers from the 69-70 season.

With this in mind the Beavers went to a 6-5 record losing all meets to high caliber non-conference teams. The first loss came at the Minnesota relays where Bemidji placed third behind Macalester and Hamline. The losses in the dual meet season were to Central, Northern and Eastern Michigan with two close losses to Macalester ending the list. In dual meet action against conference teams the Beaver swimmers defeated all the opposing teams; St. Cloud, Michigan Tech., Winona and Southwest.

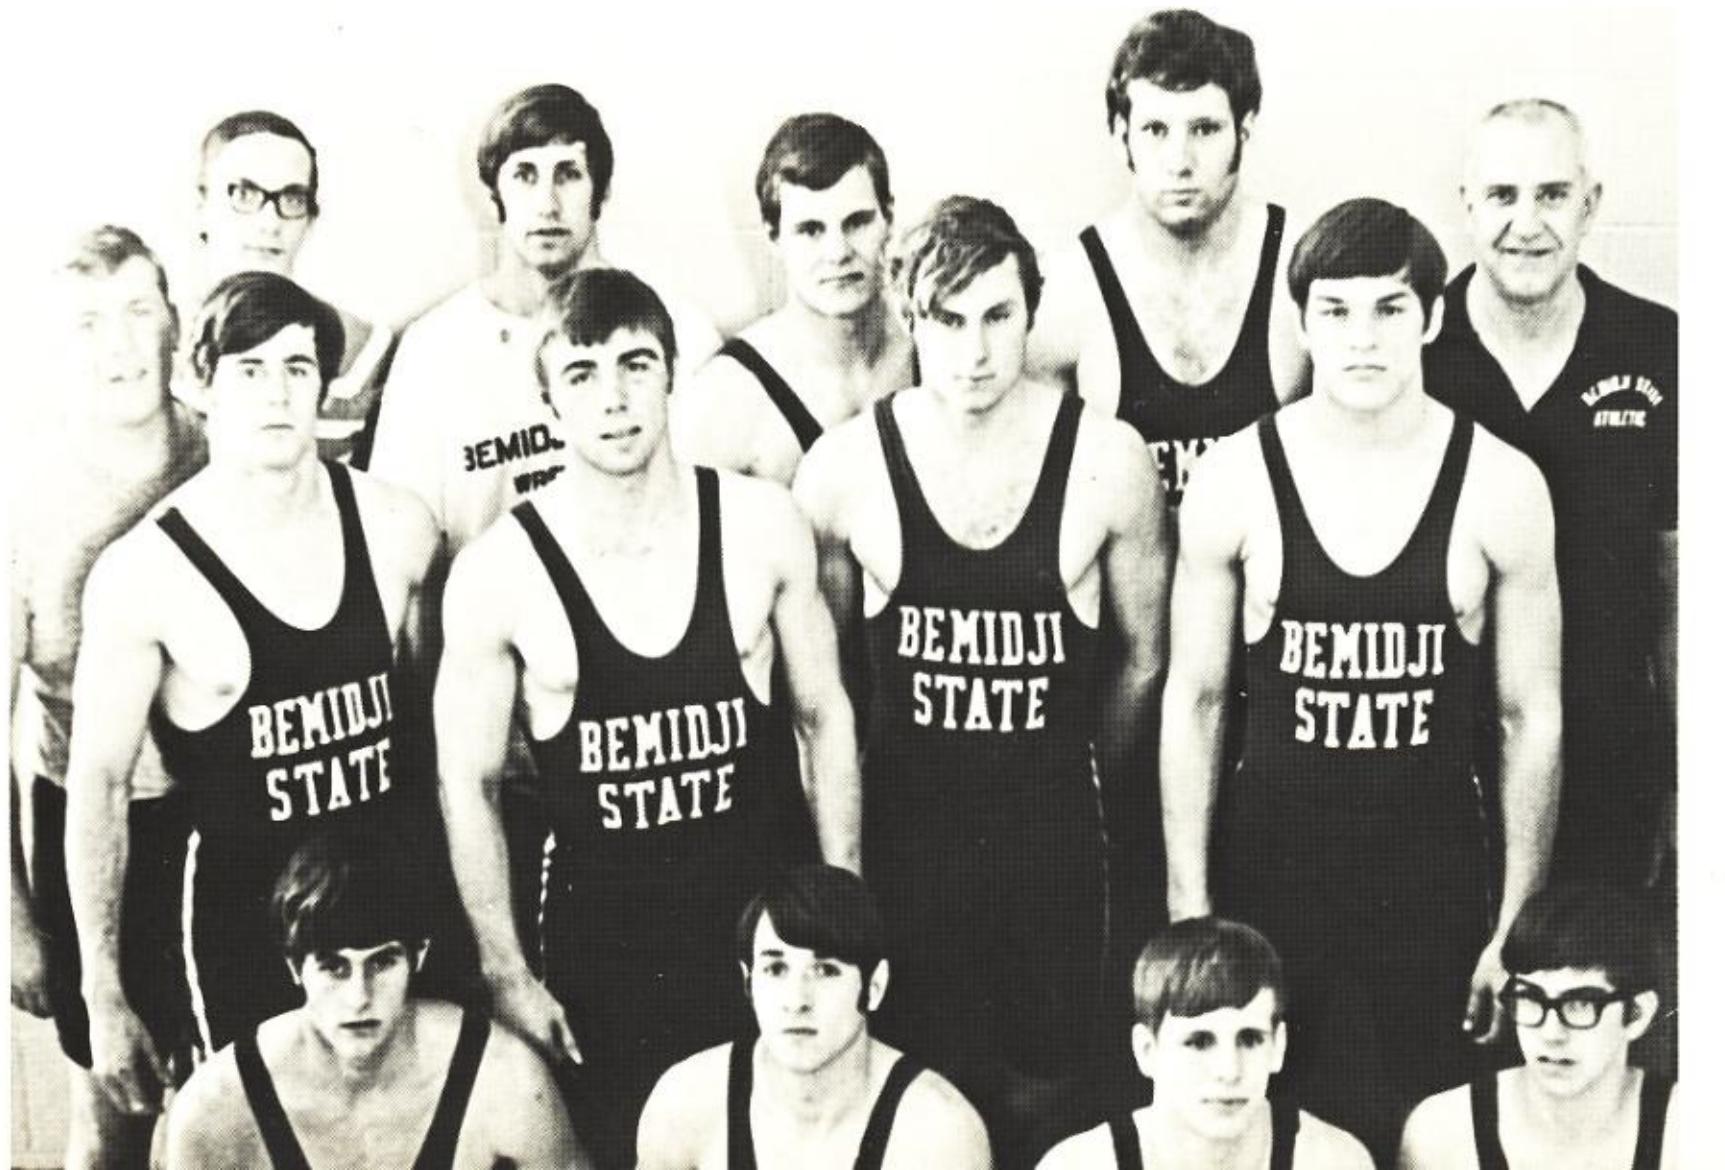

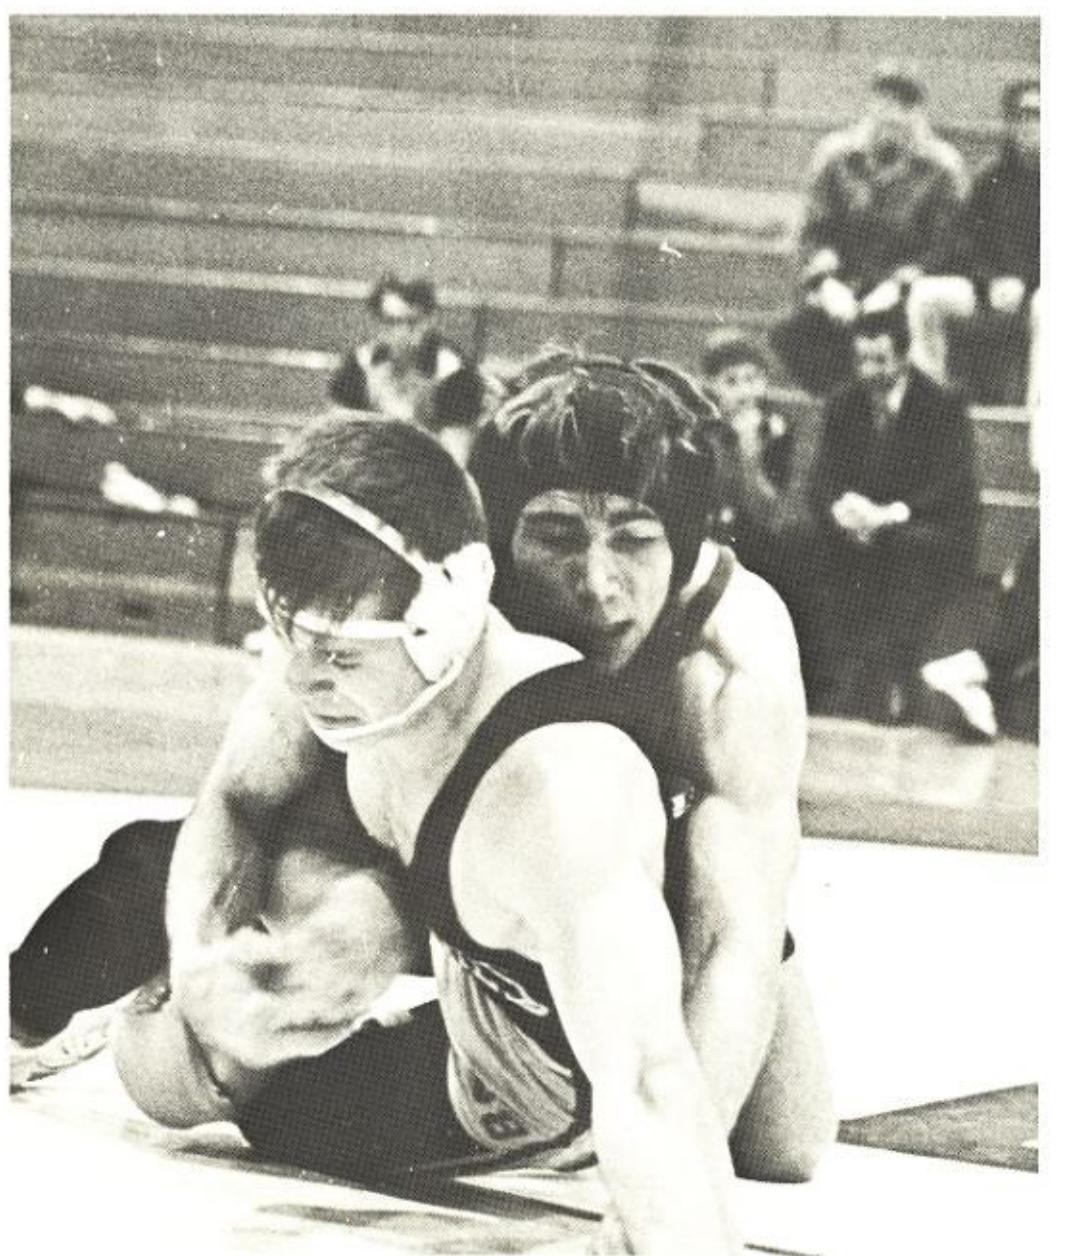

The Beaver swimmers were lead by Co-captains Len Rothlisberger and Marc Hamren. These two with Dave Tukey and John Wasilak set a new conference record in the 400 Medley Relay. Freshmen who set team records were Perry Brown in the 1000 yard freestyle, Pat Carroll in the 500 yard freestyle and Mark Ichiever in the 200 yard butterfly.

FRONT ROW (L-R): Pat Carroll, Mark Shriever, Jim Gaydos, Pete Niemi, Luke Johnson, Len Mickelson, Tim Searles, John Skadski, Dick Leathers, Don Snow, Craig Frigaard. SWIMMING

WRESTLING

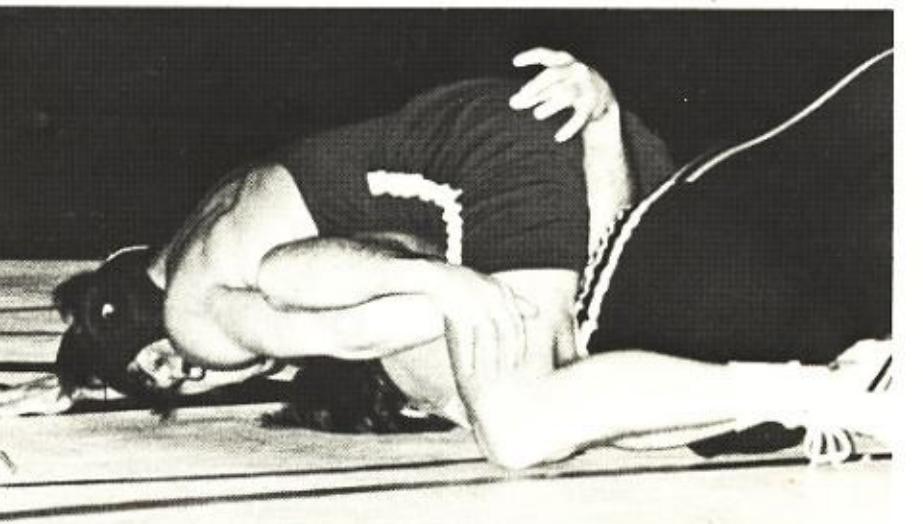

The wrestling team set a new record for the number of wins in one season. They won twelve dual meets this season with five losses as compared to the previous record of eleven wins.

Senior Ron Schmuck, wrestling at 190, led the team scoring with 68 points and a 8-1-1 record. Close behind was Roger DeMarais with 64 points and wrestling at 150. 134-wrestler Jerry Utley totaled 61 points. Chuck Eckert weighing in at 167 and Heavy Weight Chuck Knott tied for lead in pins with six each.

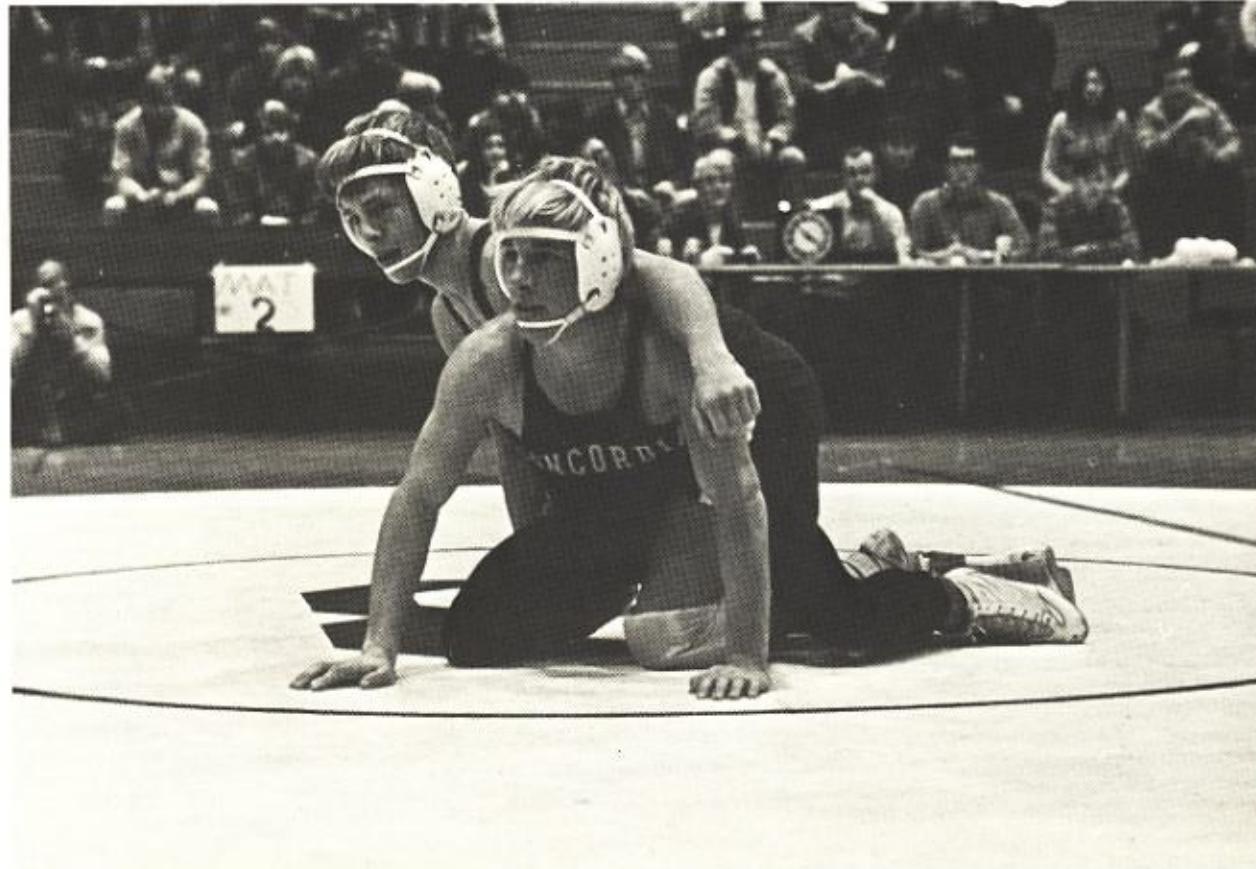

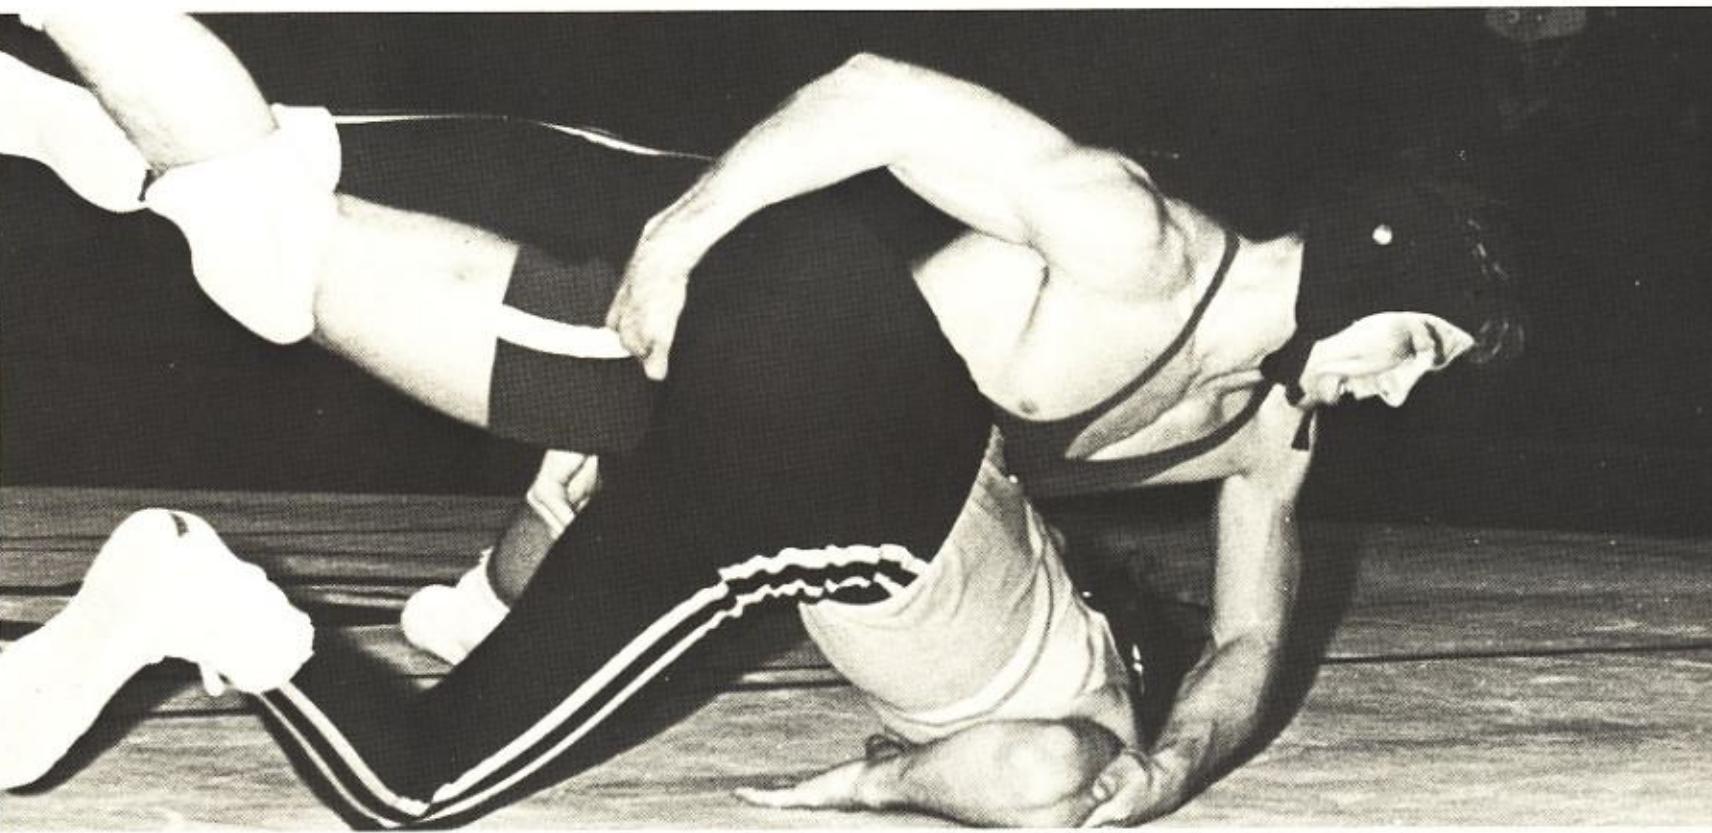

Bemidji placed second in conference with seven schools competing. Winona grabbed first with 83 points. Next Bemidji with 69 followed by St. Cloud-53, Moorhead-37, Morris-27, Southwest-17, Michigan Tech.-13. Dettmer, DeMarais, and Saxe took firsts in their matches.

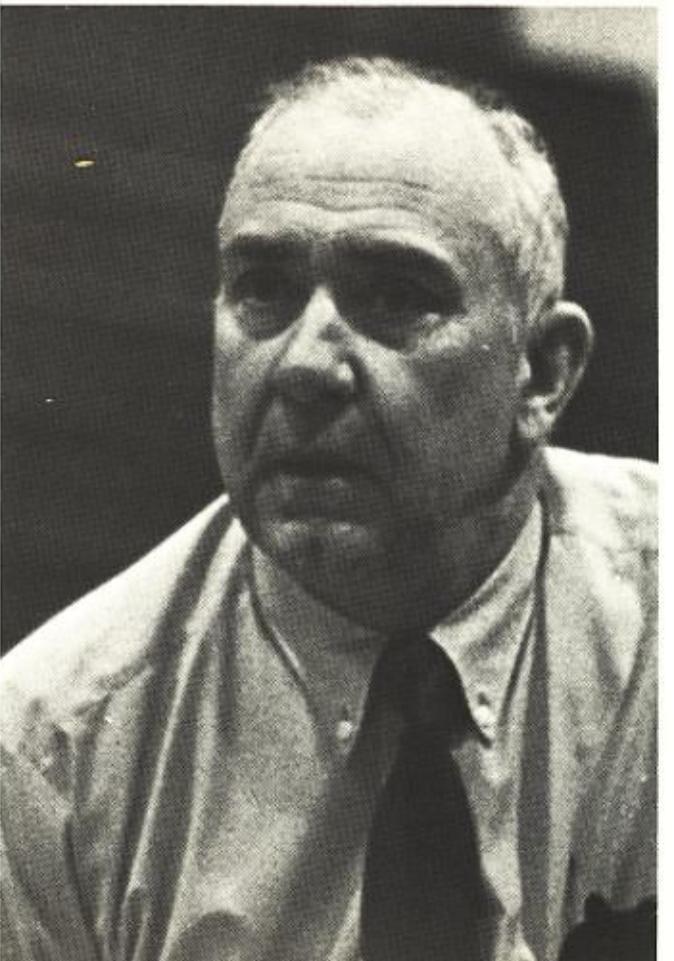

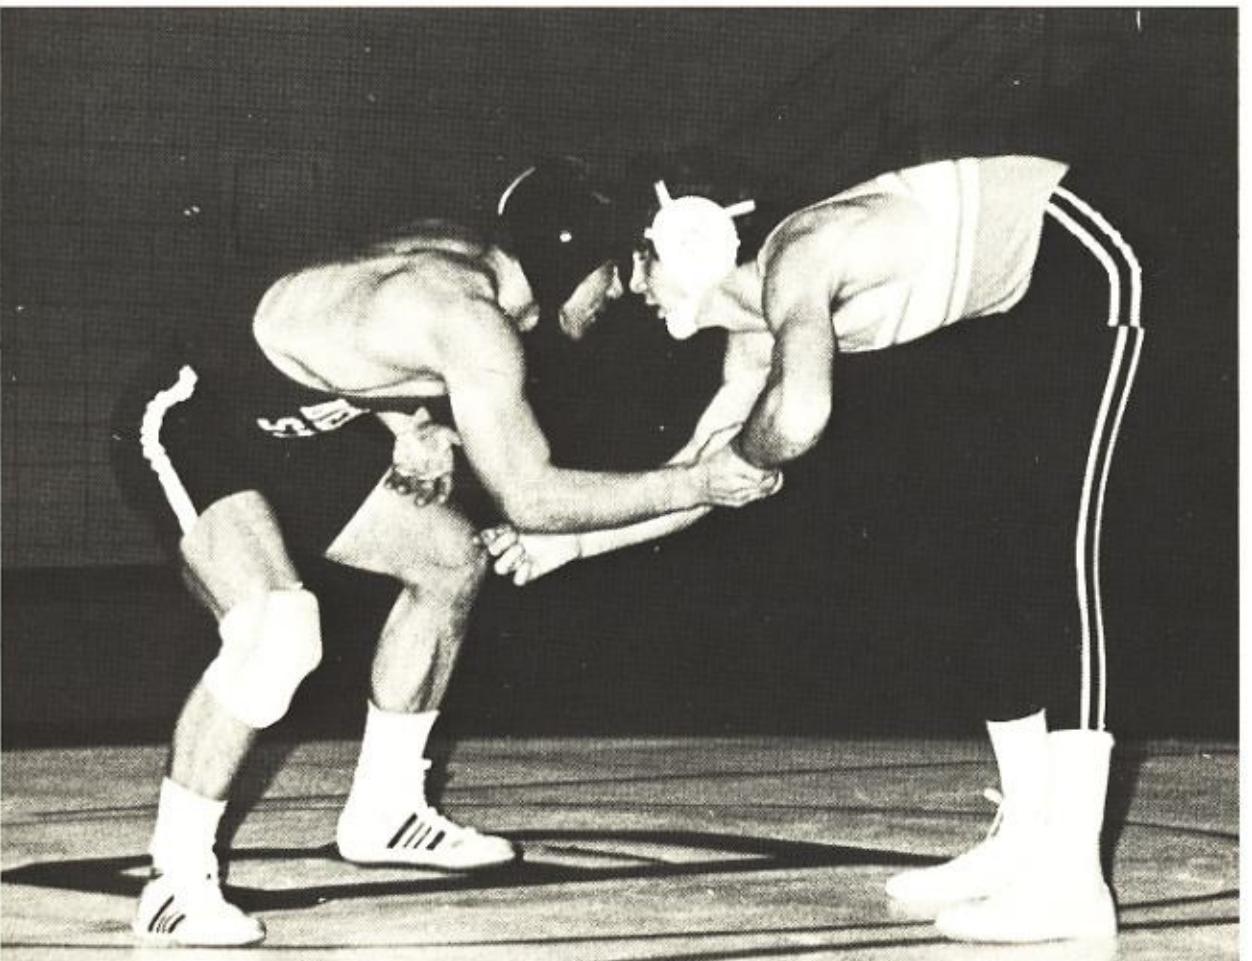

Schmuck lost his last match to a wrestler he had defeated earlier in the season so ended in second. Also with seconds were Knot and Utley. Eckert placed third in the 167 division.

The outlook for next year is to come home from the conference with first.

ROW 2: Earl Neist, John Kacher, Rud Klein, Gary Larson, Bob Gravelle.

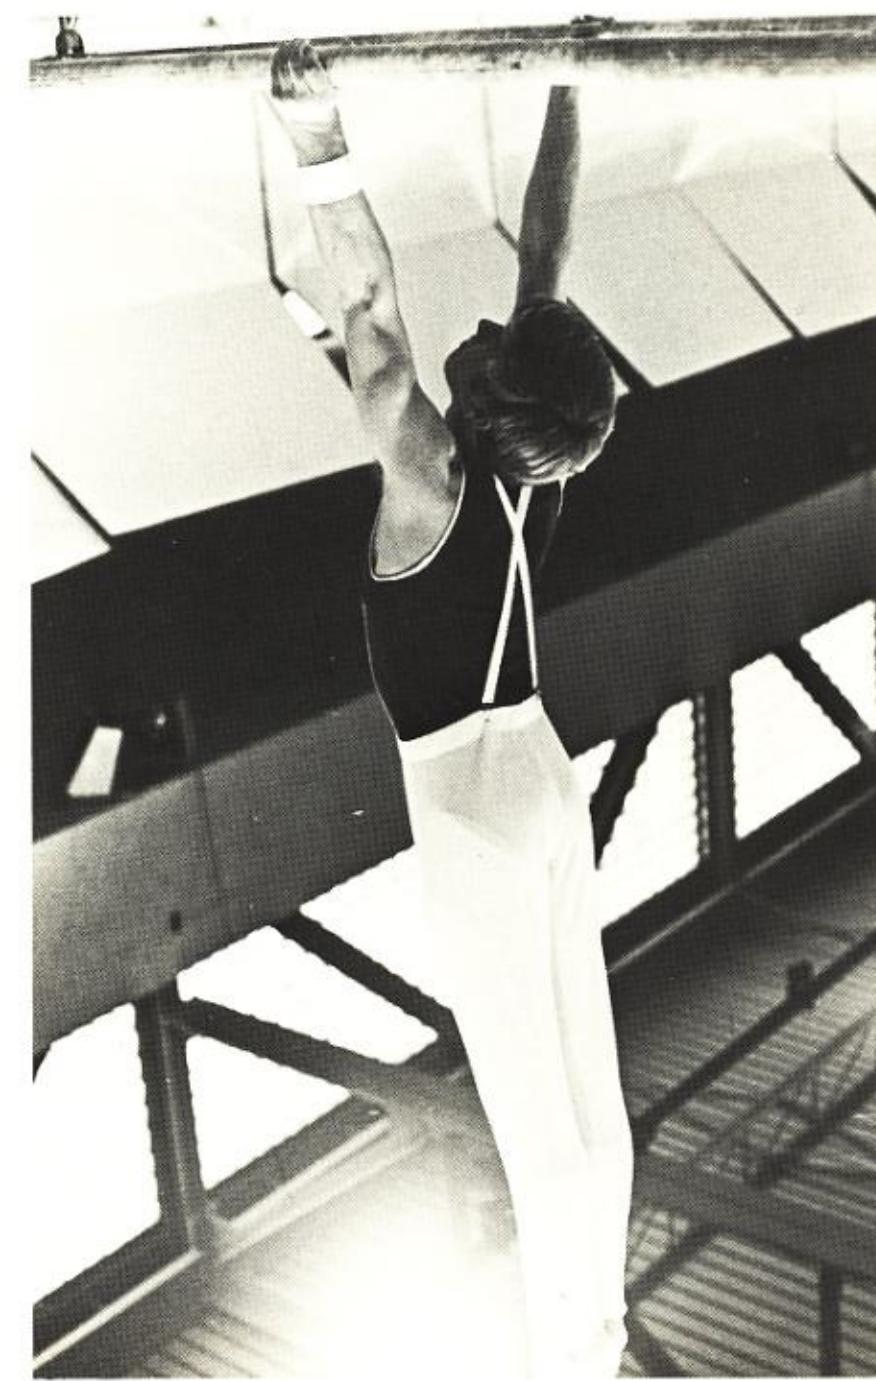

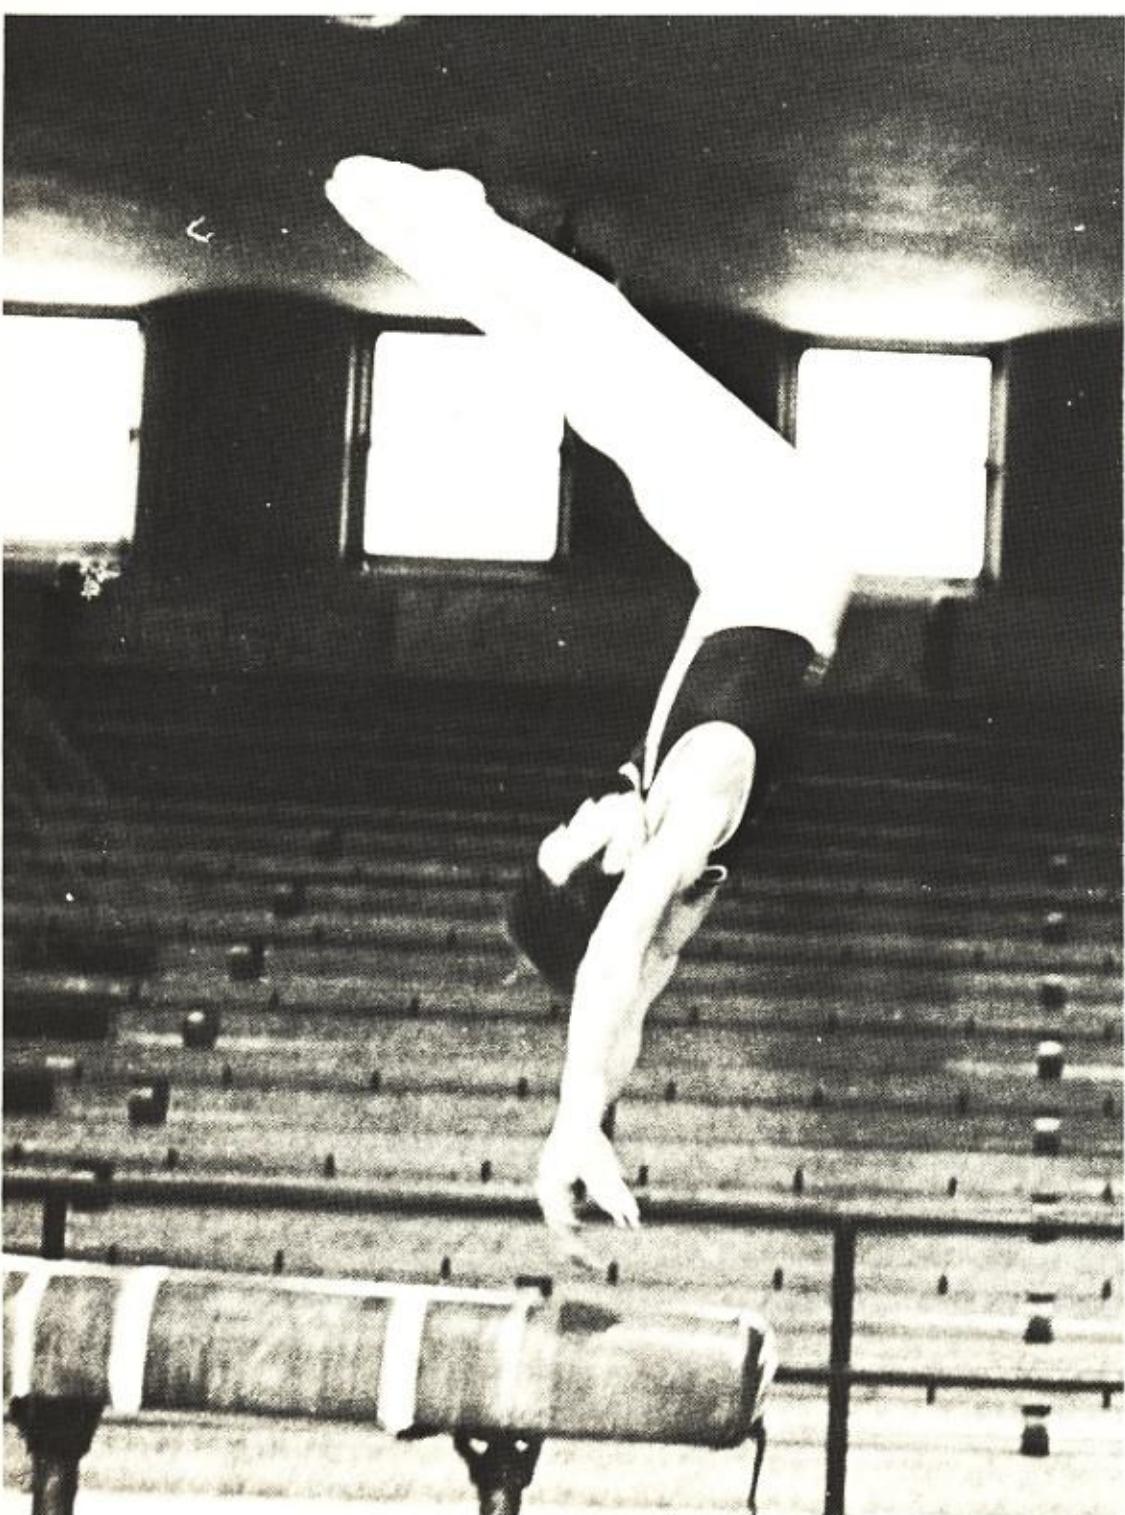

The 1970-71 season began with only four lettermen and six eager freshmen on the Beaver gymnastic team. After a slow start and a fourth place finish (out of nine teams) in their own Northern Invitational, the Beaver Gymnasts steadily improved. They had a season team high of 132.80 points against the University of North Dakota in their last home appearance.

The team finished with a 3 win and 4 loss dual meet record. Two gymnasts Co-Captain Don Papreck (all around) and Doug Kenison (floor-exercise and long-horse) qualified for the National Championships.

With the graduation of only two members of the squad — Co-Captains Don Papreck and Russ Johnson — the team should be in good shape to continue their winning ways in the 71-72 season. Although both gymnasts were constant winners this season — there are many fine young squad members ready to take up the slack for the coming season.

WOMEN'S FIELD HOCKEY WINNING STREAK!

Bemidji State College's Women's Intercollegiate Athletic teams are always to be praised and admired. In all sports excellent coaching brings about respect from all schools they encounter. This year's field hockey team is a fine example.

Returning with only five players from last year didn't seem to make any difference as Betsy McDowal "molded together a young team to form one of the top teams I have ever had the privilege of coaching"

The team compiled an impressive record of 8-1-0 and are back on their famous winning streak. They have lost but two games in the last five years.

This years edition of the team outscored their opponents 51-4. Co-captains for this years team were Lynn Dorn and Judy Doering.

The future looks very bright as they only loose one player due to graduation.

FRONT ROW (L-R): Bonnie Cann, Linda Bruzek, Mary Traxla, Judy Doering, Sue Almleaf, Marty Hull, Shirley Shegrude. WOMEN'S SWIM TEAM STATE CHAMPS!

The women swimmers are the new state champions for Minnesota. The BSC team broke five state records as they took the title from the University of Minnesota women swimmers.

Marcy McNamee carried away three new individual records and contributed to a broken record in the 200 yard free style relay. She set new records in the 200 yard free style, the 100 yard free style and the 100 yard butterfly events.

Jan Hillman of Duluth set a new women's inter-collegiate Minnesota record in the 50 yard free style event, and was also a member of the 200 yard free style relay team that broke the record.

This is the first time in the history of the tournament that a school has been able to defeat the University of Minnesota women. The margin of victory by the BSC women was slim, as they garnered 89.5 points to UM's 89.0.

Under the expert coaching of Carol Swim the team hopes for a similar victory next year.

FRONT ROW (L-R): Debby Pederson, Jenny Wilberg, Vickie McClellan, Donna Schultz, Debbie Kolp. ROW 2: Miss Swim, Debbie Gerths, Marsha McIllath, Nancy Texor, Kathy Payne, Bonita Aaze. ROW 3: Polly West, Jan Hillman, Cindy Gillespie, Marcy McNamee, Linda Kirchner, Nancy Bradburn.

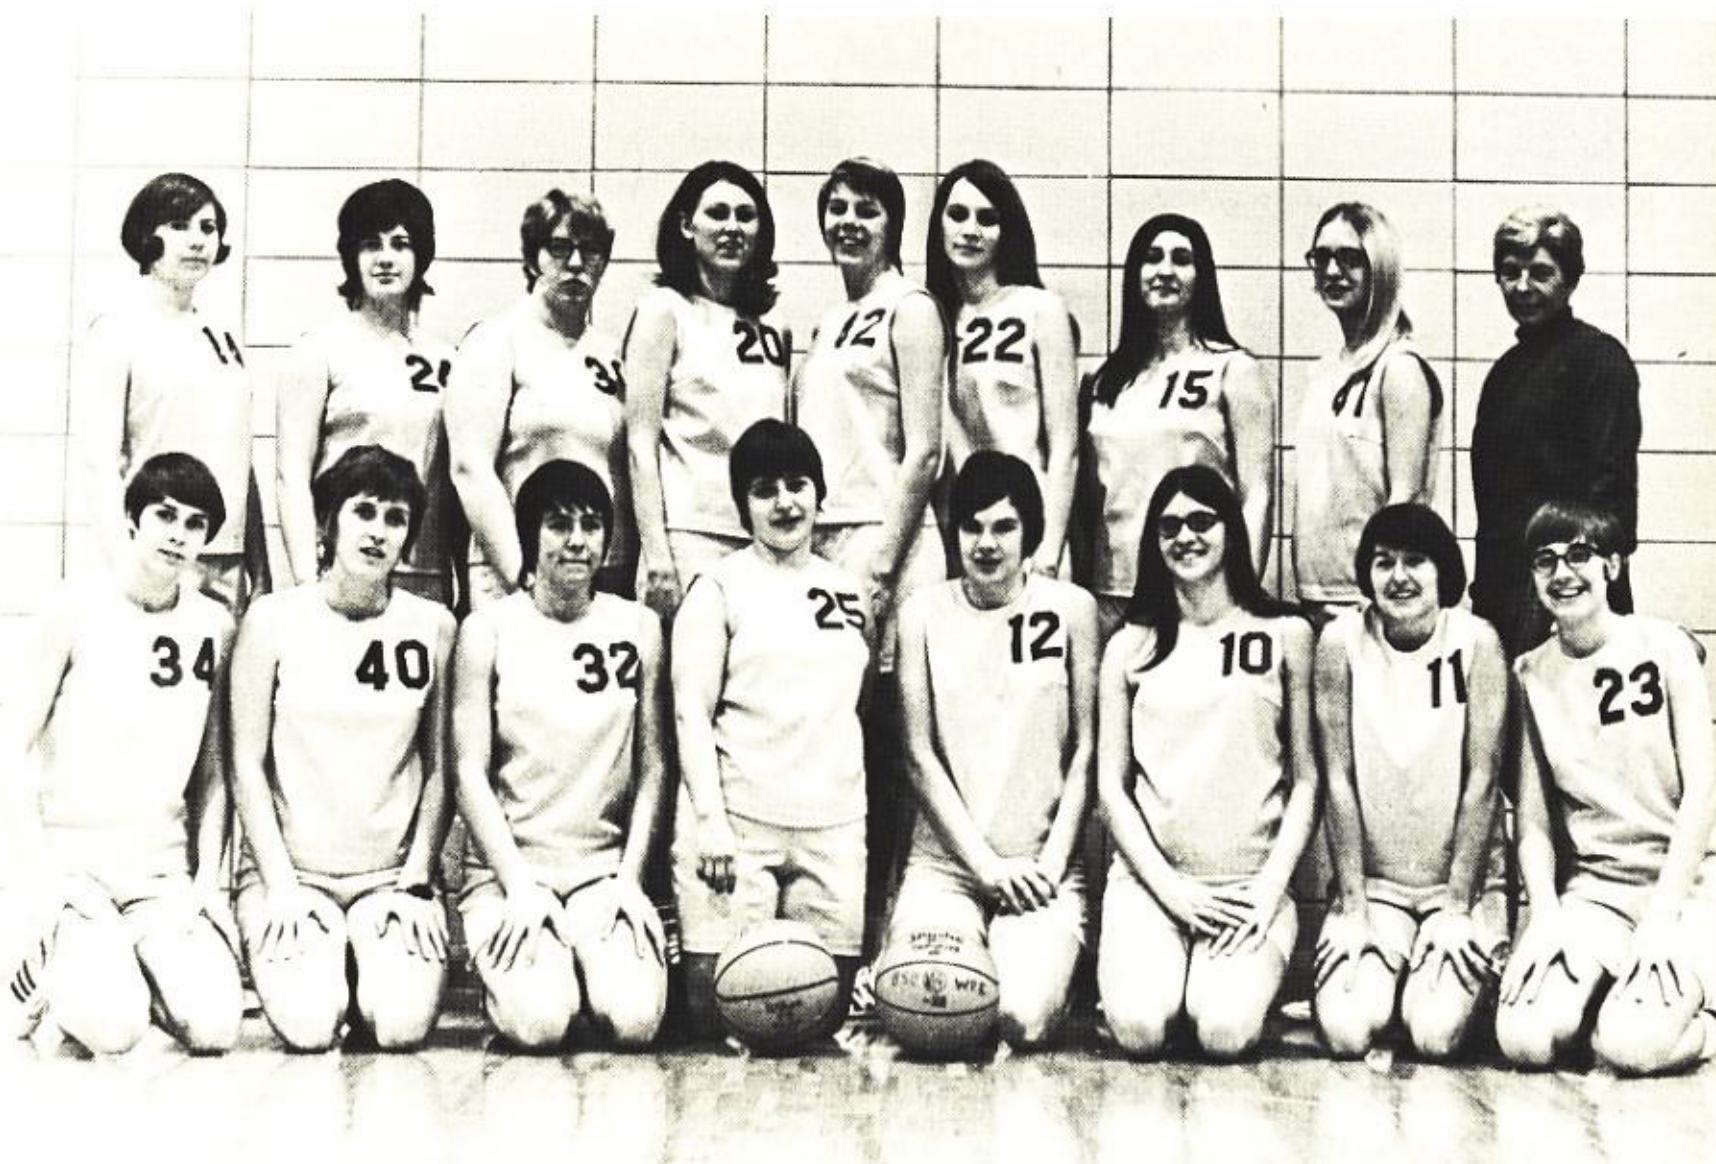

GIRL'S BASKETBALL

Dr. Ruth Howe, coach of the Bemidji State Women's basketball team started out this year's season with a veteran team. Loosing only one player through graduation, desire and depth were imminent, and 1971 brought in a very fine freshmen crop.

The team plays in the Minn-Kota conference and competes against Moorhead State, University of North Dakota, Concordia, North Dakota State, and the University of Minnesota Duluth branch. They also represented Bemidji at the Northern Regional Tourney held this year at Moorhead, a tourney which last year they took home first place honors. Next year plans are underway to take this tourney through the state level.

Co-captains for this years team were Dahette Swanson, a four year player and Judy Doering. These two will be the only ones to graduate from this years team.

The team plays five-player basketball which is now in to its second year on an experimental bases. It is similar to the type which men play.

FRONT ROW (L-R): Marty Hull, Linda Bruzek, Carol Stomberg, Judy Doering, Danette Swanson, Elaine Denney, Sharon Skjong, Judy Voegl. ROW 2: Nancy Krueger, Jennifer MacDougall, Ruth Birr, Jeanne Sunnarborg, Lynn Dorn, Betty Welz, Sheila Corrin, Jane Rademacher, Dr. Ruth Howe.

WOMEN'S GYMNASTICS

The season consisted of twelve weeks, the first three involving conditioning and the last nine competition. Bemidji placed second at the Quadrangular at the University of Minnesota behind the University. Other teams present were Carleton and St. Cloud.

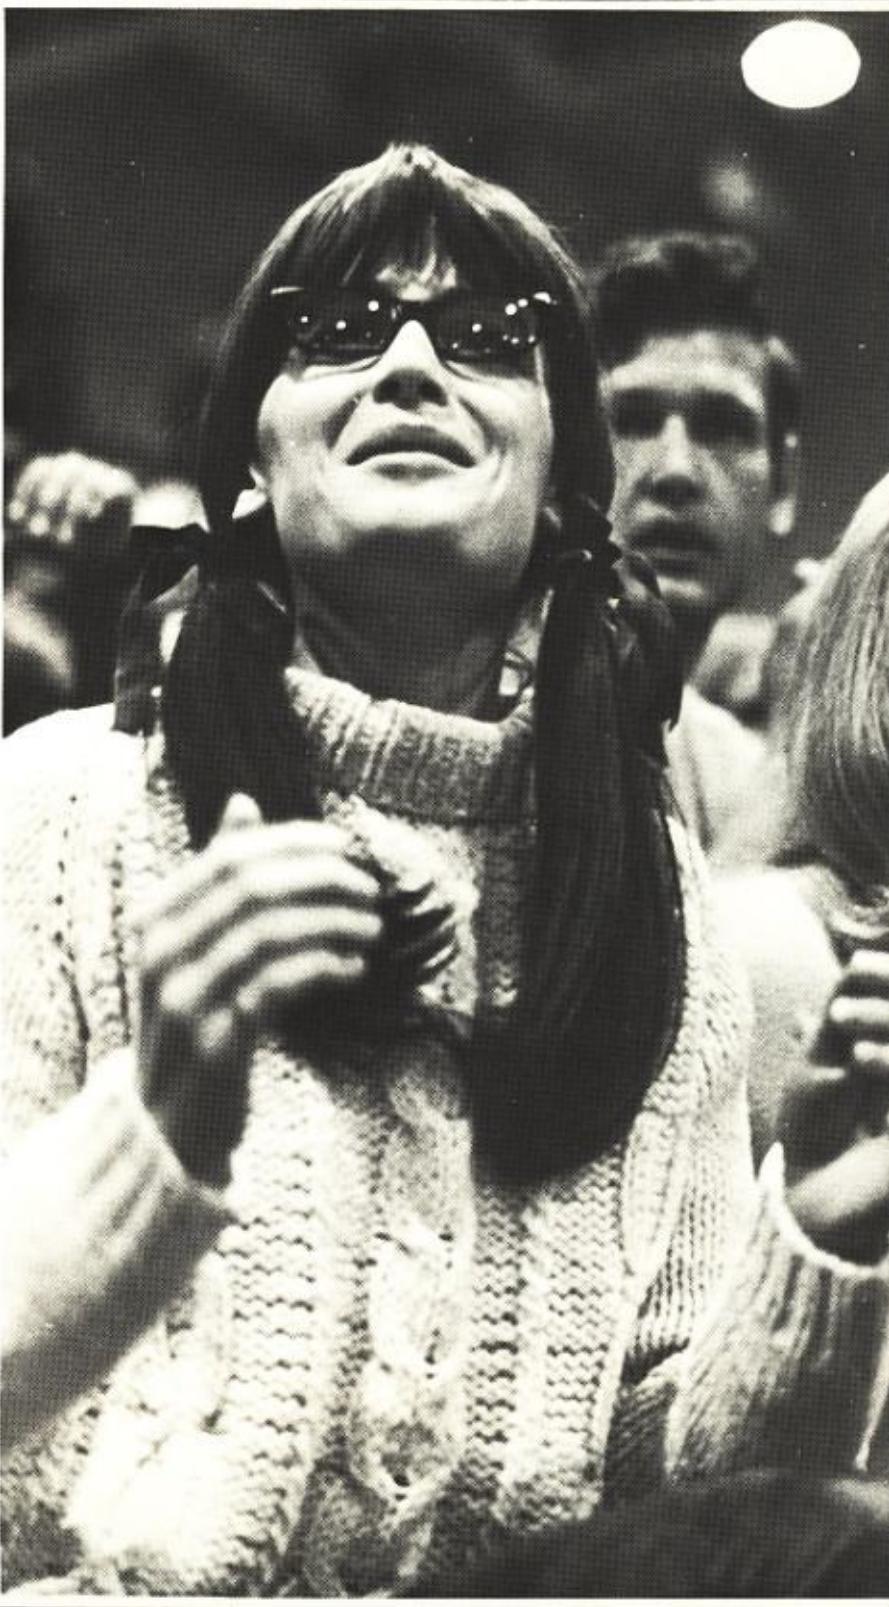

Hosting Gustavus Adolphus, Moorhead, and U.N.D. at the BSC invitational, our team placed second. In the Intermediate Division at the University of Minnesota state wide meet Bemidji came home with first place.

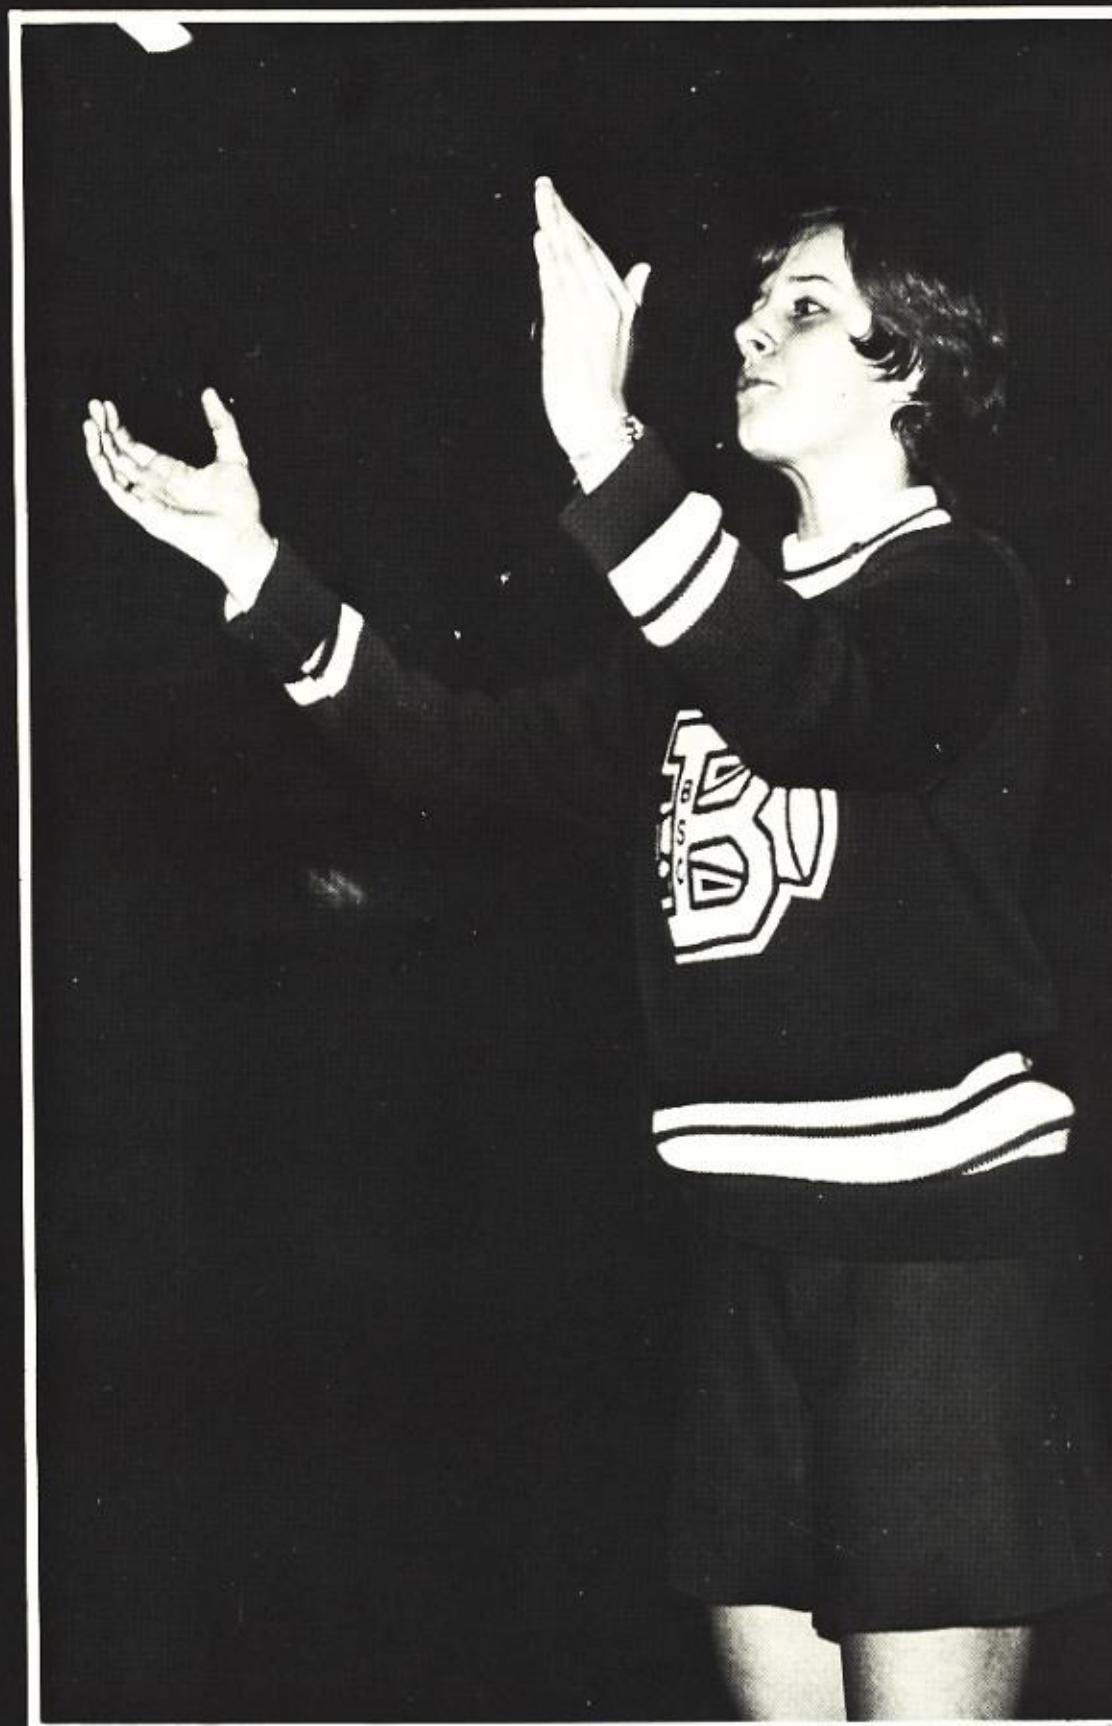

All team members will be returning next year with the exception of the seniors, Joan Hance and Terry Hanson. Miss Pat Rosenbrock is the team's coach.

BEAVERETTES

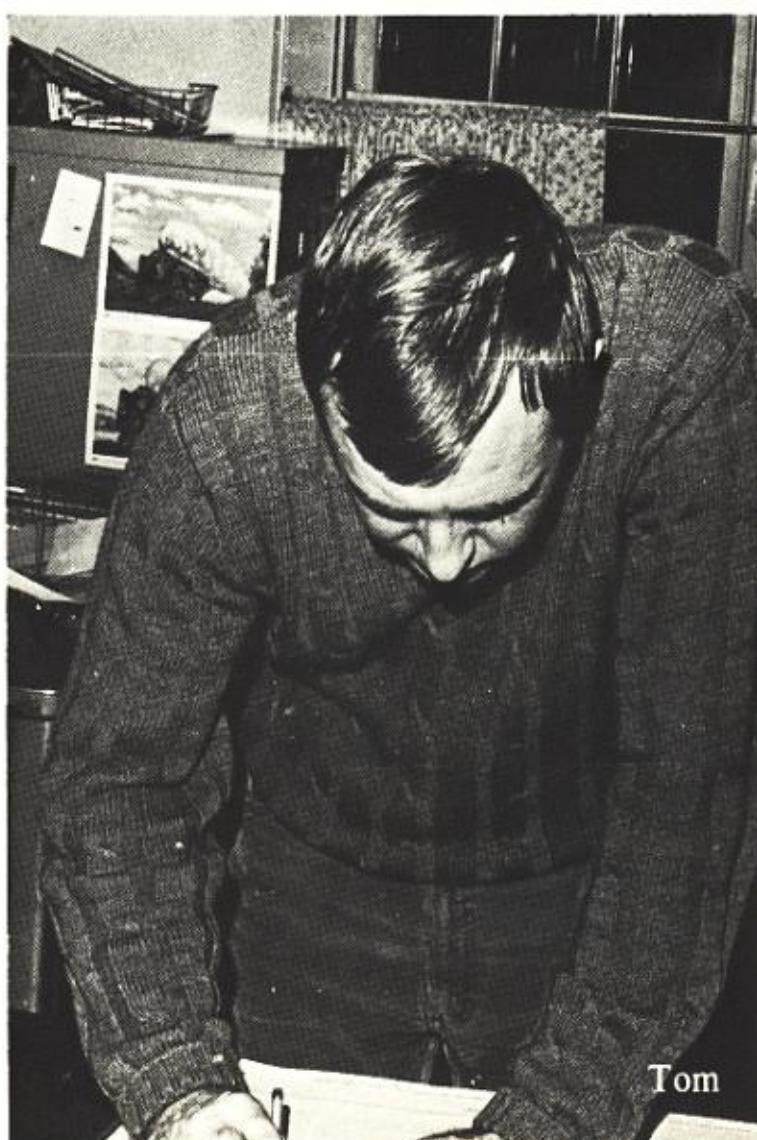

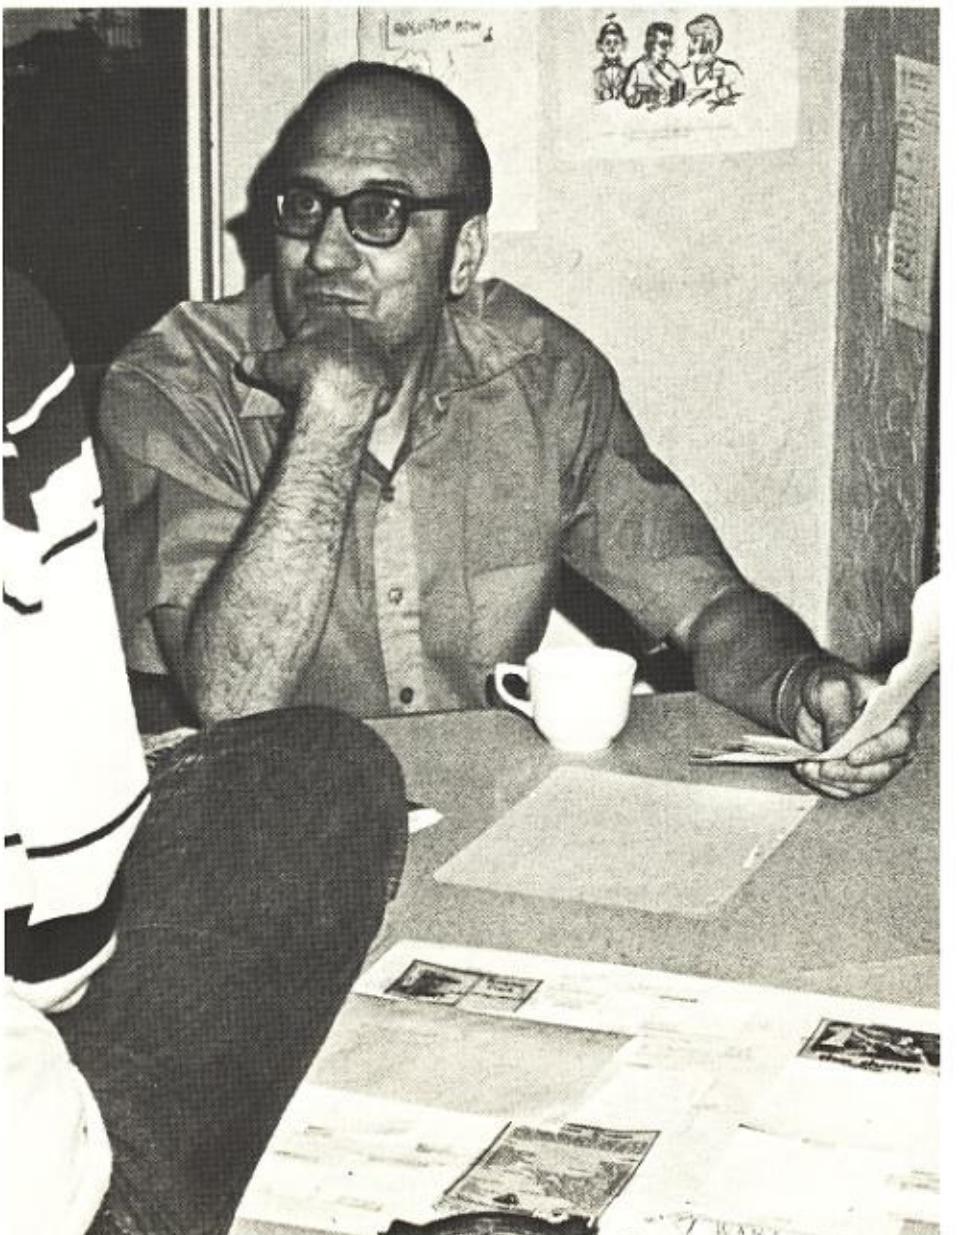

The Bemidji Beaverettes consists of 12 pom-pom girls who perform at many athletic events. Members of this group shape creativity into routine and entertain team supporters. The group will travel with the team this winter to provide color and variety during the games.

BIRCHES AND PINES

KBSB has been around now for five years and in that time studios have been built, personnel trained and programs have been presented. KBSB has grown from an AM system just serving the students of Bemidji State, to an AM and FM station serving both the dorm students and the surrounding community.

KBSB AM is programmed primarily for the young with popular music prevailing, while KBSB FM is aimed at all types of listening tastes. These include classical, children's programs, educational offerings, and light entertainment.

The people who operate KBSB have been in the past from all age groups and from all kinds of backgrounds. KBSB is here to serve both the college and the community and to train students in operating a radio station in conjunction with the Mass Communications Department of Bemidji State College.

This year material for the all-campus magazine was gathered and published in two separate issues. The editor and his staff made efforts to gather material from as large an audience as possible for a complete representation of student talent on campus. The magazines published essays, poetry, short stories, and creative photography.

INTER-RESIDENCE HALLS COUNCIL

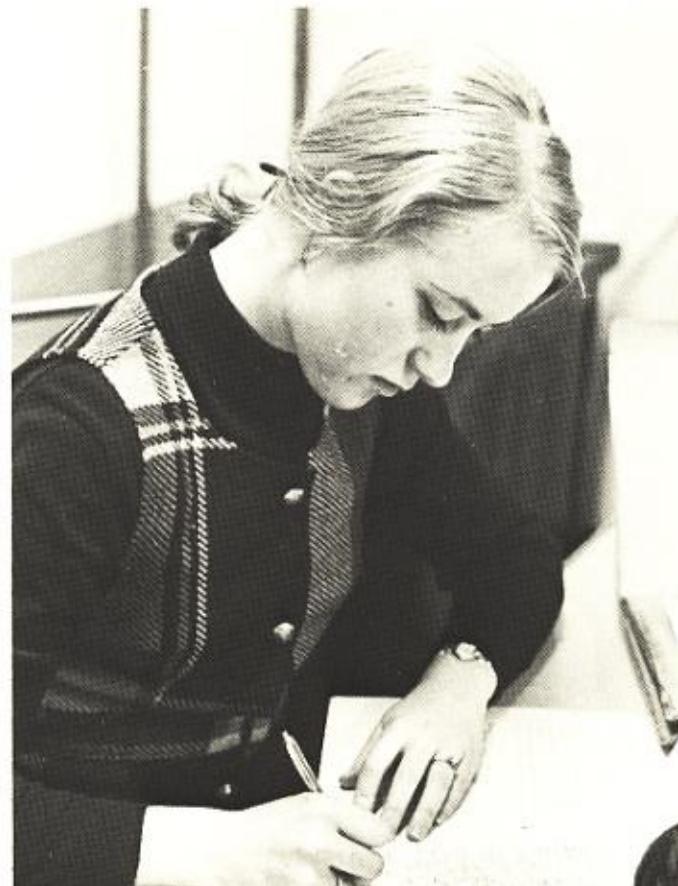

Inter-Residence Halls Council is the student government body for residence hall students. It functions to present the students' interests in dealing with the college administration, and helps provide social, recreational and educational programs. In its 15th year, IRHC is steadily making progress towards its continuing goal which is to make the residence hall a better place to live.

ASSOCIATION FOR CHILDHOOD EDUCATION INTERNATIONAL

The students who make up ACEI work for the education and well being of children. ACEI featured a panel of five members from the countries of India, Trinidad, Hong Kong and The Netherlands. These people discussed the education systems of those countries. Members attended conventions in the fall and spring sponsored a homecoming float and a dance winter quarter. At the November meeting Senator Mammenga was guest speaker and spoke on mandatory kindergarten.

In the past year under the leadership of President Jerry Groenwald, Vice President Jim Walrath, Secretary Don Pa-reck, and Treasure Tom Enger, the B-Club became more successful and grew. Along with its popcorn sales at the athletic events, the annual College-Community Action Day, sponsored by the downtown merchants, was a huge success. Around 1000 people ate at this pancake feed in the Armory. The Letterman's Club charge of the Lueken's Bean Feed was another annual success. Through these and other projects the B-Club has shown its dedication to the promotion of unity among all Bemidji State athletes and athletic programs as well as college community relations.

FRONT ROW (L-R): Mr. Ken Skogen, Glynnis Hovelson, Tom Leavey, Sue Strizic, Barb Stickel, Dr. David Nordlie. ROW 2: Linda Tatro, Glenda Duhamel, Pat McCullough, Dan Edman, Brian Colvin, Holly Stebbins, Renee Aspen, Lisia Ledin.

This school year, the Sociology Club was awarded a concession to sell pop at all college dances. The concession along with two successful dances has enabled them to engage in public service projects.

In November the group went to the Hazelden Foundation, treatment center for alcoholics and drug addicts, in Center City, Minnesota. The group also visited the Living and Learning Center at the University.

December's big project was a benefit Christmas party for the mentally retarded people of the community. The party was held at the Newman Center with Moses T'Sang as guest entertainer. John's Super Value, Ideal Bakery, and Bemidji Coca Cola Bottling Company donated food and beverages for the party.

Besides the Christmas party, the Sociology Club also gave Christmas toys to the mentally retarded children of Bemidji. Toys were donated by Tonka Toys of Minnetonka and Holiday Discount Stores of Minneapolis.

Plans are being made to hold a benefit dance for Mrs. Richter's Day Care Center. Another trip, possibly to Canada, is being planned for Spring Quarter.

FLYING CLUB

. . . and away

The Flying Club has been a recognized organization on campus for four years. We are a member of the National Intercollegiate Flying Association which is an organization of college flying clubs across the nation. We competed in NIFA sponsored meets in Bozeman, Montana last spring and Auburn, Alabama this fall. We presently rank tenth in the Nation. The club also hosted regional flying meets in Bemidji in the springs of 70 and 71.

SKI CLUB

“SCHILAUFERS”

THINK SNOW!

The main function of the Ski Club is to promote one of the most popular winter sports. This year there were over 150 members. The club has been working on getting students interested in ski patrol. The two main trips of the club are going to Lock Lomond in Canada and Bridger Bowl in Montana.

THE BEAVER UNION BOARD PRESENTS ...

The Beaver Union Board, through its various committees and staff, provides a cultural, social and recreational program for all members of the college community. Its members are students who are striving to make free time activity a cooperative factor with study in education. Board members serve as the governing body of the Beaver Union and formulate the rules and regulations for the governing of it.

The committees provide and plan such events as Art Exhibits in the Union, Homecoming, Paul Bunyan Week, Bunyan Stomps and Beaver Flicks, Coffeehouse and Concerts and also Ski Nights.

DIE DEUTSCHER UEREIN

The BSC German Club, advised by Mrs. Enid Swanson, Mr. Richard Krummel and Mr. Joseph Jerdee, holds regular monthly meetings to gain insights into German life and culture not normally learned in the classroom. After a brief business meeting, the group is usually entertained by speakers, mostly students who have recently returned from Germany. The principle events of the year are its annual Weihnachtsfest, held in December, and the Fruhlingsfest in May. At this time new members of the national honor fraternity, Delta Phi Alpha, are initiated. The German Club is open to all interested BSC students and faculty members regardless of their ability to speak German.

This is a group from the Deutscher Verein who are interested in programs pertaining to working and studying in Germany. *FRONT ROW (L-R):* Mrs. Enid Swanson, Joy Wilander, Ann Martinson — President. *ROW 2:* Diane Wittner, Linda Hanson, David Lennon, Janet Anderson, Darrell Magoon, Linda Gould, Marsha Mattson, Nancy Thureson.

PHI THETA CHI

Phi Theta Chi Sorority was organized in the spring of 1966. This organization strives to promote good character within its members. Some of the projects include sending Christmas cards to soldiers in Viet Nam, sponsoring an orphan, and soliciting for various charity drives. Phi Theta Chi takes on the weekly job of selling popcorn at the movies on campus.

BETA PHI EPSILON

Along with their academic achievements, BPE — the oldest sorority on campus — participated in many service projects. For Project Head Start they sponsored a little girl from Brazil and a door to door drive for the mentally retarded. But the year was not all work. Homecoming, Paul Bunyan Days and Greek Week found Beta Phi Epsilon in full forces. The group held such annual events as fall and spring pledge classes, Ugly Man Contest, Valentines Party and fall and spring barn parties.

KAPPA THETA CHI NEW SORORITY

On November 18, 1970 Kappa Theta Chi officially became the fourth sorority on campus. The group began with twelve charter members. This year executive board consisted of: Linda Thompson serving as president, Carol Toll as vice-president, Peg Cameron as recording-secretary, Judy Abraham as corresponding-secretary, and Barb Johnson as treasurer.

Kappa Theta Chi's first rush was Winter quarter where we took thirteen pledges, and rushed again in the spring.

The objectives of the sorority are to develop high standards, good character, attain high scholastic achievement, and to instill in each girl a sense of responsibility, spirit of service to the college and to the community, sisterhood, and proper social graces.

Advisors to the group are Miss Paula Bradley of the BSC faculty and Miss Helen Gill of the community.

SIGMA DELTA RHO

DELTA THETA KAPPA

Delta Theta Kappa was organized in October of 1967 and recognized in April of 1968. Since that time they have participated in numerous campus events and community projects.

Spring quarter of 1970 we sold carnations for Mother's Day. They also participated in Greek Week, receiving third place in the skits, first place in the women's division of the basketball dribble, first place in the women's division of water olympics, and first place in the Tricycle Race. Our candidate for Greek Week Goddess was Marsha Murray.

The second annual style show was held during Greek Week. At that time we adopted a new membership policy, that a Guest Membership. The pledge class presented us with the Delta Theta Kappa banner.

Fall quarter this year our homecoming candidate was Becky Morse. Sponsored by other organizations were Andy Baldwin by Sigma Delta Rho, Katie McGinty by Theta Tau Epsilon, and Sandy Sanders by Lambda Alpha Beta. Katie McGinty and Sandy Sanders made the finals. Our Delta Dollies received third place in the Homecoming Skits. We held our second annual Food Can Drive with Phi Sigma Epsilon and volunteered our services to the Mentally Retarded Fund Drive and Arthritic Fund Drive.

Winter quarter we participated in Paul Bunyan week and sponsored Dave Rose and Cindy Gontareck. Bonnie Boucher also ran for Carrie. Delta Dollies performed in the Paul Bunyan Variety Show.

ALPHA TAU OMEGA

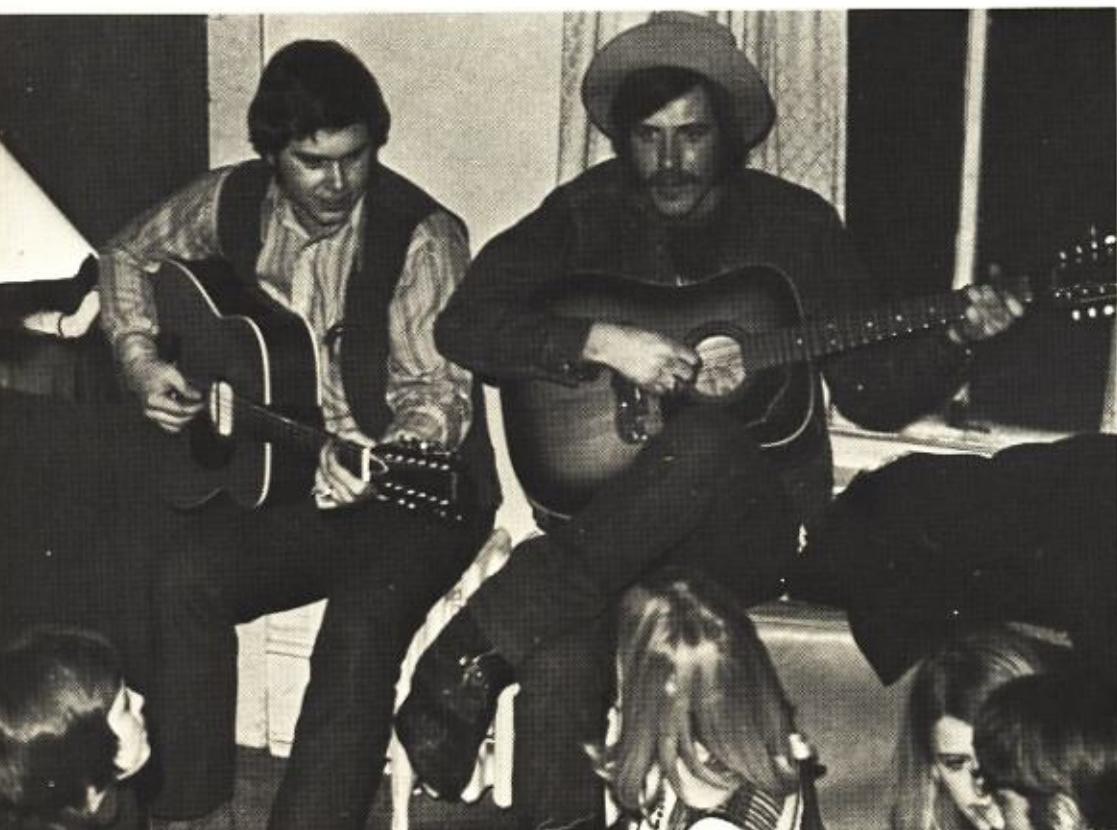

TAU KAPPA EPSILON

TKE, formerly Lambda Alpha Beta, became a national last spring. Tau Kappa Epsilon serves to enhance the social, academic, and cultural aspects of life. This year TKE gave a community Christmas pageant in addition to its numerous other community services. TKE is also defending its inter-greek sports championship trophy which has never left the fraternity since the start.

Alpha Tau Omega Colony, the oldest fraternity on campus, was founded in 1962 as a local, Alpha Nu Omega. The chapter colonized with Alpha Tau Omega during the spring of 1970 and is due to receive its charter from the national early this spring. ATO has strived this year to unite the Greek organizations on campus. The chapter has again this year sponsored its annual Mississippi River Tube Shoot, Road Rally, Heart Fund Drive, built its ice palace on Lake Bemidji as part of the Paul Bunyan week activities, and sponsored two new contests that will become annual events, an ice sculpturing contest and a cross country snow shoe race. The chapter has maintained its scholastic average which has been well above all the men's average. ATO is looking forward to years of continued growth and service to the academic and social atmosphere of Bemidji State College.

THETA TAU EPSILON

Since the date of its founding, Theta Tau Epsilon has been a fraternity of young men who strived to improve our community, our college, our organization, and ourselves. Throughout the years the members of Theta Tau Epsilon have worked both as individuals and as an organization to create an improved academic and social atmosphere at BSC. We feel fortunate that our successes have been so numerous.

Some of our recent successes have been a first place snow sculpture during the '70 Paul Bunyan Week, first place in the '70 Greek Week Basketball Dribble, and first and second place at the Tube Shoot during Greek Week 1970. We are proud of each accomplishment, and we hope our future will hold as many promises as our past has contained.

In community projects, in sports, or in college functions, Theta Tau Epsilon will be there to participate and to encourage enthusiasm with our traditional cheer — HUMM-BABE!

PHI SIGMA EPIILON

In 1964 a group of students living on third floor of Oak Hall organized Validus Quorlcus. The following fall quarter the group officially gained recognition by the college. At this time the group changed its name to Phi Sigma Chi fraternity. Since then Phi Sig has become the first nationally affiliated fraternity at Bemidji State College. On November 22, 1970 Phi Sigma Chi was officially installed as Phi Chi chapter Phi Sigma Epsilon National Fraternity. Locally their growing membership now exceeds 40 brothers and nationally it numbers close to 25,000.

ALPHA KAPPA EPSILON

Alpha Kappa Epsilon was formed in the fall of 1968 in Pine Hall. While still the smallest fraternity on campus, AKE has hopes of becoming much larger in the future.

In Paul Bunyan Week of 1970, we placed first in the Mens Broomball Tournament and Co-ed Broomball Tournaments. In the spring we placed first in the Conservation Club's Can Contest, and again took first in the same contest this fall. In Alpha Tau Omega's annual Road Ralley AKE placed second. Dave Krause took first in the Banana Eating Contest during Homecoming. During Paul Bunyan Week this year AKE placed third in the Volkswagen push and participated in other activities.

Alpha Kappa Epsilon is interested in the fraternity not as being a clique but in helping make the college a better and more interesting place for students.

CONCERT CHOIR

The Concert Choir consists of sixty voices, from all departments in the college, under the direction of Dr. Paul Brandvik. Besides sponsoring the Second Annual Madrigal Dinner, the choir organized the Christmas Concert and the oratorio, Brahms Requiem. The choir traveled through Minnesota and Wisconsin for their Spring Tour.

The Chamber Singers are 12 to 16 members selected from the Concert Choir. They perform at many college and community functions, the biggest event being the Madrigal Dinner. They also filmed a Christmas special for KDAL-TV, Duluth. The group is directed by Dr. Paul Brandvik.

CONCERT BAND

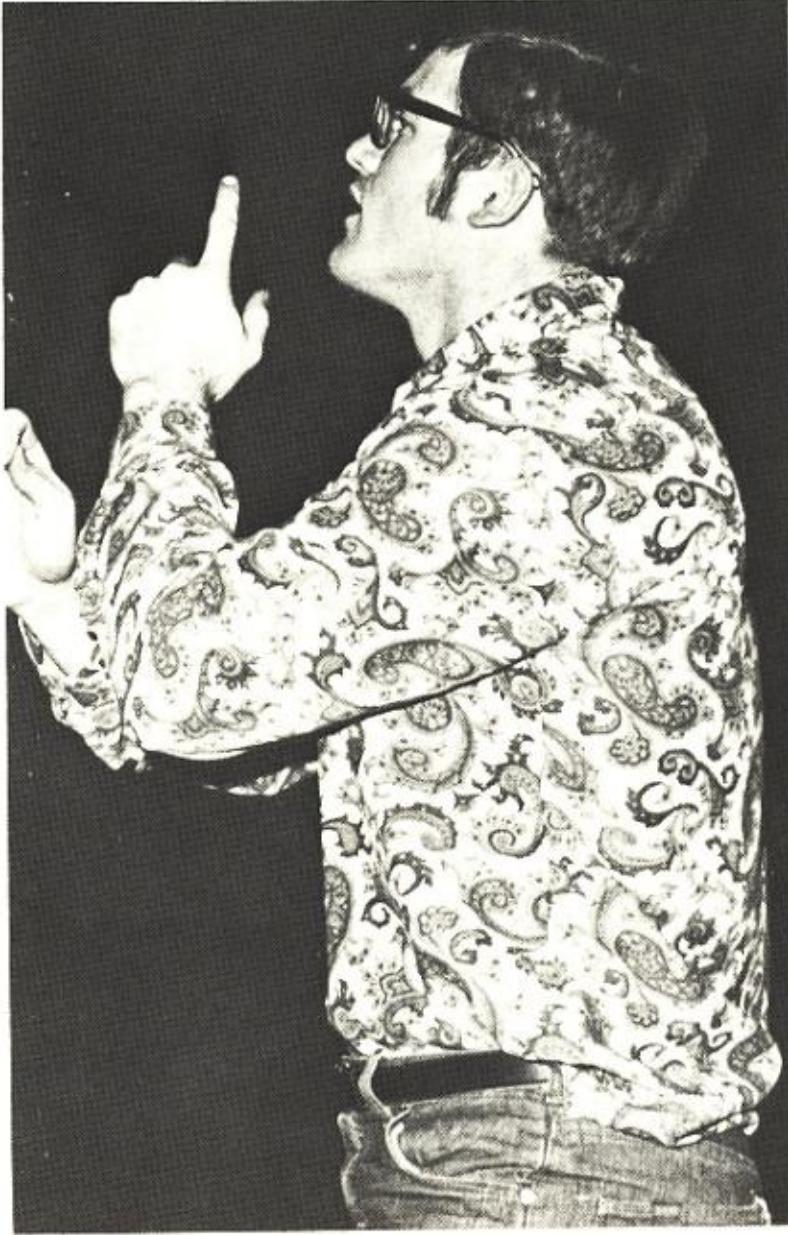

Throughout the college year the life of the BSC band organization, directed by Dr. Ted Thorson, focused on a variety of musical events. This year, the Beaver marching band put on a dazzling Homecoming half-time display of precision marching and the solid sounds of almost forgotten "pop" hits of 1967-68.

However, the band's main emphasis was in the formal concert performances throughout the school year. The highlight of the year was in January when the concert band completed a very successful tour through central Minnesota, ending with the home concert on January 25.

The BSC bands provided music for all the home basketball and hockey games, which became a big job for Dr. Thorson and the green and white pep bands. At the same time, rehearsals continued in full swing in preparation for any upcoming concerts.

Many upper classmen will remember the brothers from Hong Kong — Moses and Ben Tsang, as musicians who willingly shared their talents with others at various gatherings. The most recent memories of the kind, however, and the only memories of this year's frosh, is that of Moses and Mary and Sandy and John.

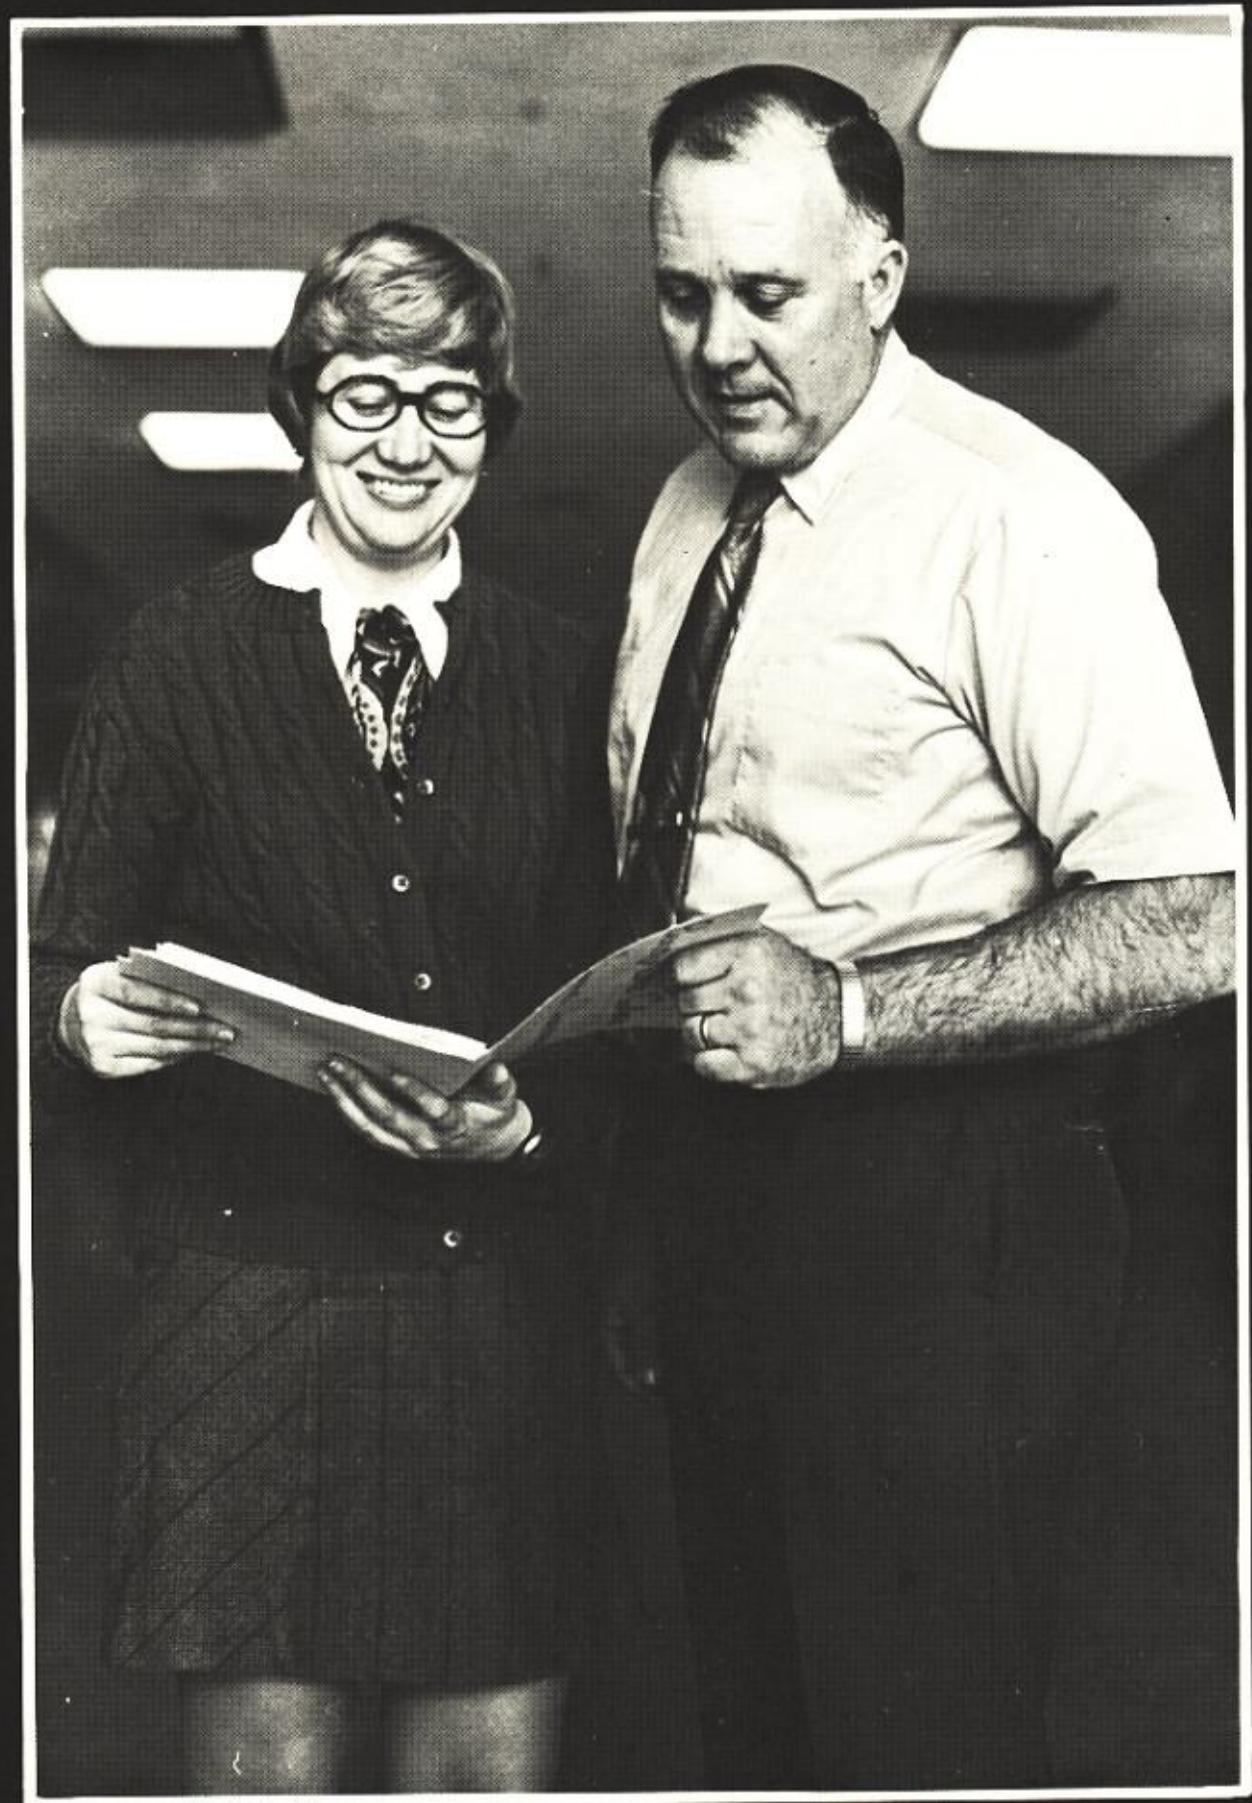

Last summer Mary McDonnell, Sandy Colosimo, and John Oberg joined Moses, performing for the first time during the RA workshop and then Freshmen Week. Since then they have also traveled to some area high schools, private and business organizations, old people's homes and hospitals, and performed both winter and spring quarters in coffee house, sponsored by IRHC and Union Board. Also they performed more informally on campus. Of all the situations, they most enjoyed performing for the college and high school students.

The music Moses shares is mostly folk song and folk hymn. Moses plays a flat top classical guitar and a twelve string while John fills in on a double bass.

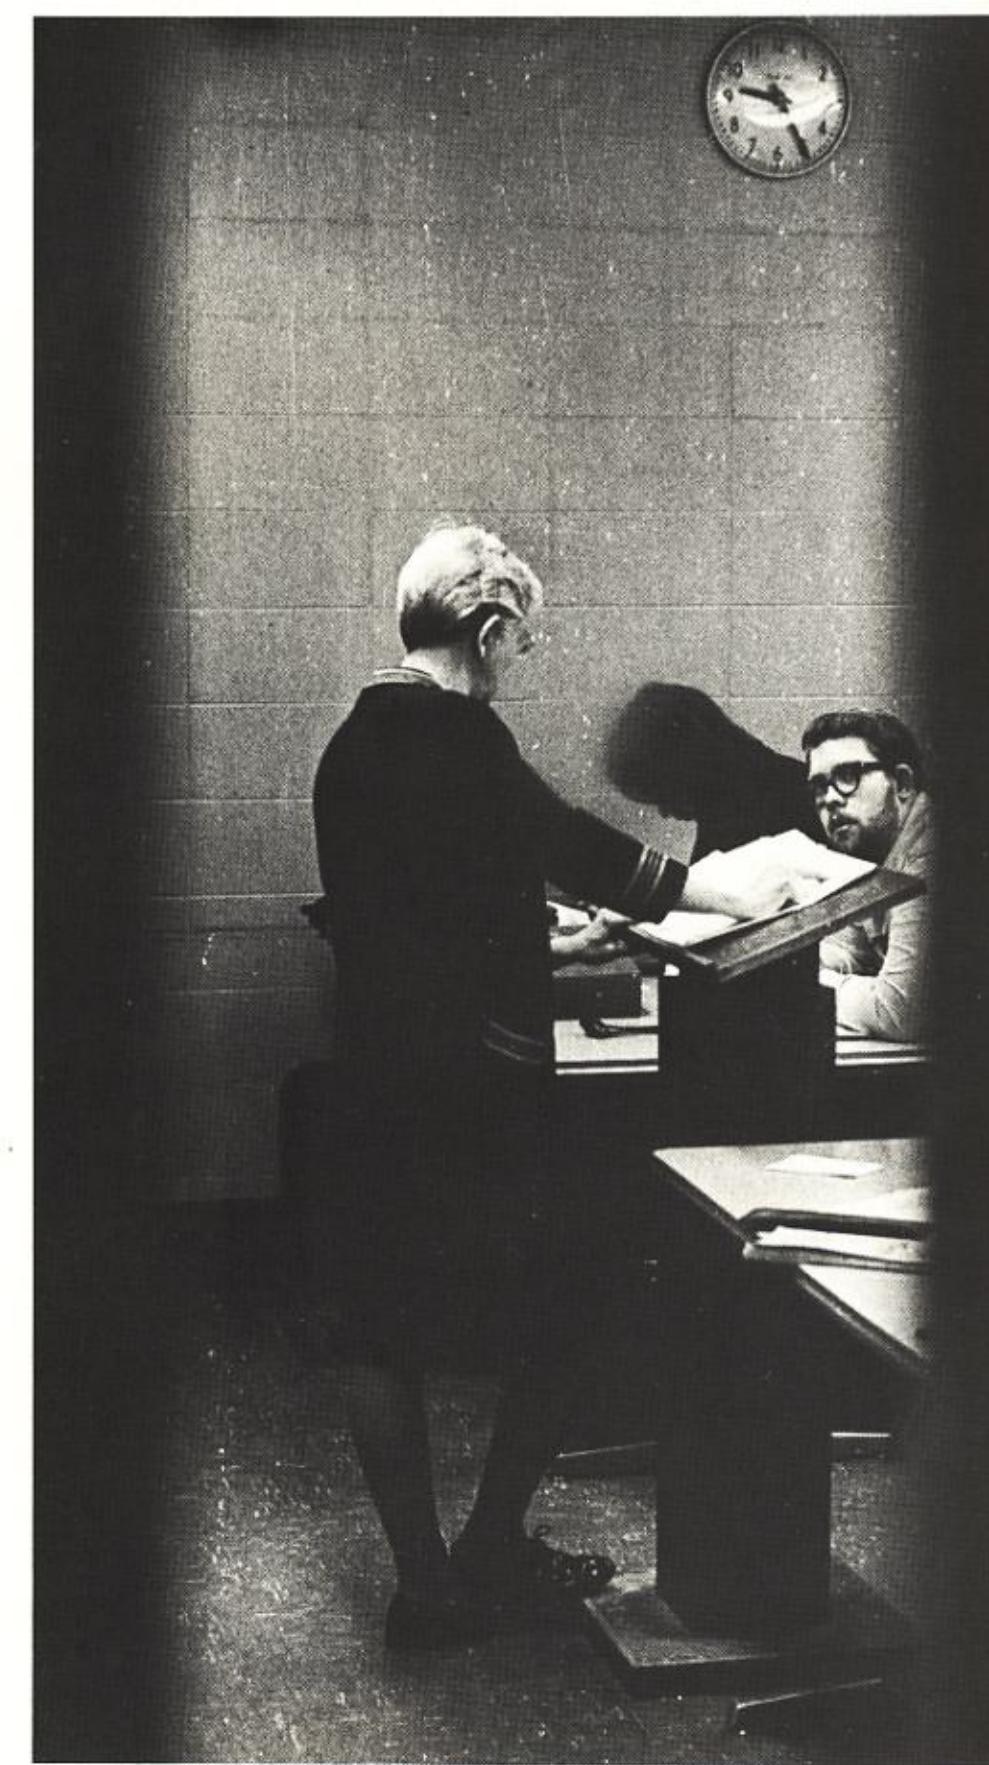

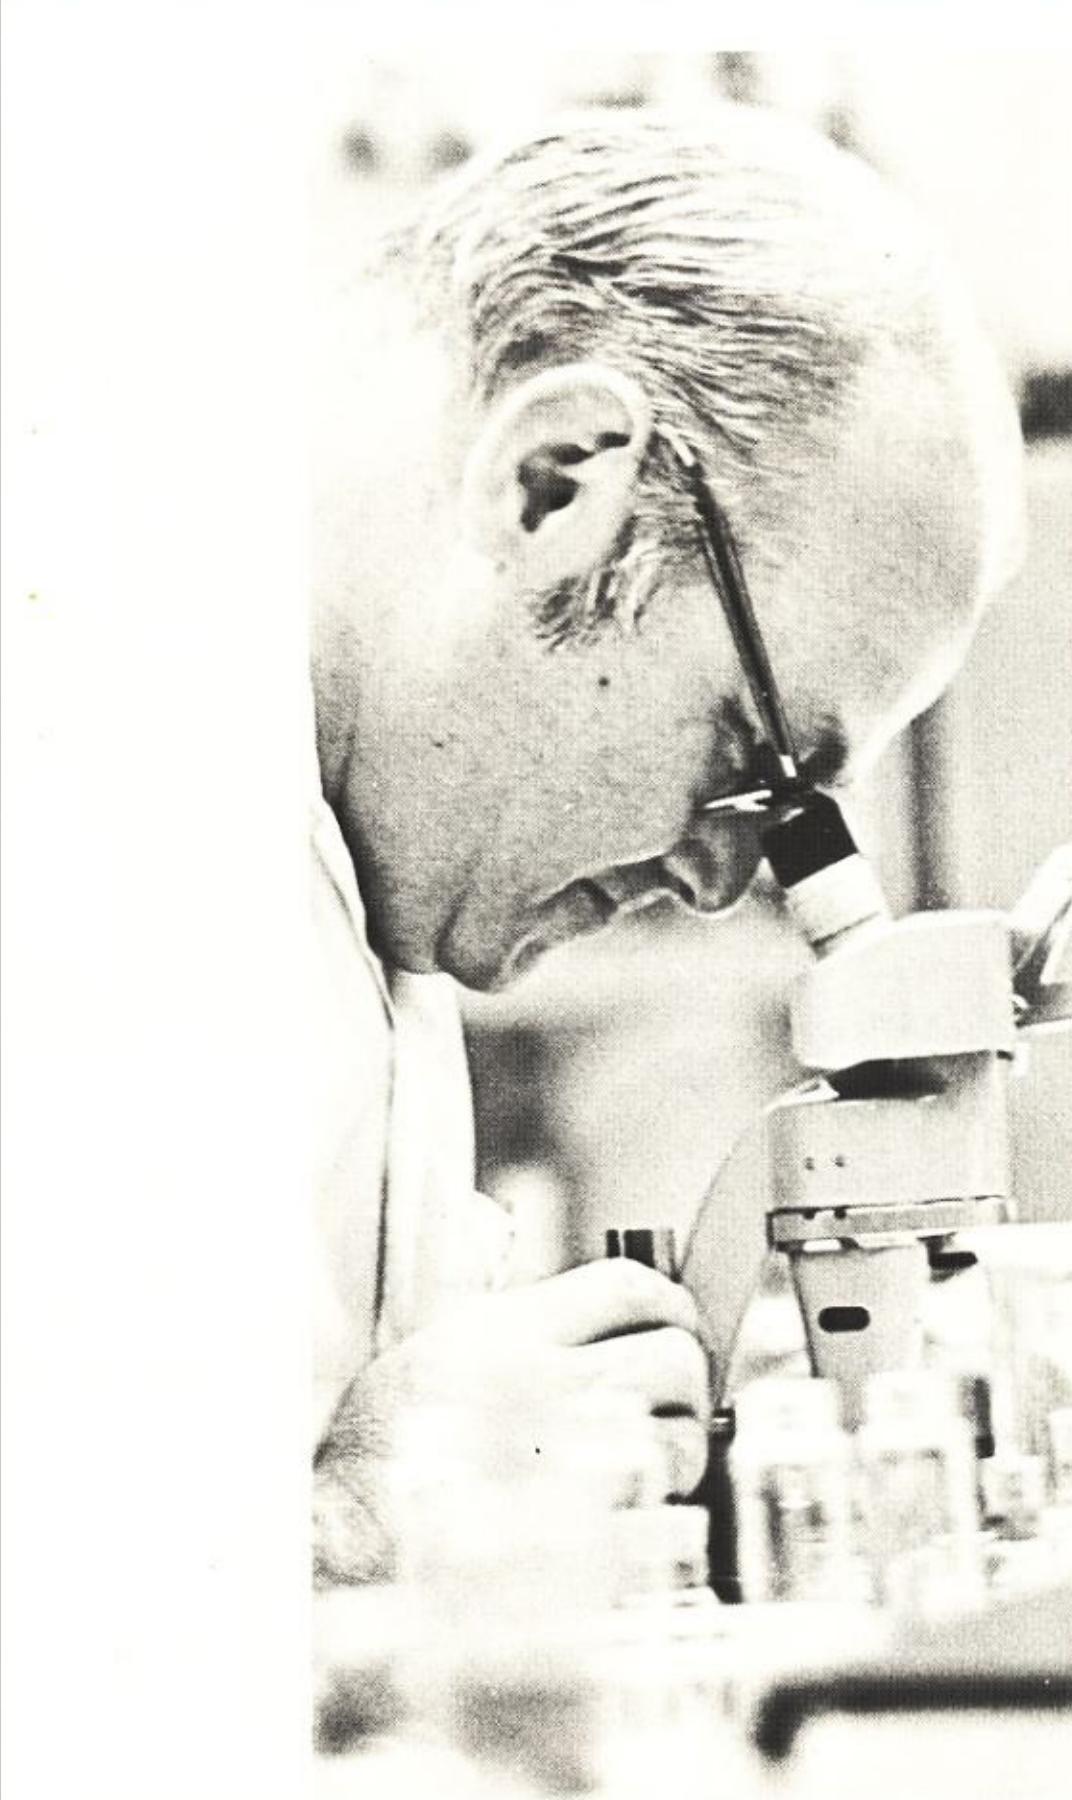

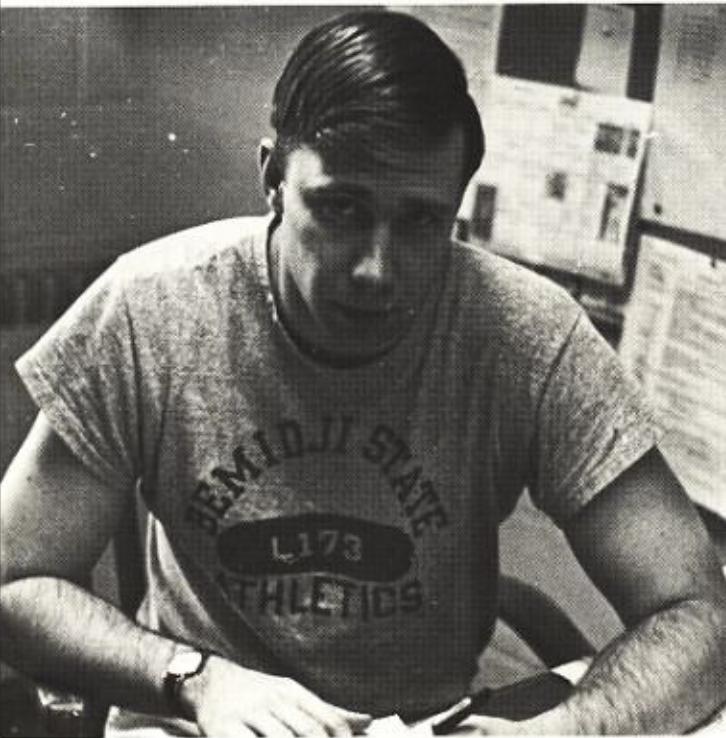

In regard to future plans for his singing group, Moses is corresponding now with the Canadian Save the Children Foundation in Toronto, making efforts toward performing a free concert there this summer. The profits of the concert would go to an orphanage in Hong Kong.

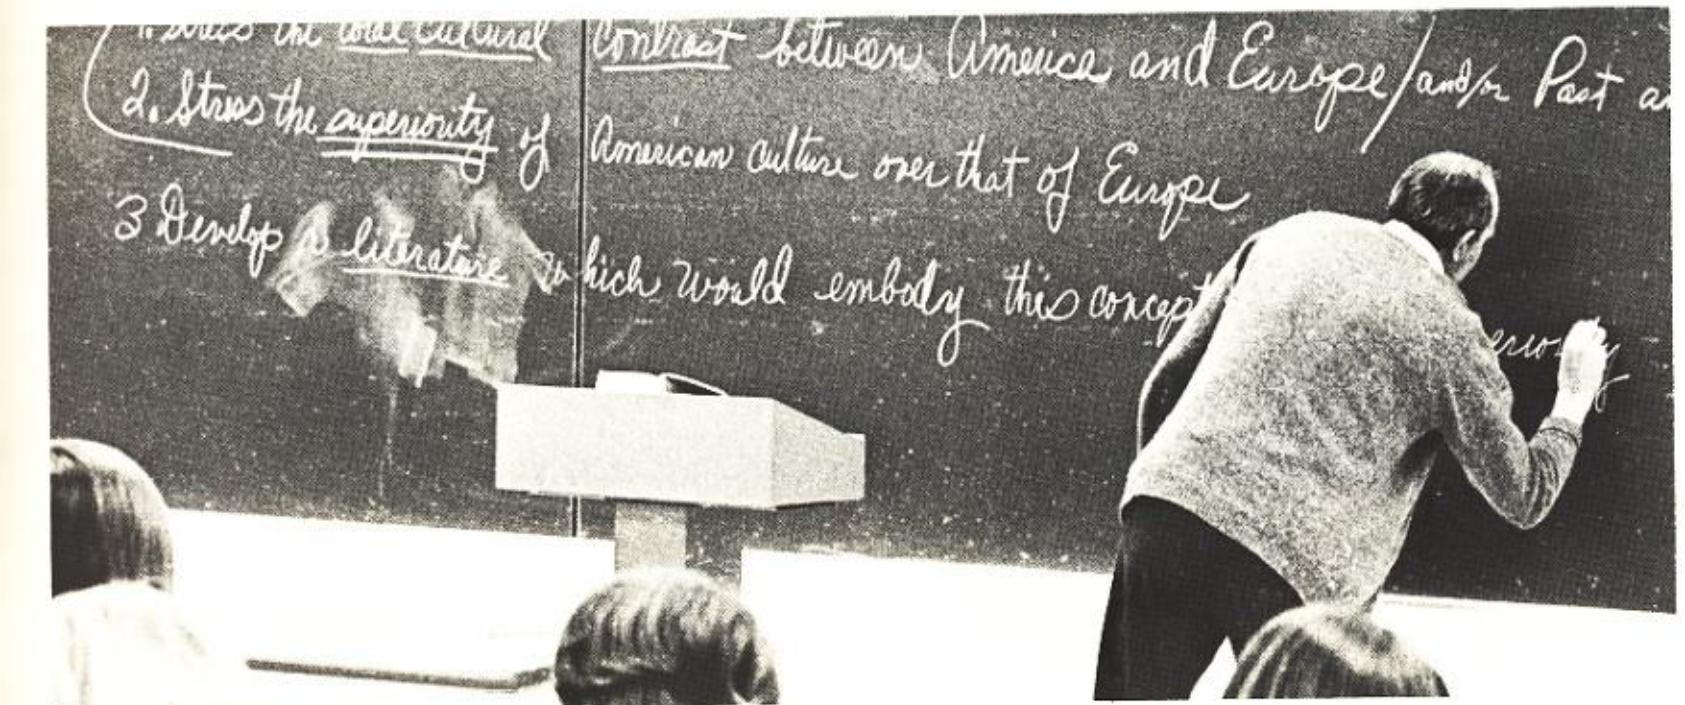

Moses is majoring in sociology. He plans to return to Hong Kong this summer for a visit.

SENIORS

There are words in a summer song

that go "where it all began."

Those words are appropriate here —

because, for some, it does begin here.

But just as it begins here,

we know that, in a way,

it must also end here.

For a moment I can imagine

being ten years older;

I can imagine looking back

on these days . . .

"I lived those years, one for the next —
anticipating that September day

when I would once again return to
my world within the world.

Each year was better than

the one before —

giving to me times

that could never be relived;

inner growth that could never be measured;

memories that, in being retold,
could never be done justice to;

friends that could never be

loved so much or missed so much

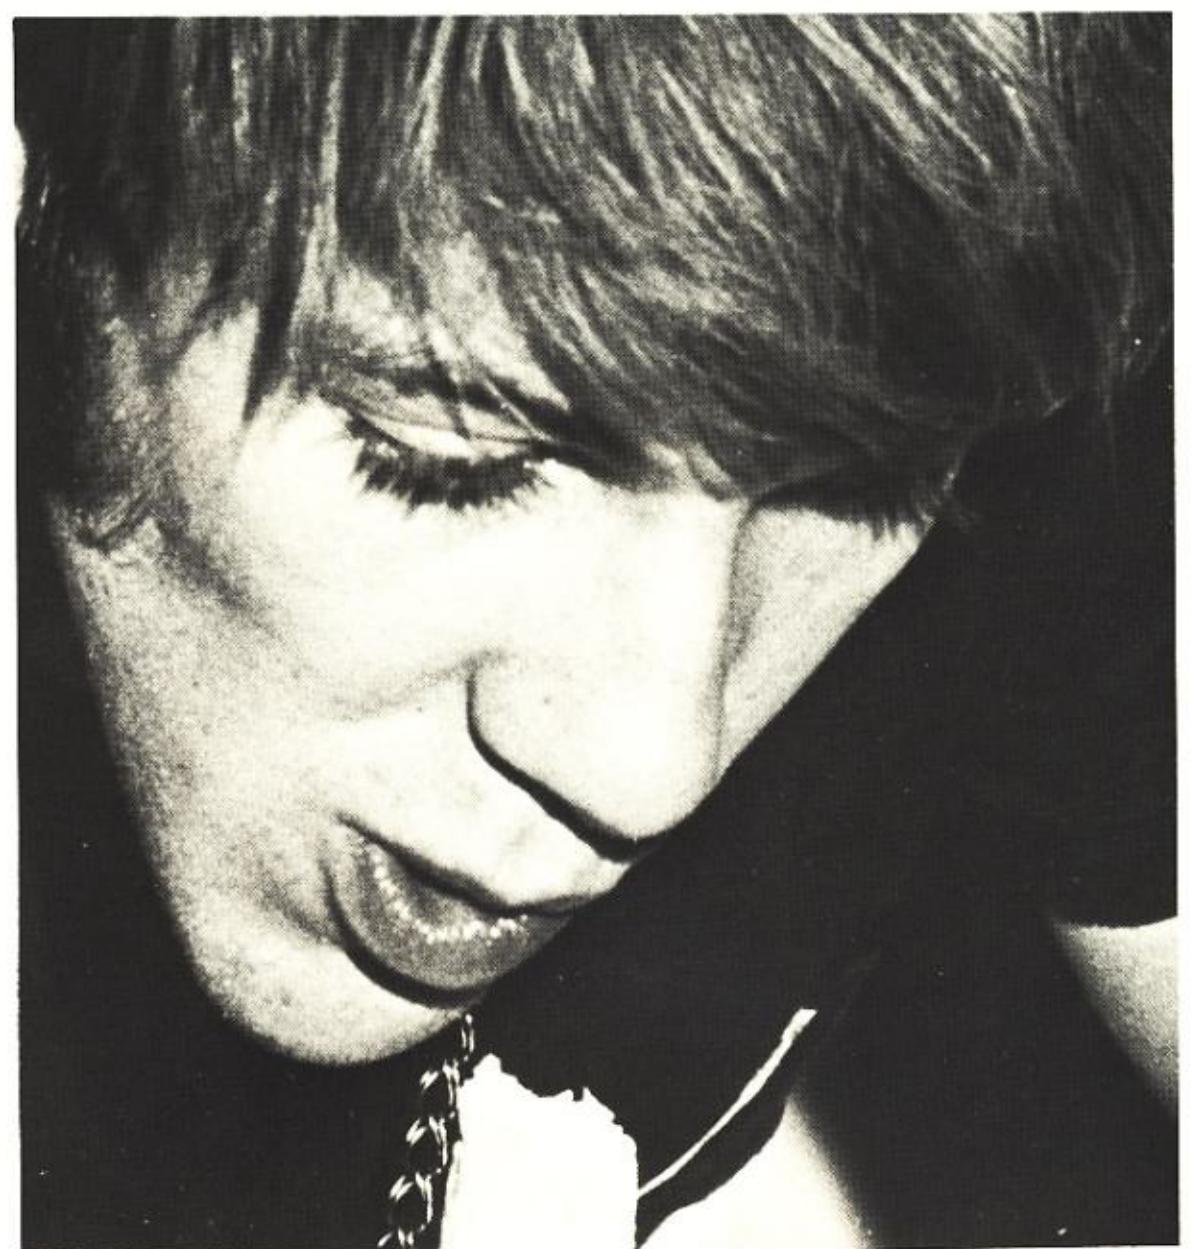

when they were gone.

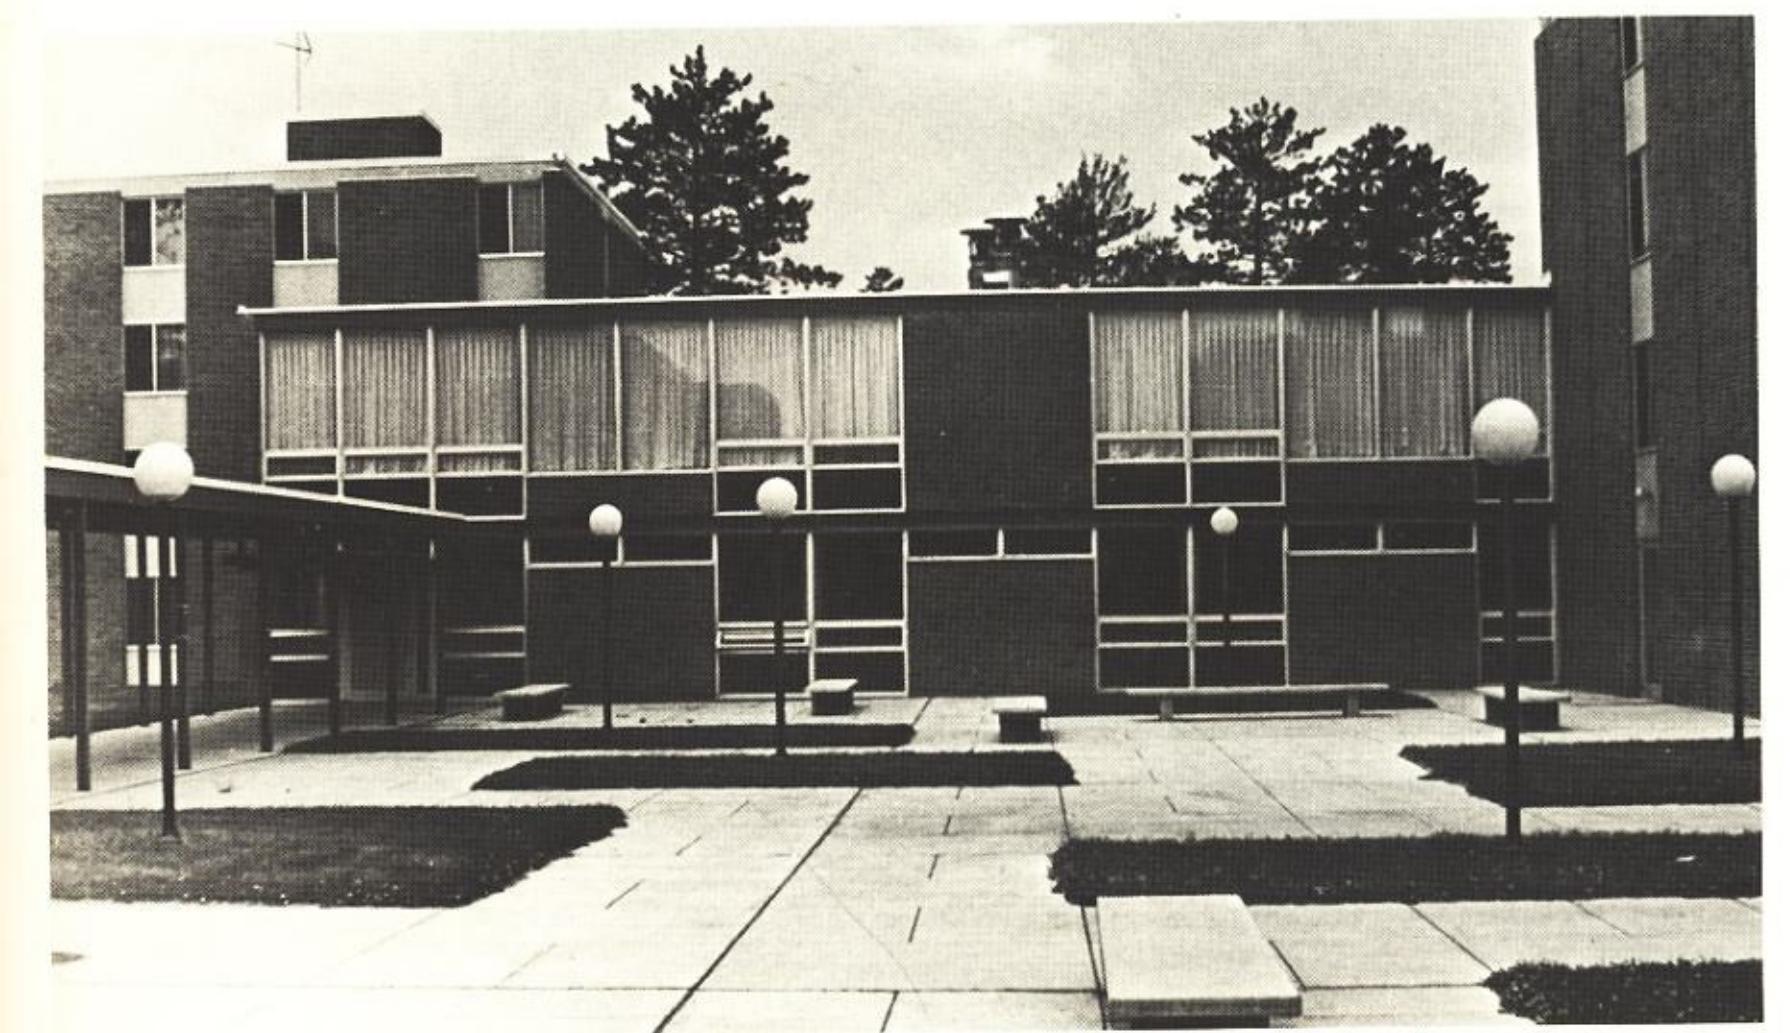

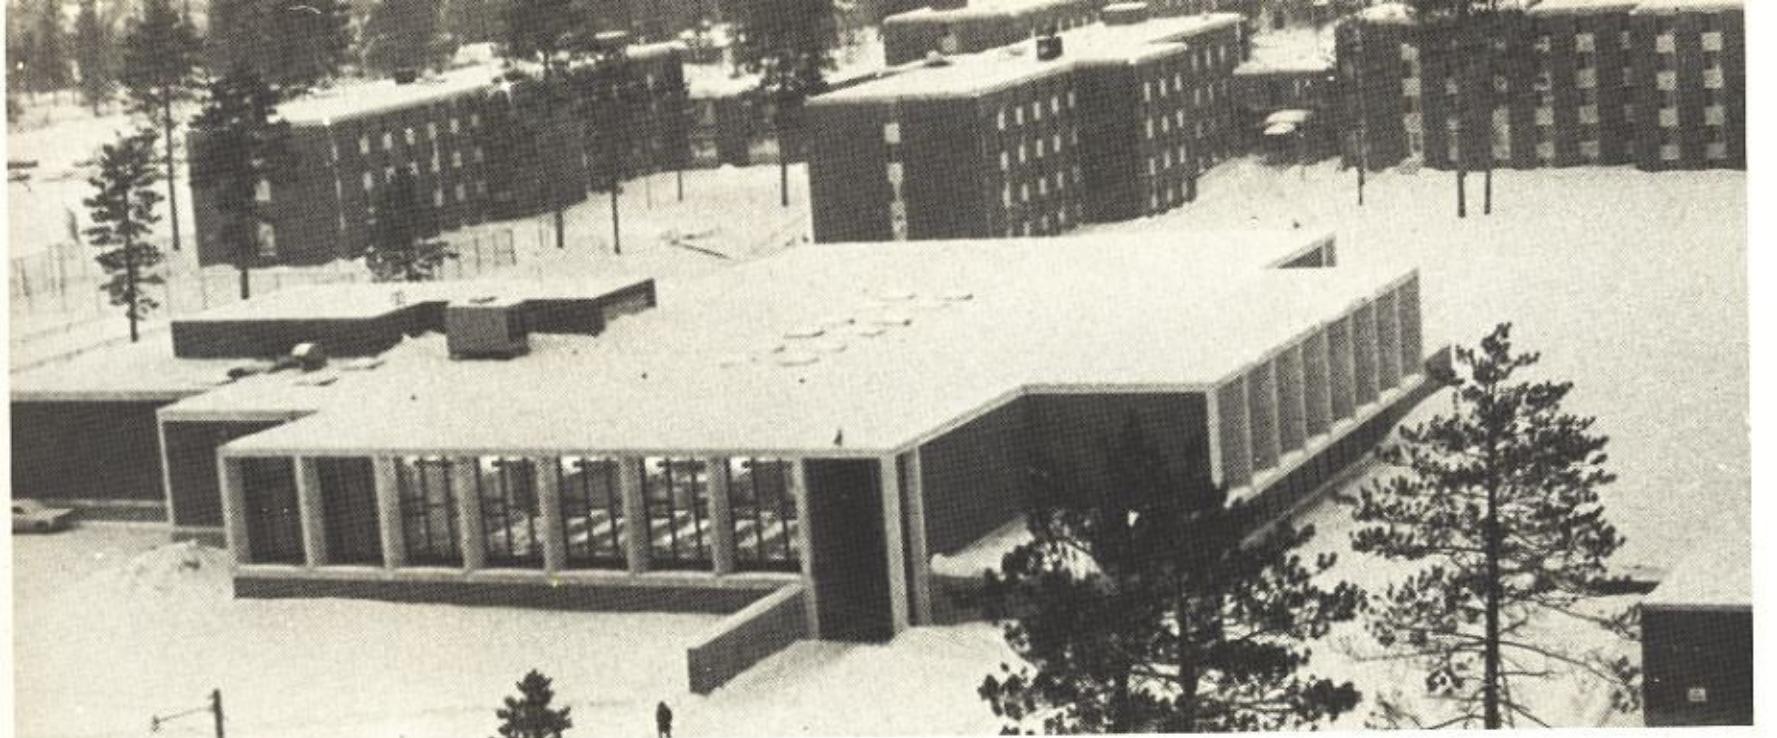

And then, always, before I had a
chance to catch my breath, it was
June again and time to go."

jk

... YET ONLY THE BEGINNING . . .

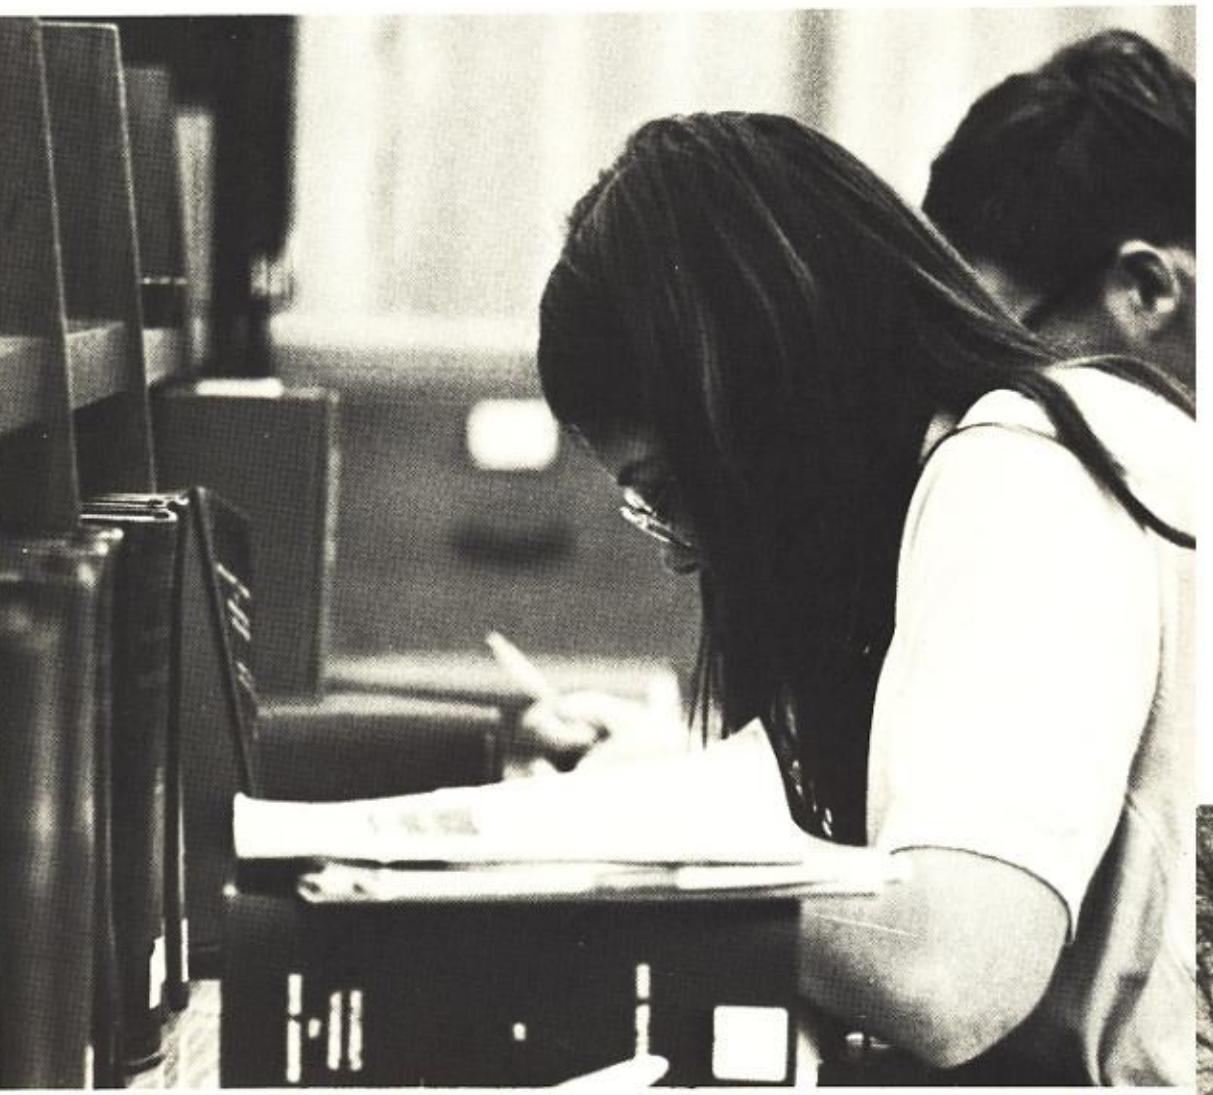

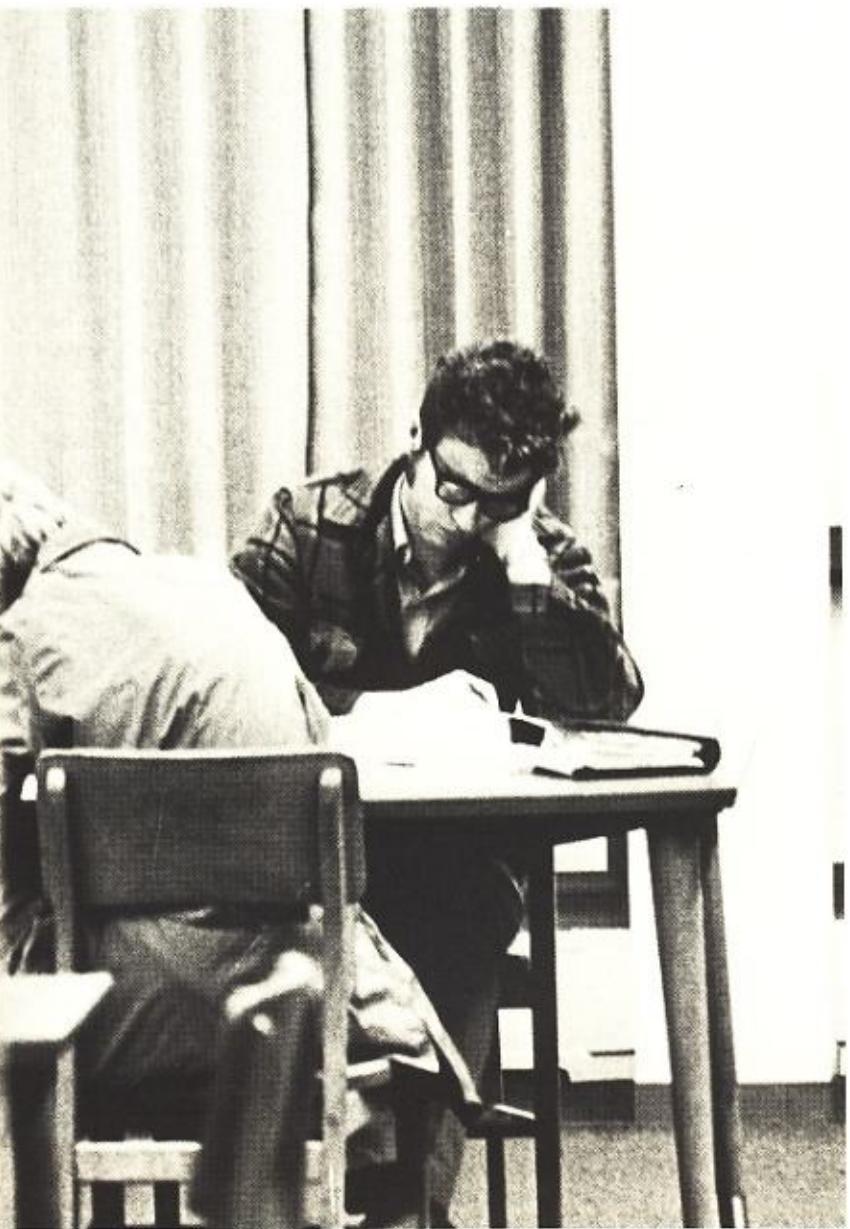

"I spend hours in the library every day — reading the newspapers and magazines!"

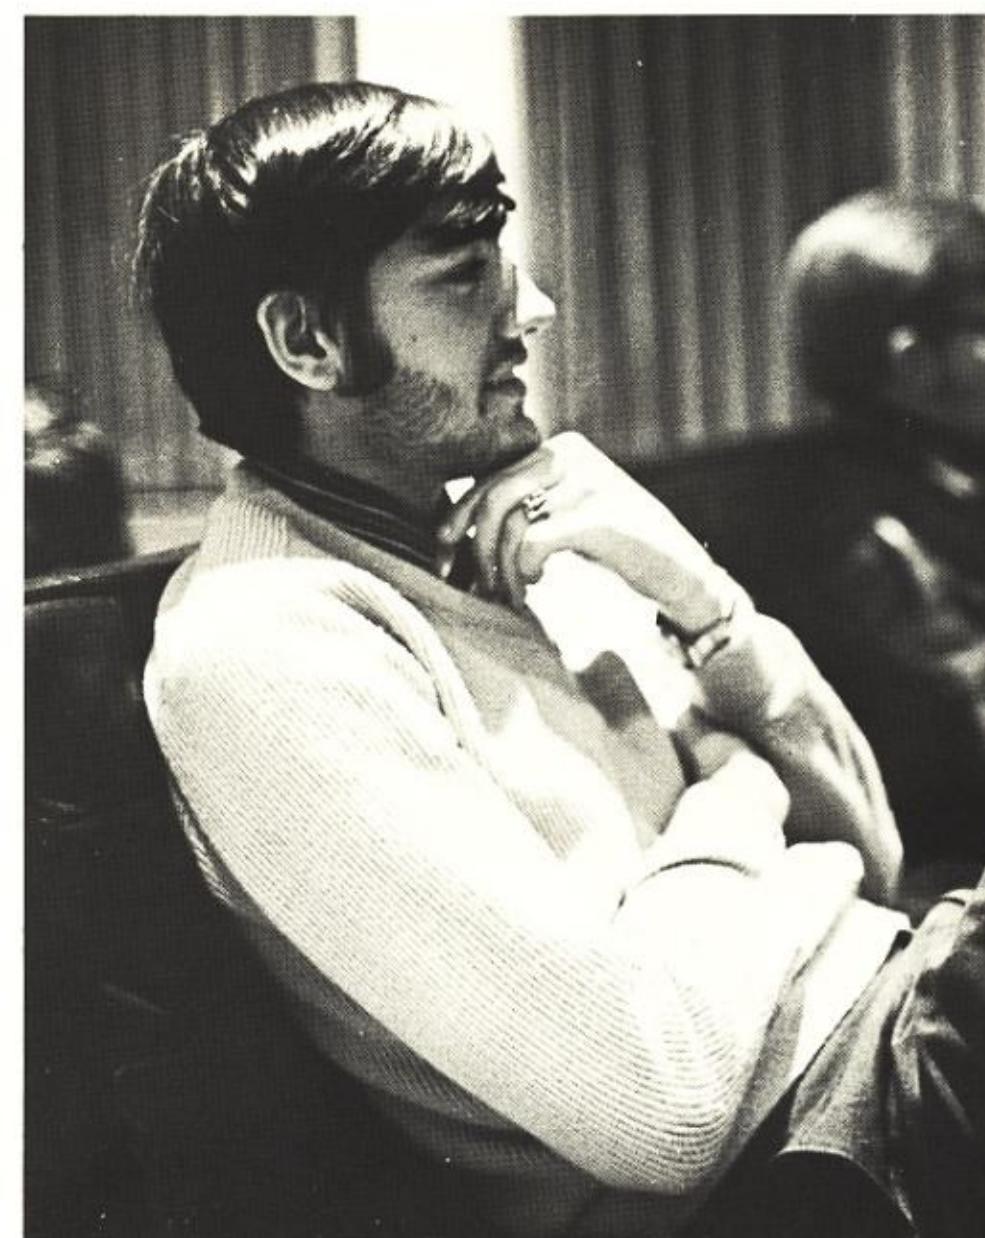

LIBRARY

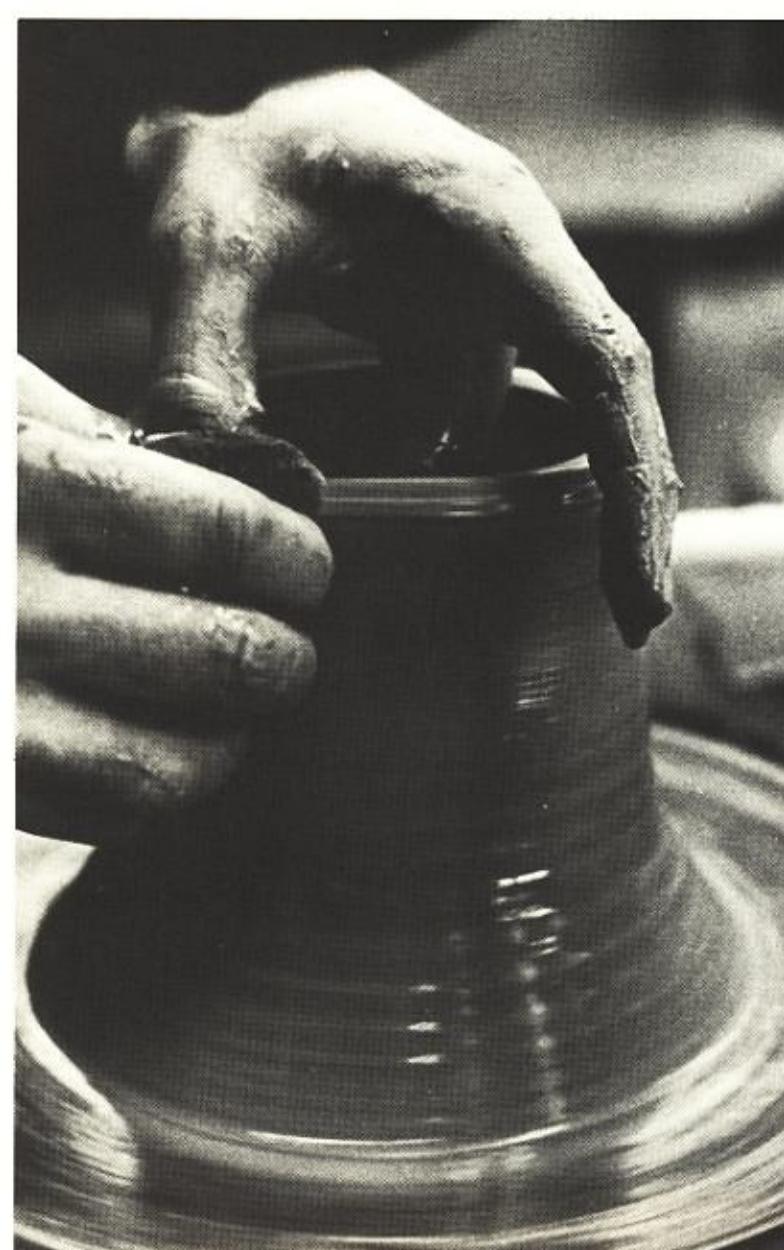

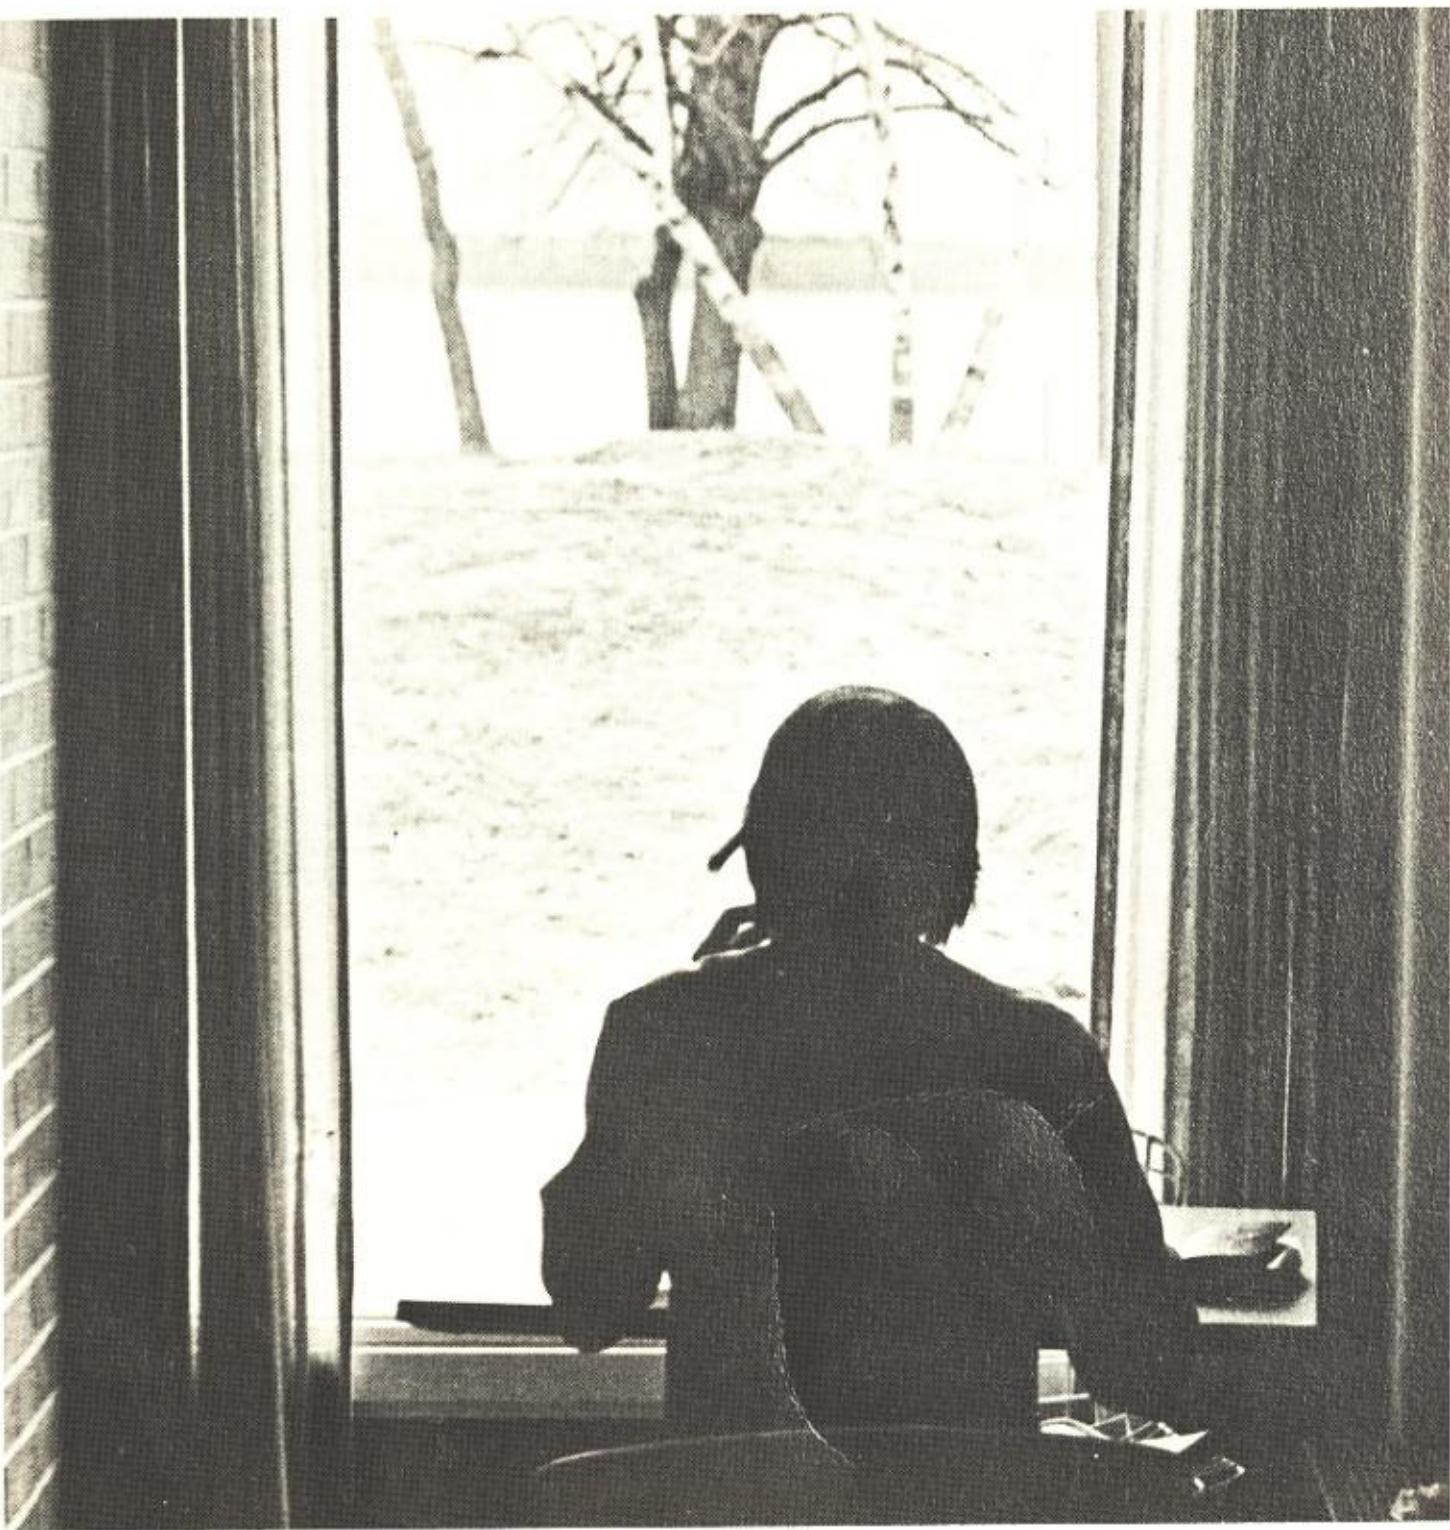

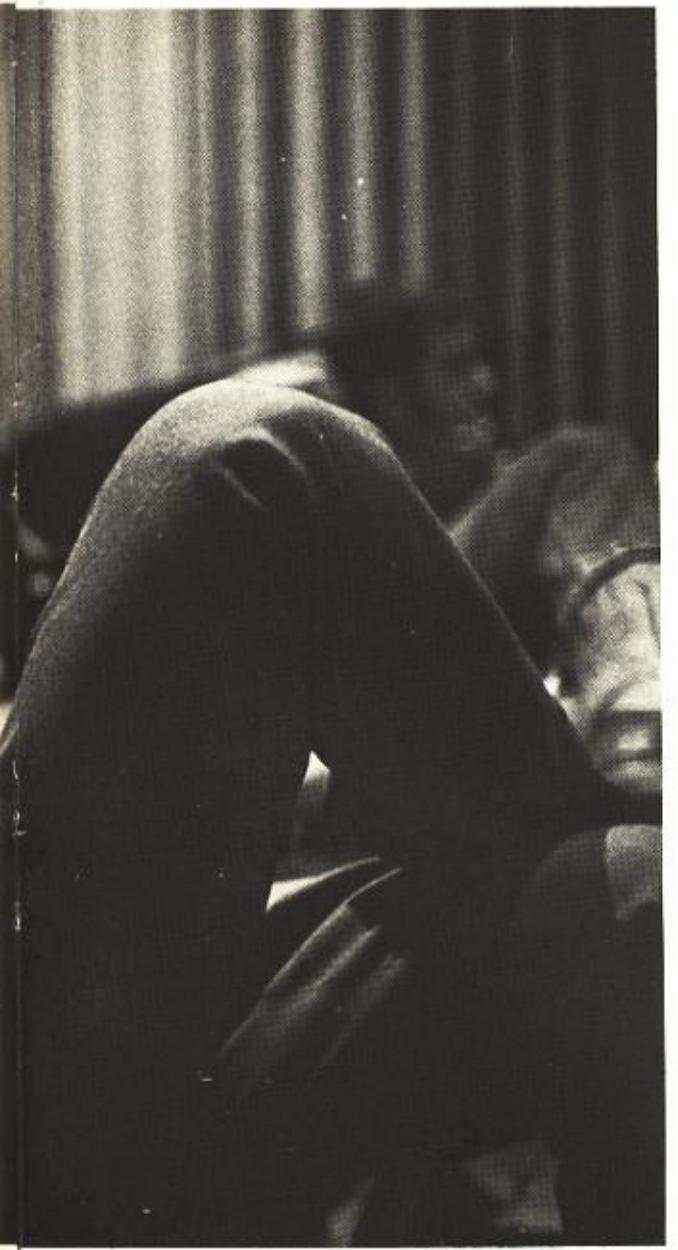

"I spent two hours in the library — sleeping!"

"I had a great time at the library, I ran into Bob, John, Steve and Ken . . ."

"After an hour of searching for the magazine, I discovered someone ripped out the page I needed."

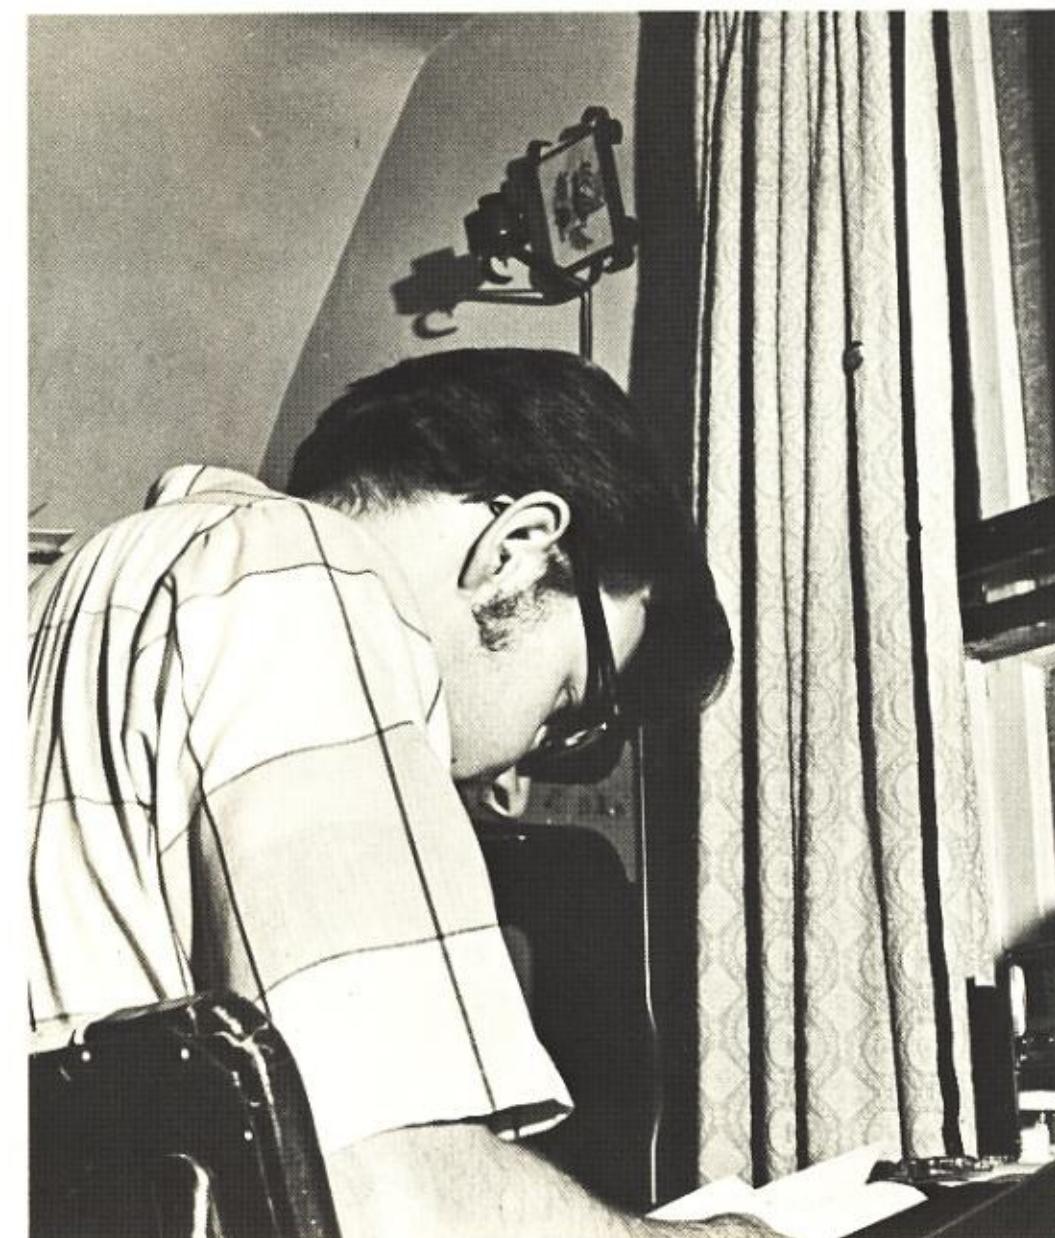

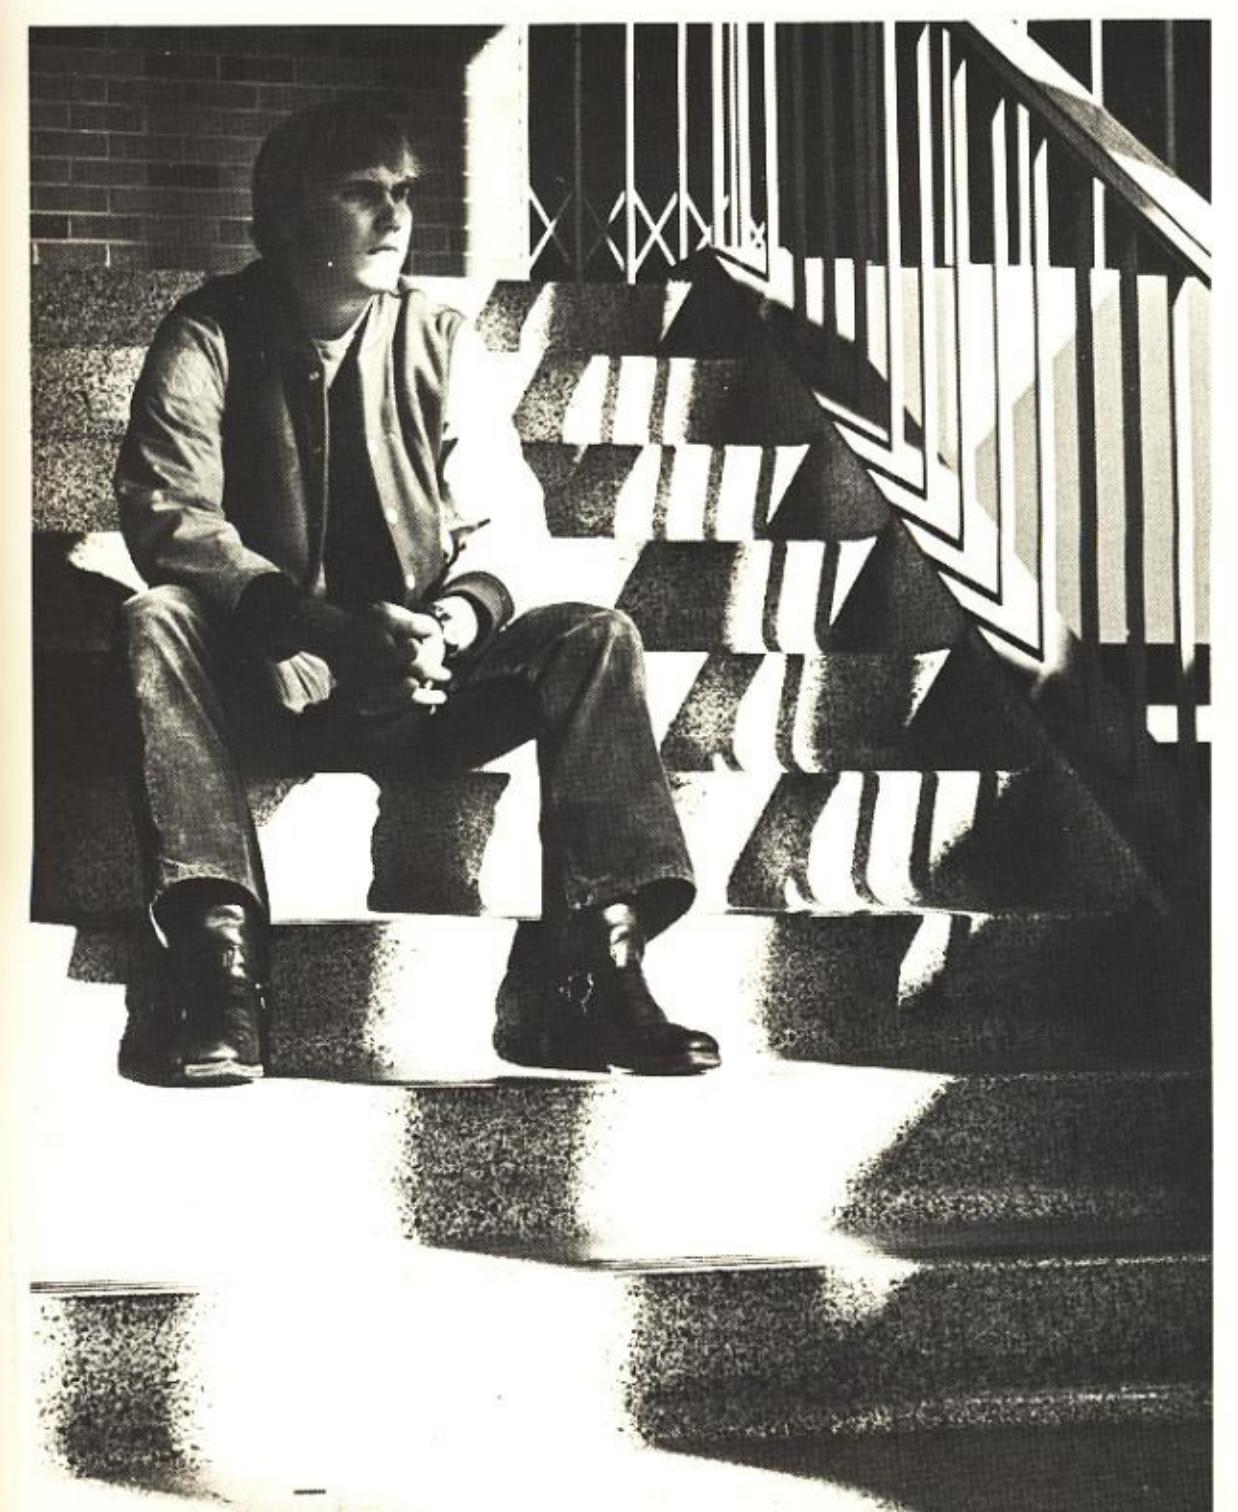

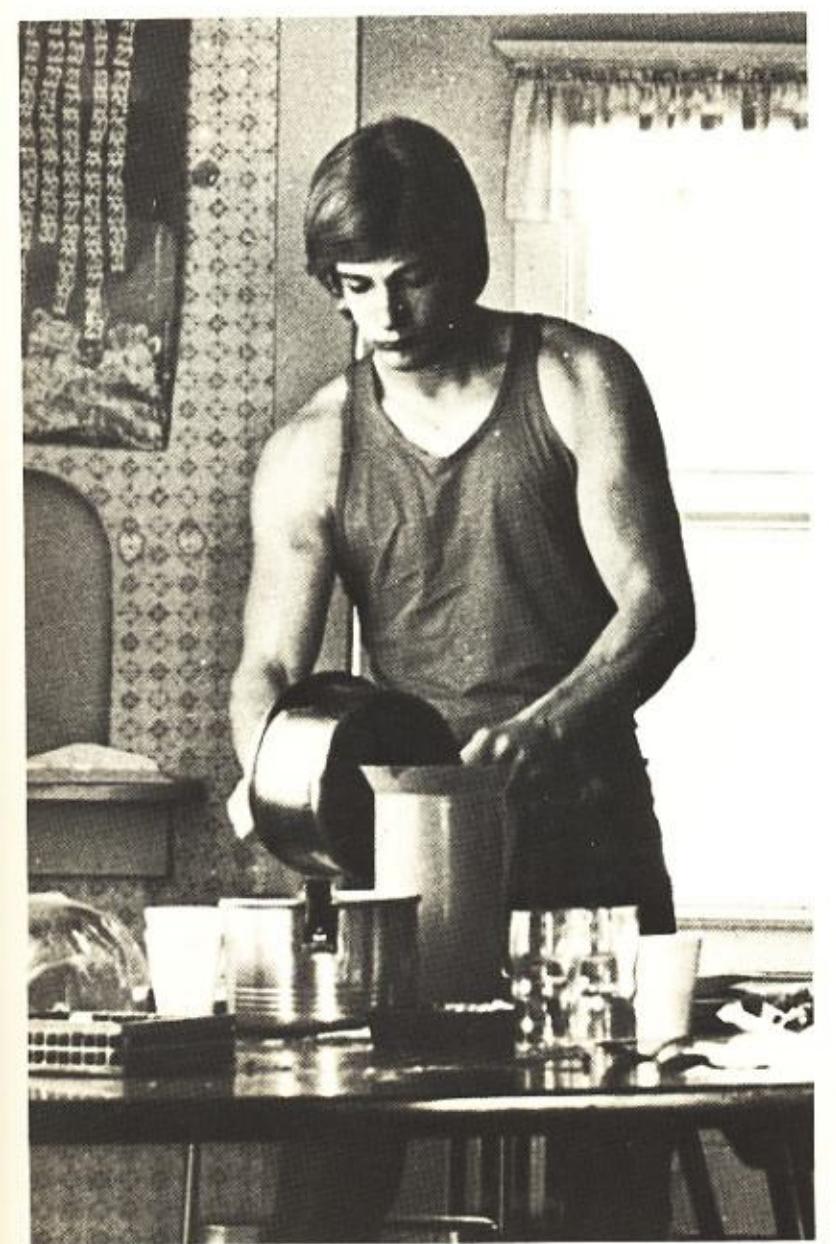

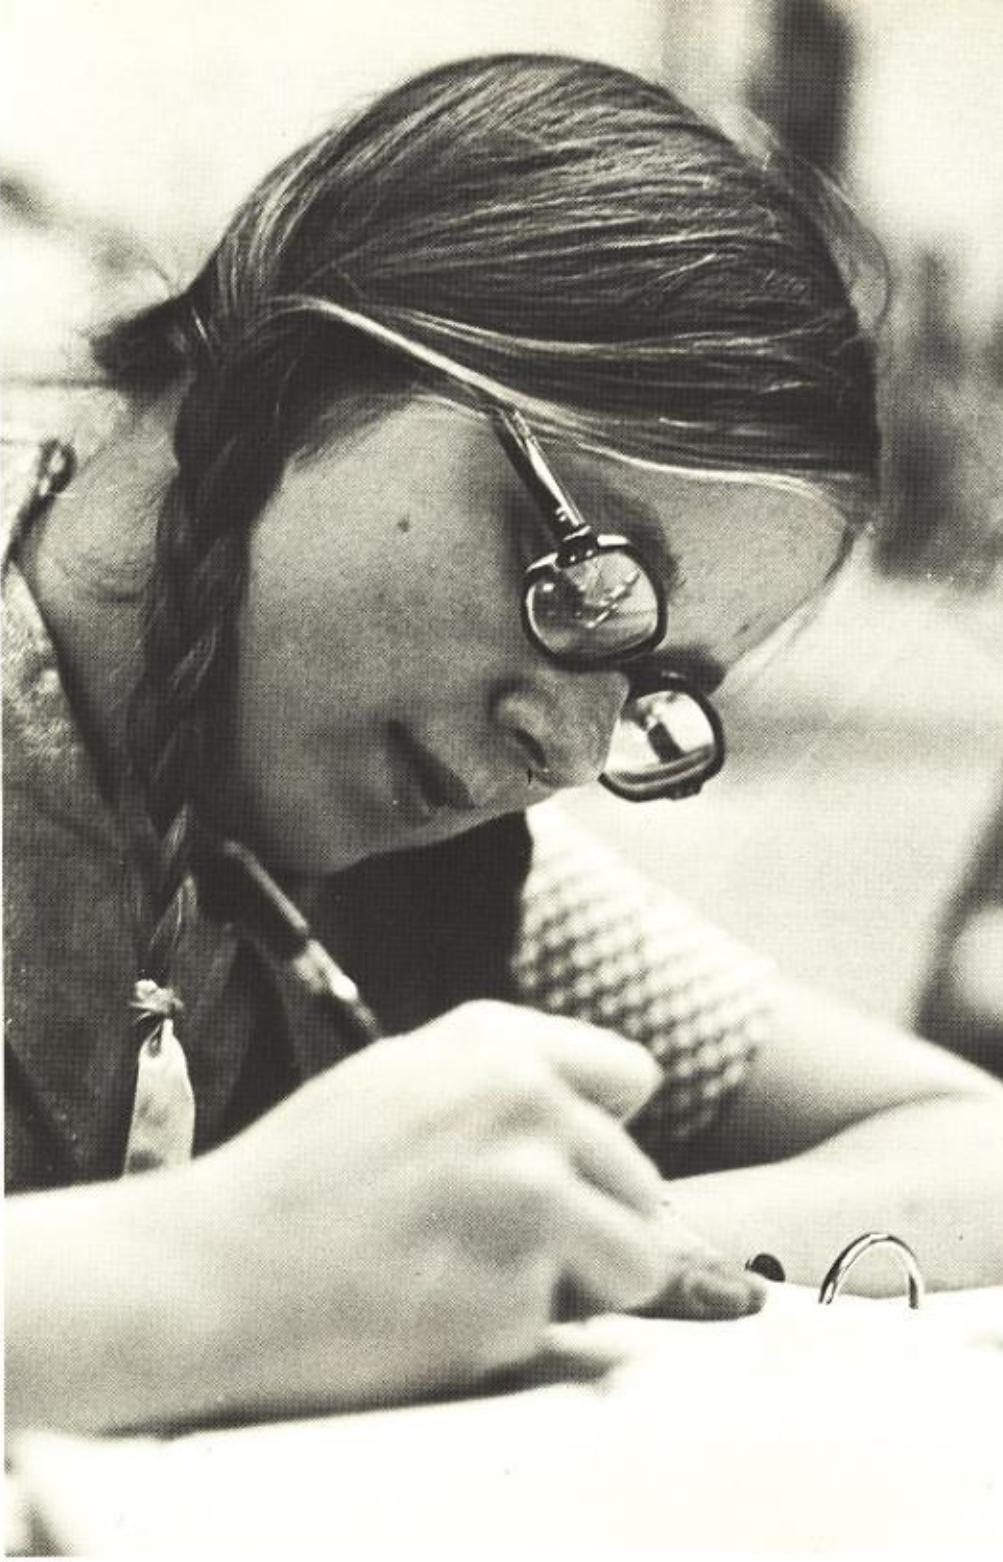

It gets to be a way of life
being on the inside
always with an opportunity to grow
even to grow out and away.

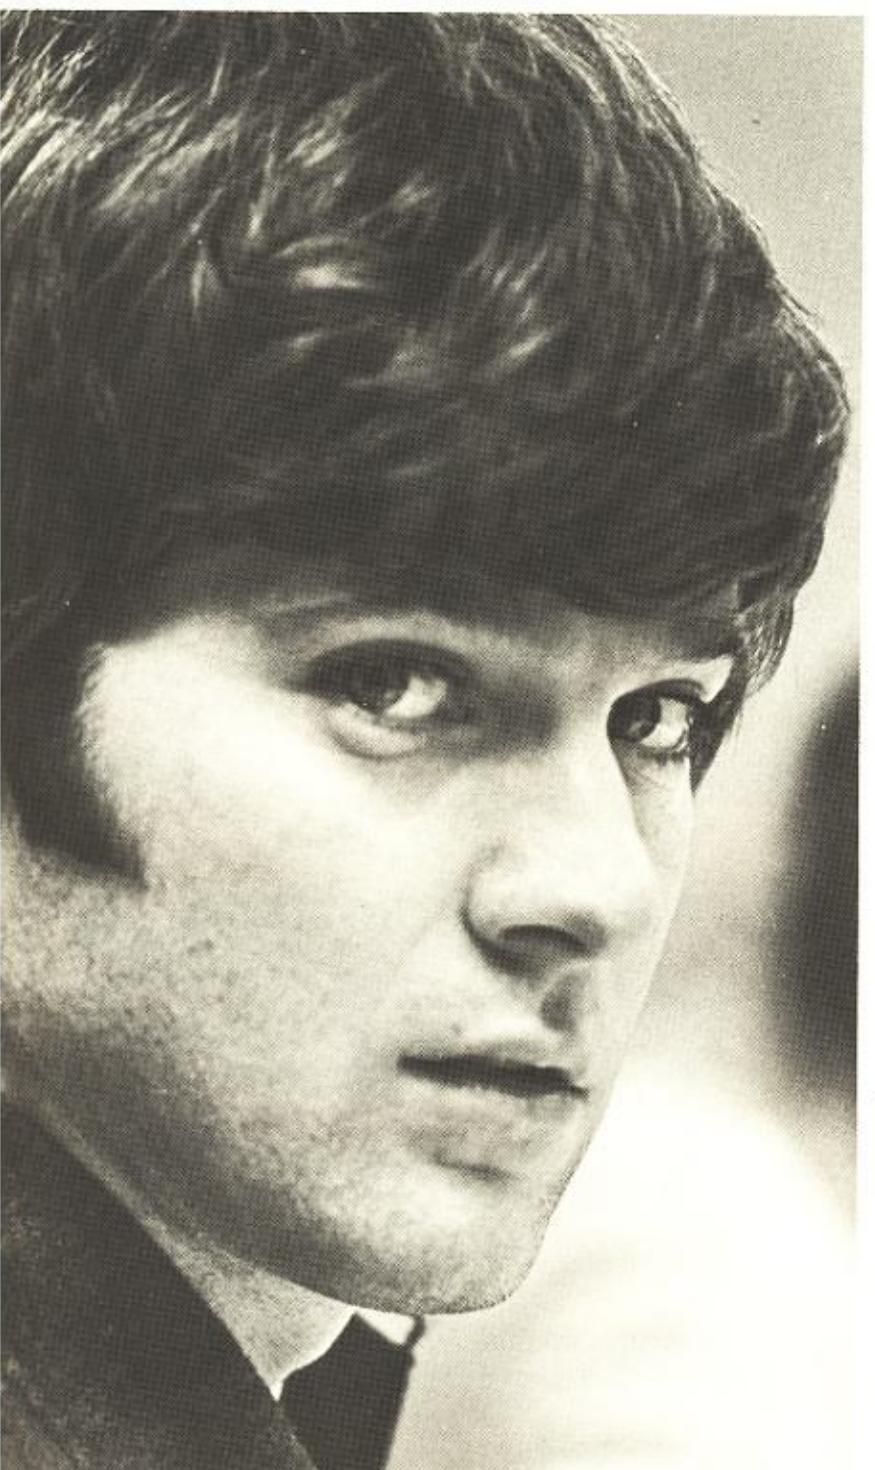

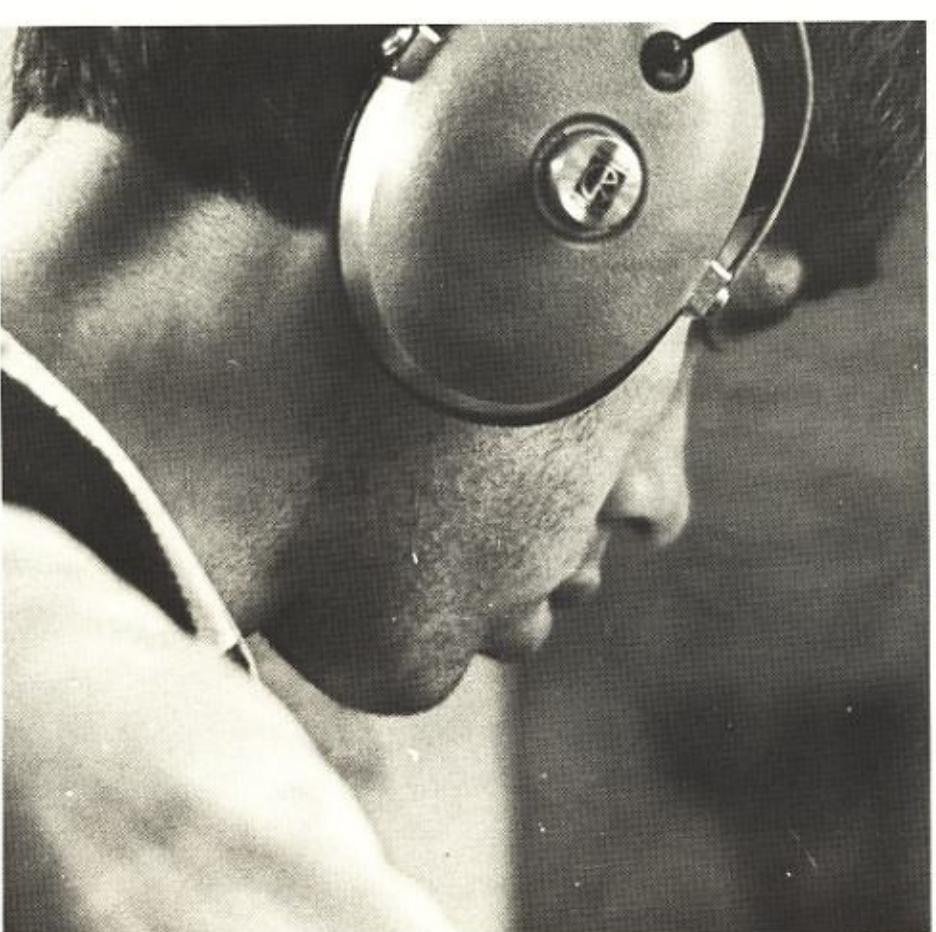

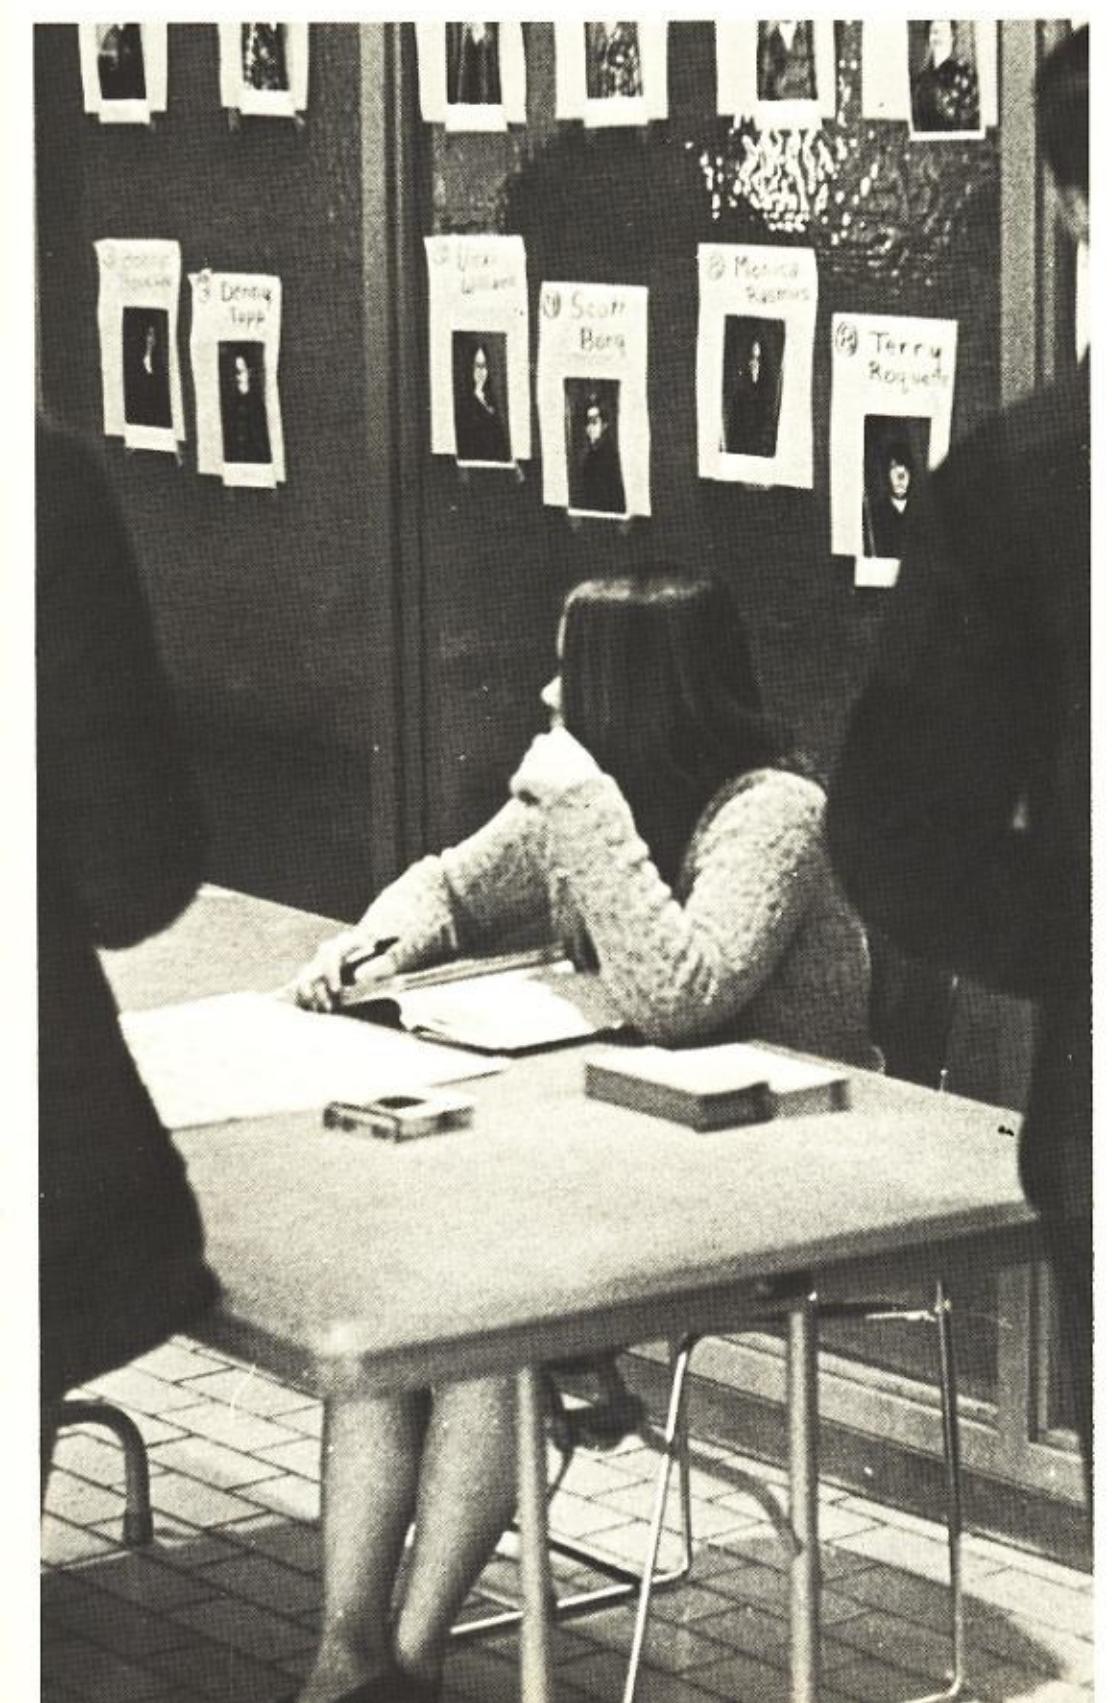

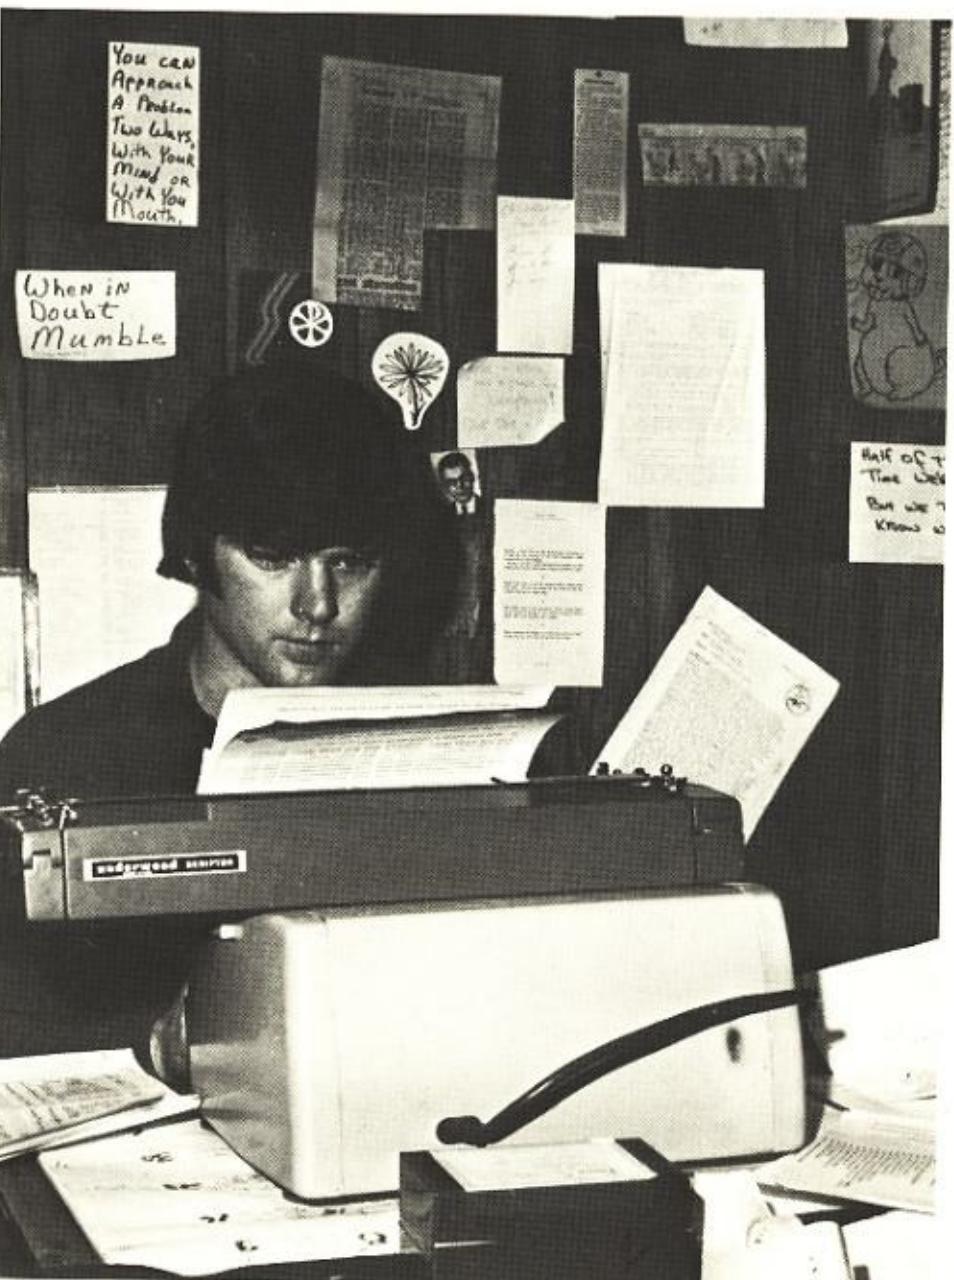

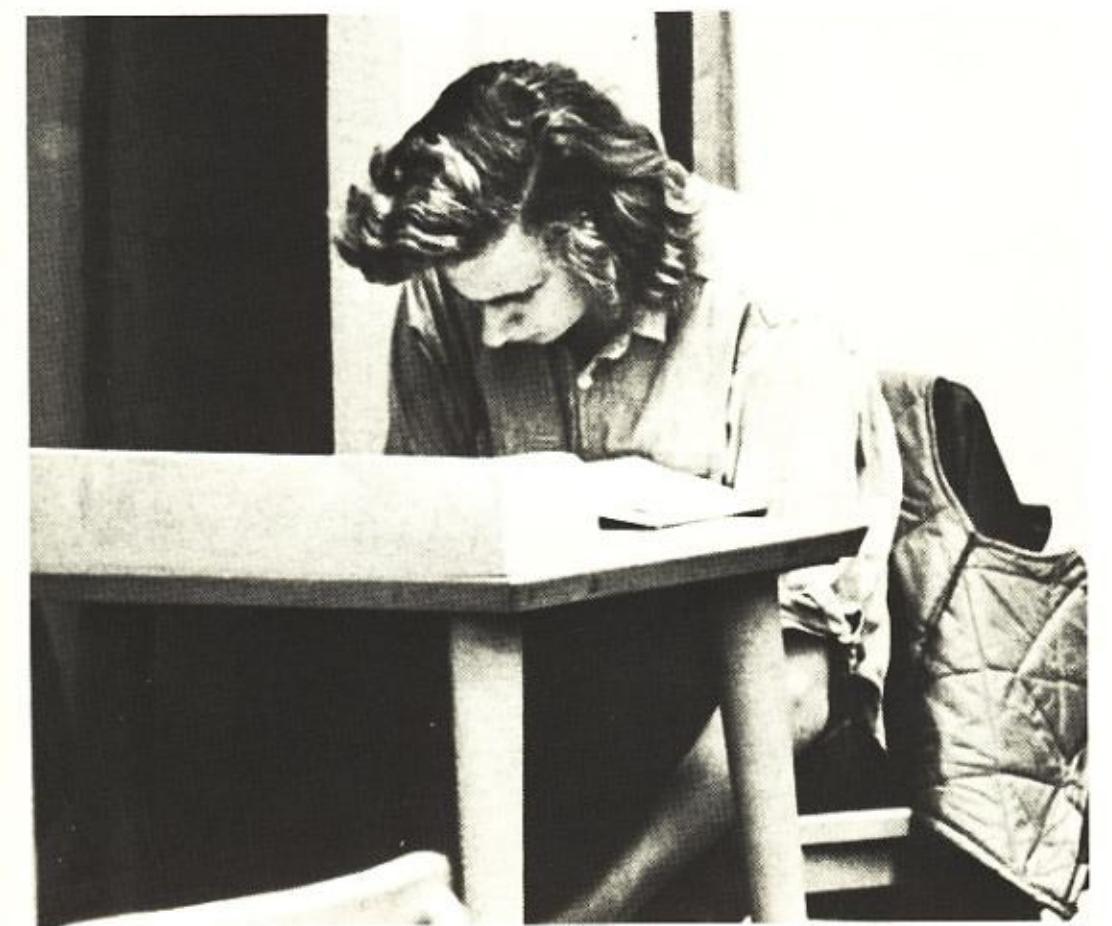

do you know who you are?
do you know what you are?
do you know what you're doing here?
better find out soon
it's goin' by so fast.

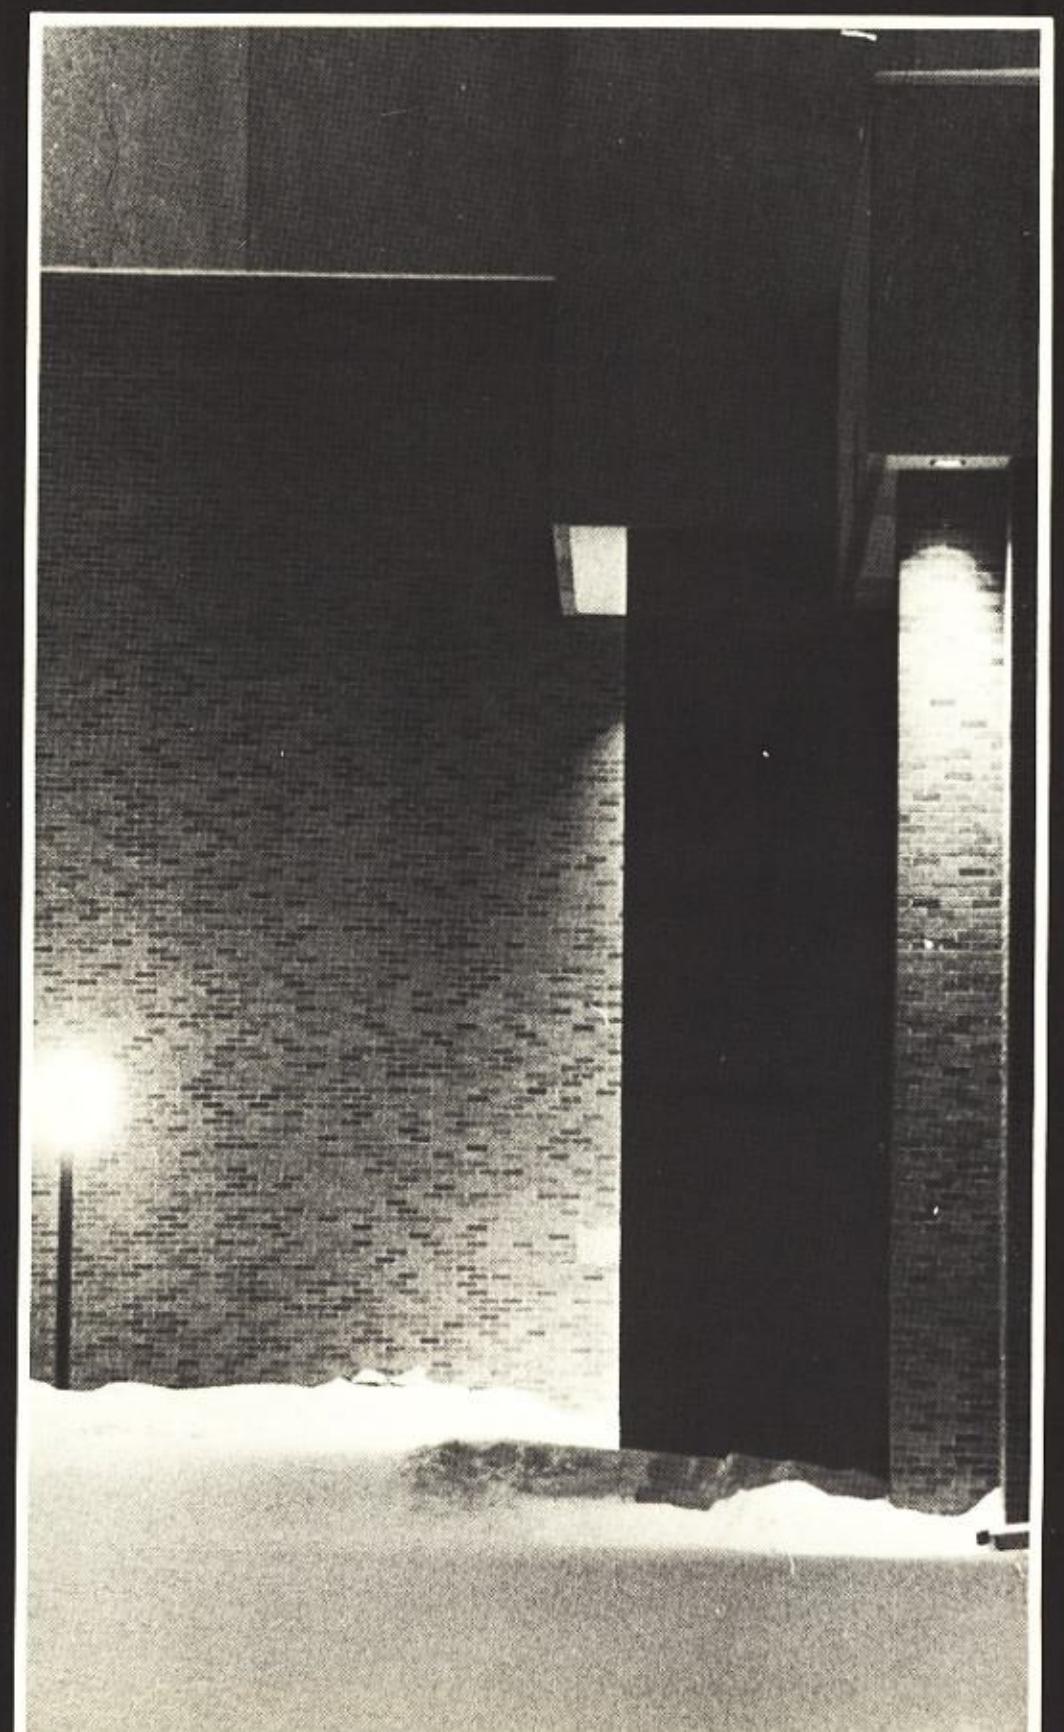

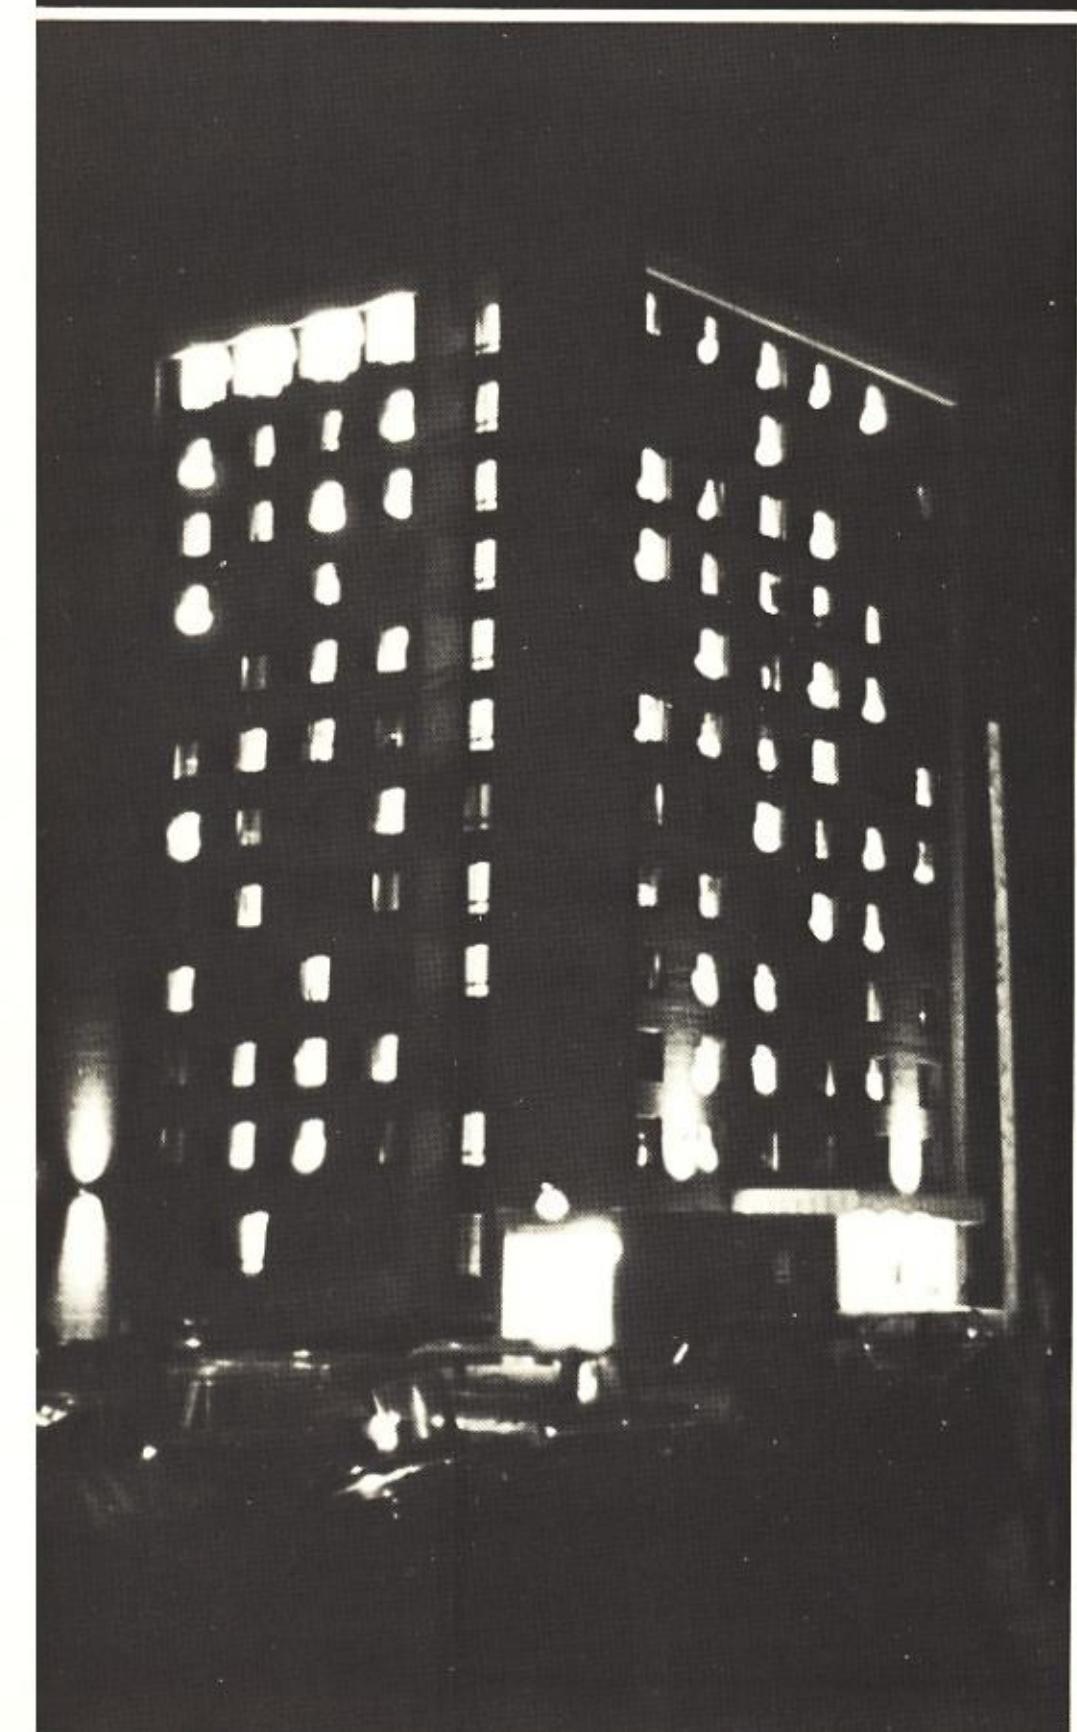

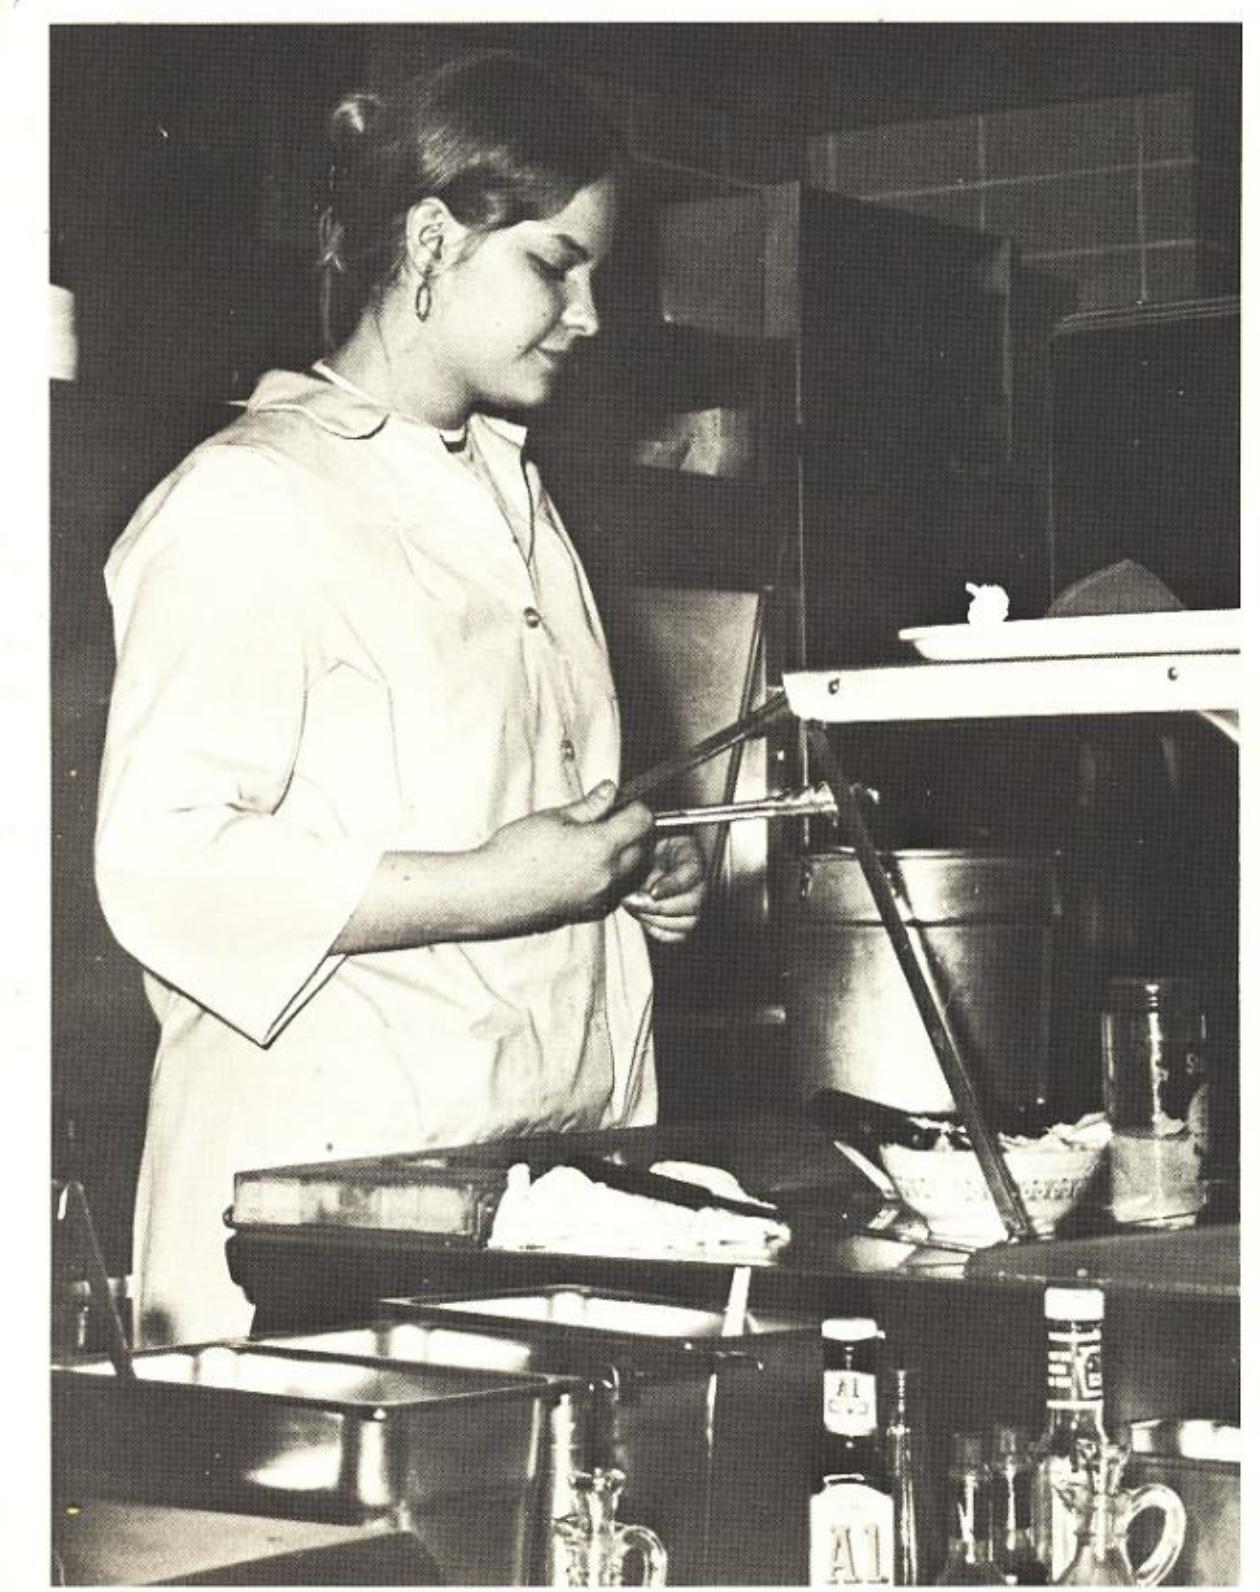

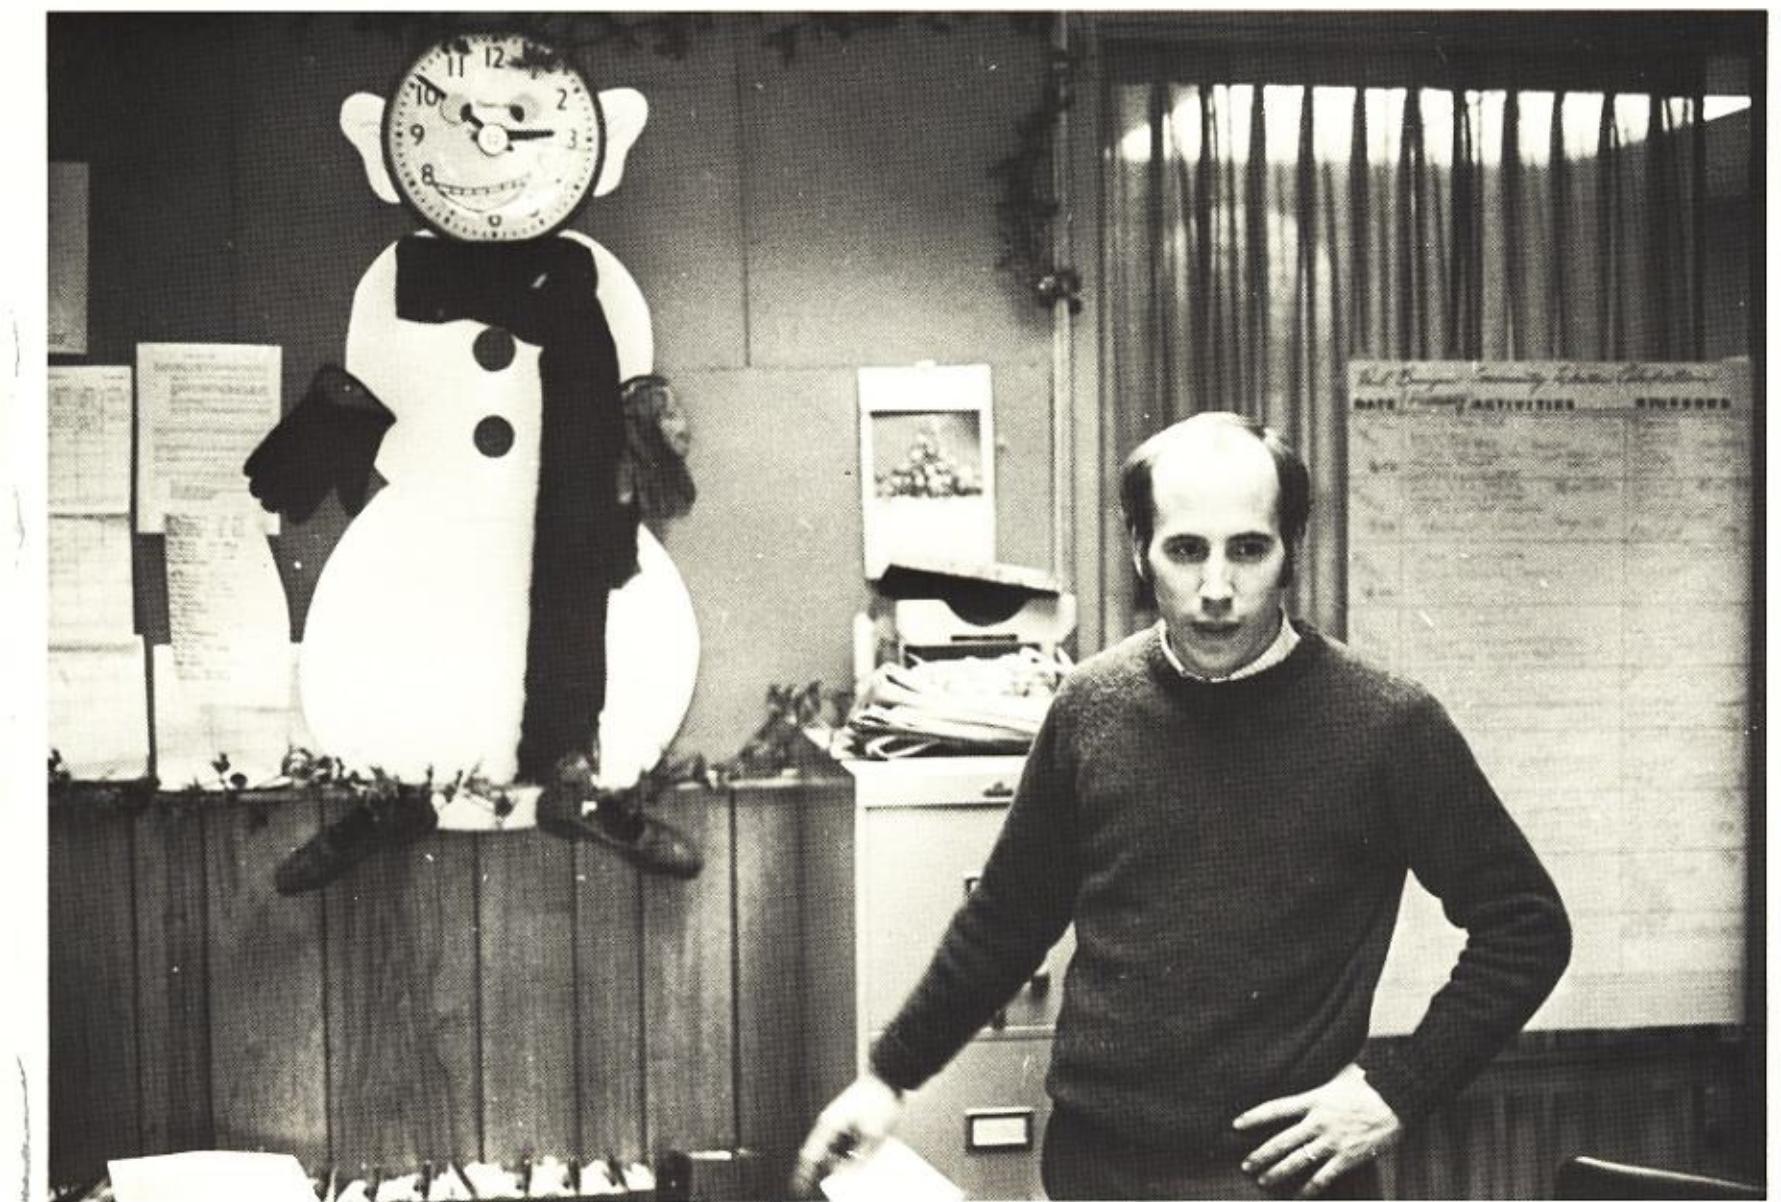

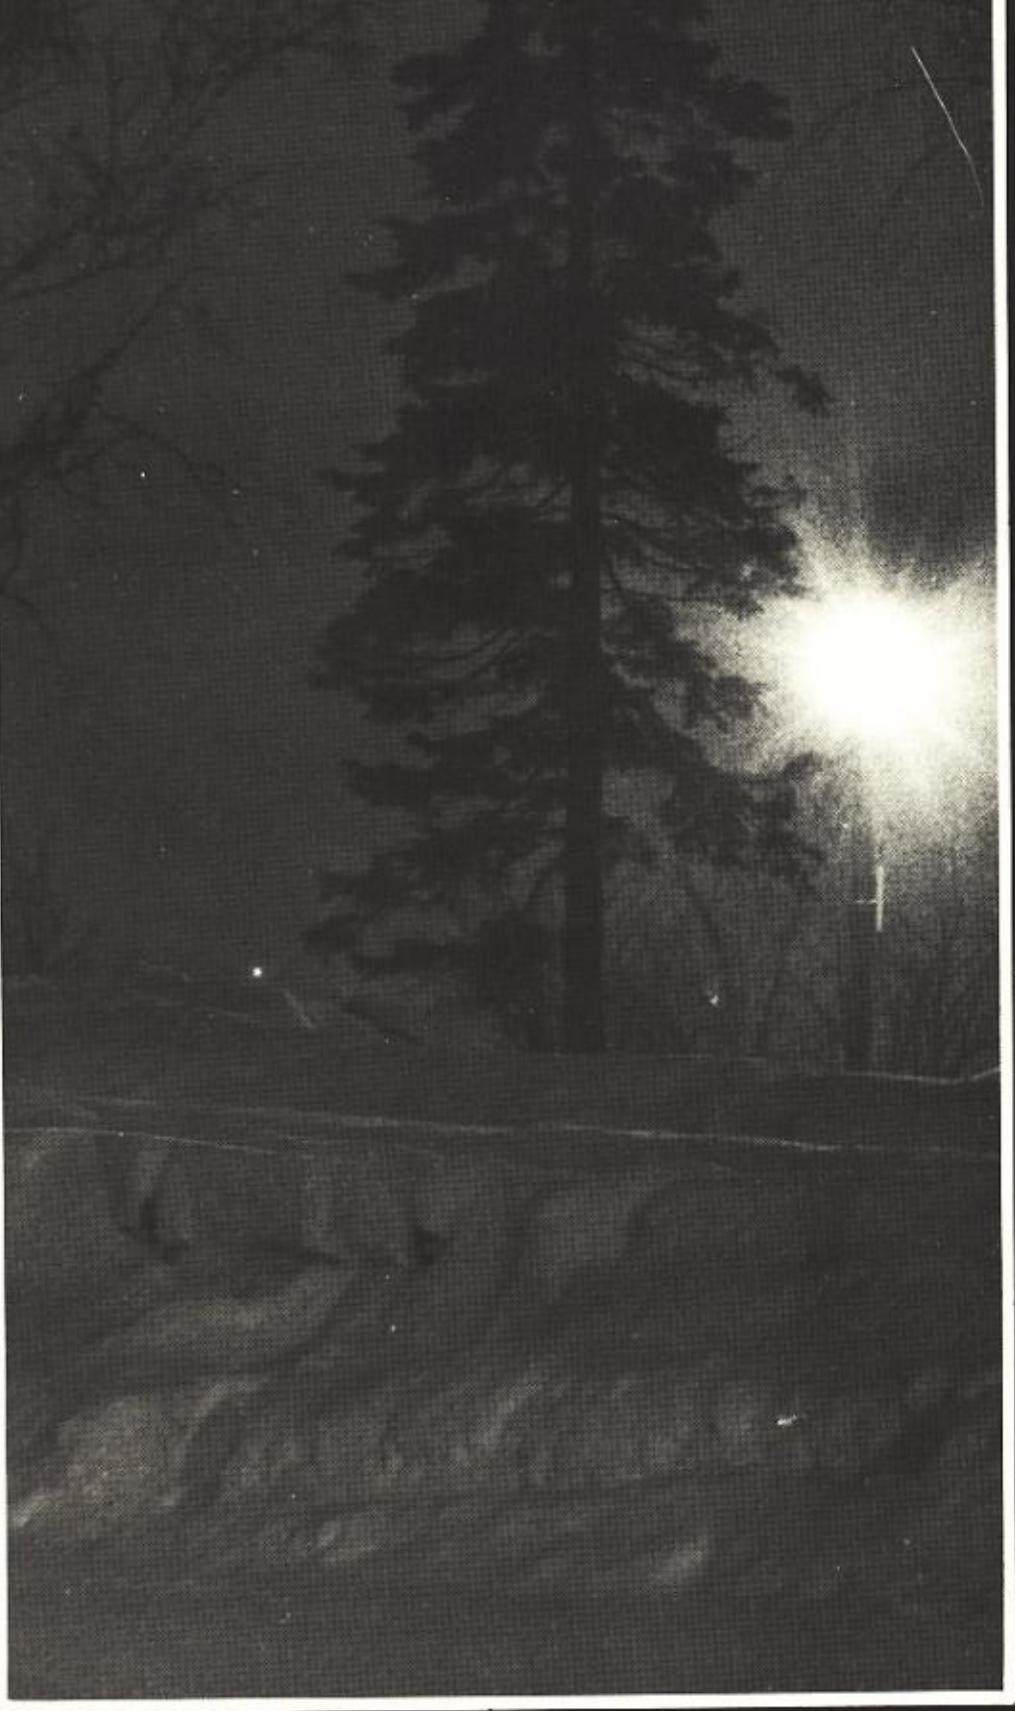

in a different light

peace

... and now I'm on the way away —
not really knowing whether
I want to go or
linger here.

What's out there I'm not quite as
sure of as what has been here —
these days of knowing and
not knowing,
each year lost in
longing for another.

Part of me is high enough to
see beyond the "now" and tells
me that there's something
out there for me — a
challenge is beckoning, a
new life awaits.

But part of my being still
lingers here on the ground,
living in the world it's
known for awhile —

the smiles,
the frowns,
the troubles
and joys,
the work,
the life,
the friends —

all carefully integrated
into what we've all shared here —
a world of our own.
