## Resident Director

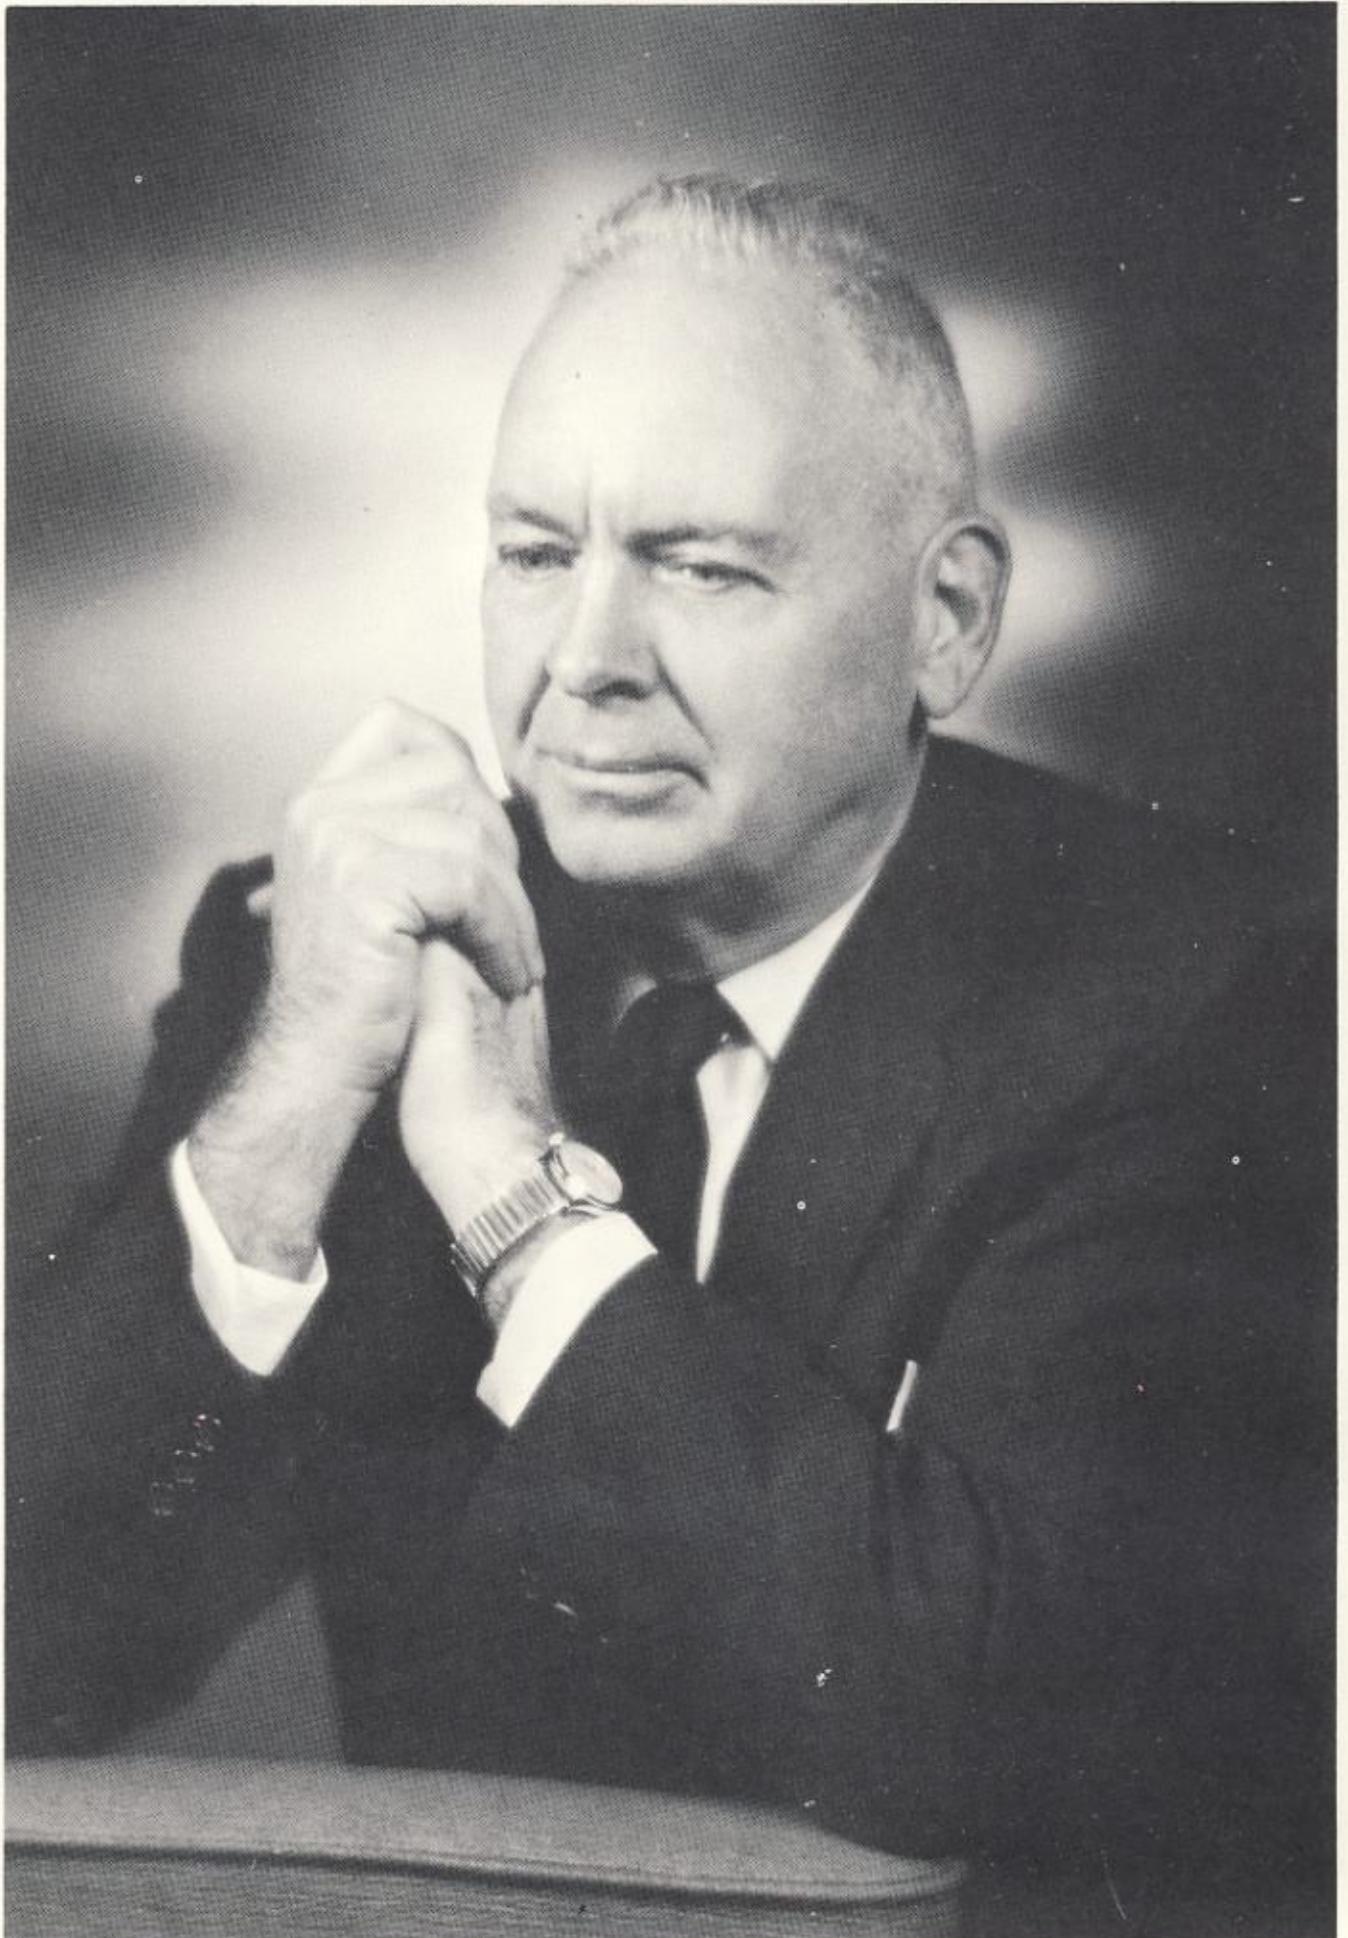

HERBERT E. OLSON

Herbert E. Olson, resident director to the Minnesota State College Board from Bemidji, has served the state colleges since 1955. His untiring effort in behalf of BSC is one of the factors responsible for the extensive growth of both the physical and curriculum development of BSC during the past eight years. While working closely with the faculty and administration, Mr. Olson will saw to it that the student's welfare came first. The students and the entire BSC family wish to take this opportunity to give Mr. Olson our thanks.

C. R. SATTGAST  
President

## Dedication

Dr. C. R. Sattgast, except for a period during World War II, has devoted 25 years to the destinies of Bemidji State College. He has seen it grow from a small college of less than 150 students to its present enrollment of more than 2,000. He guided it through the last years of the depression, the early years of World War II, the post-war period, the Korean conflict, the age of Sputnik, and now the beginnings

of the race for Space. In doing this he worked to adjust the curriculum to fit the needs of the student to insure that the graduate of 1963 would be equipped to face the problems of this changing world. For his faith in us and for his faith in the many generations of students he has guided through BSC the 1963 Ah-Mic is dedicated to our president, Dr. Charles R. Sattgast.

# Professors Emeriti

DR. MABEL E. PARKER  
Professor of Sociology

Dr. Mabel E. Parker, assistant professor of Sociology, retired at the end of fall quarter after devoting 38 years to Bemidji State College. Dr. Parker's devotion to her work and to the college was commended by both President Sattgast and her division chairman, Dr. A. C. Clark. She may no longer be in her classroom, but she plans to remain in Bemidji where many of her old students may visit her and where many new students may be guided by her patient ways as she visits her faculty friends from time to time.

MRS. ILIA MAE TALLEY  
Assistant Professor of Art Education

Ilia Mae Talley, assistant professor of art education, came to Bemidji State College in 1946 where she quickly carved a niche for herself as an artist and as a teacher of art. This spring she retired amid the commendations of President Sattgast, Mr. Russell Sawdey, her department chairman and her colleagues. Mrs. Talley will be remembered for her work in helping to develop the art education program at BSC and for her cheerful disposition, no matter what the problem.

On a portion of this higher mountain,  
I have left my footsteps, and a tear escapes as I remember.  
But there are rocks before me,  
And I must see them clearly, that I do not perish.

## Class of 1966

In this valley of confusion, my name is unheard.  
Dim faces crowd the mist, but I am alone.  
Suddenly I hear a voice calling.  
And I run to find it, rejoicing that laughter is warm.

## Freshman Week

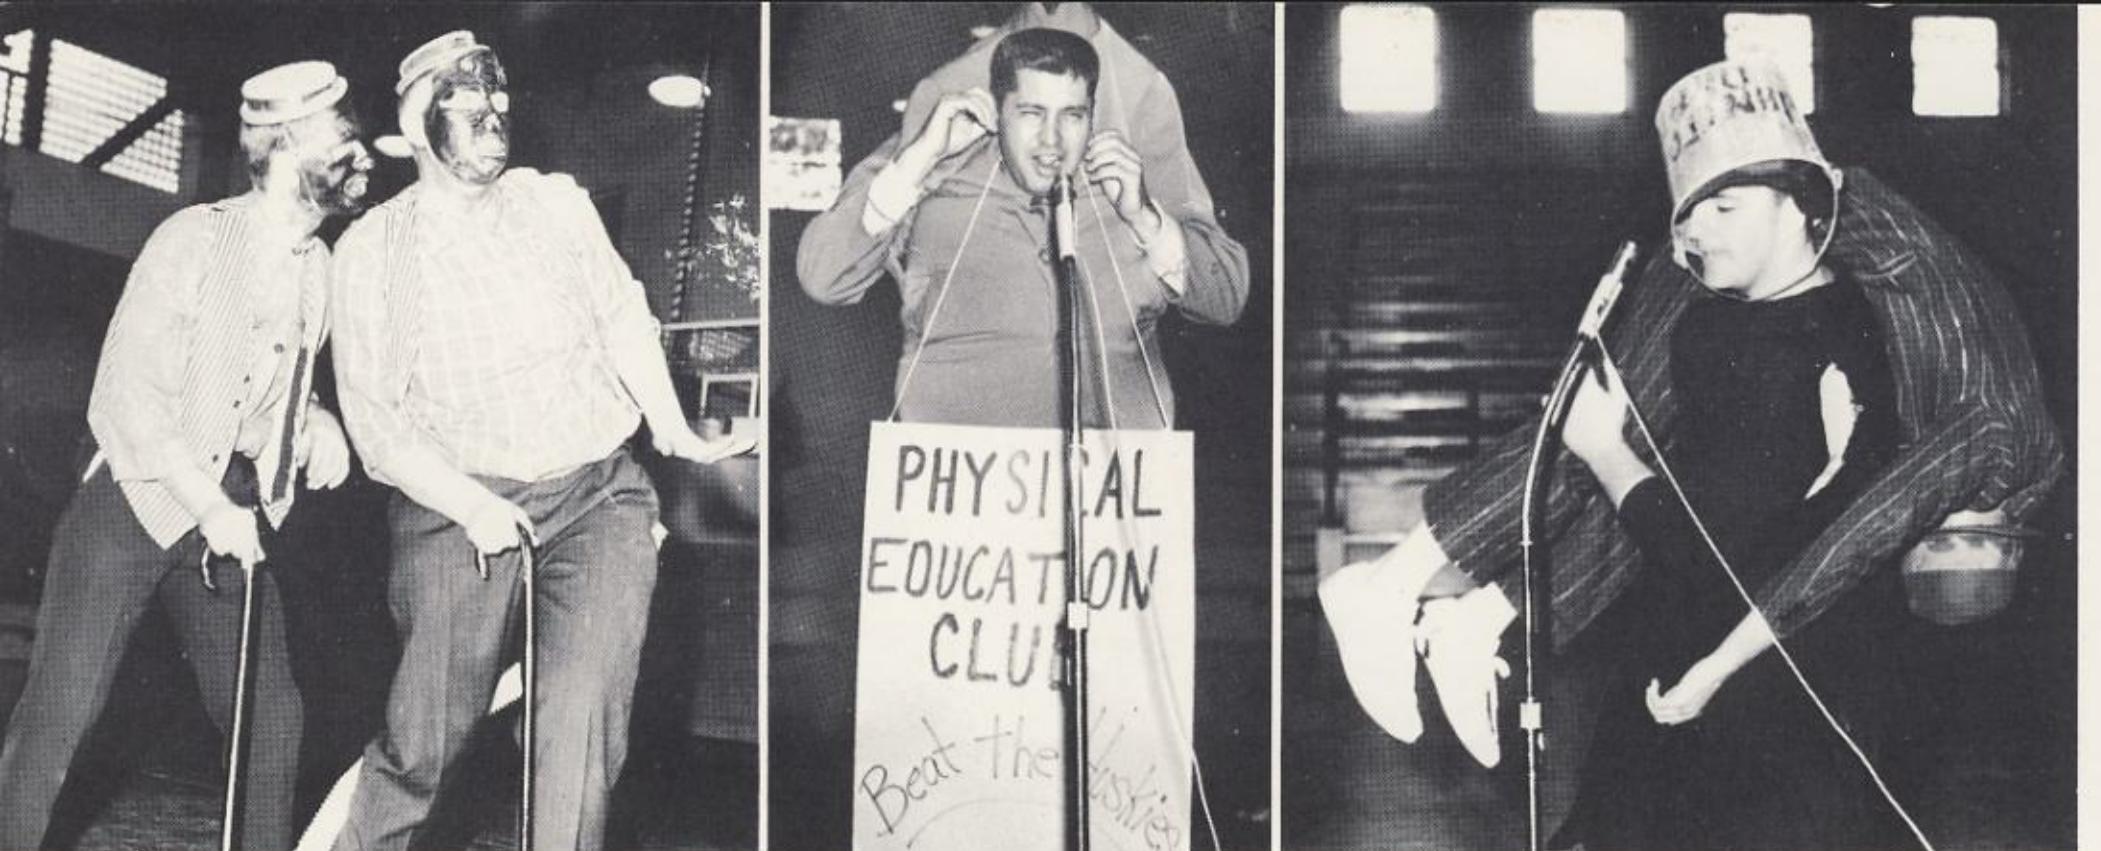

1961, homecoming queen, Mimi Noid, bestows the traditional crown upon Marty Larson.

From year to year, the silver memory brightens.

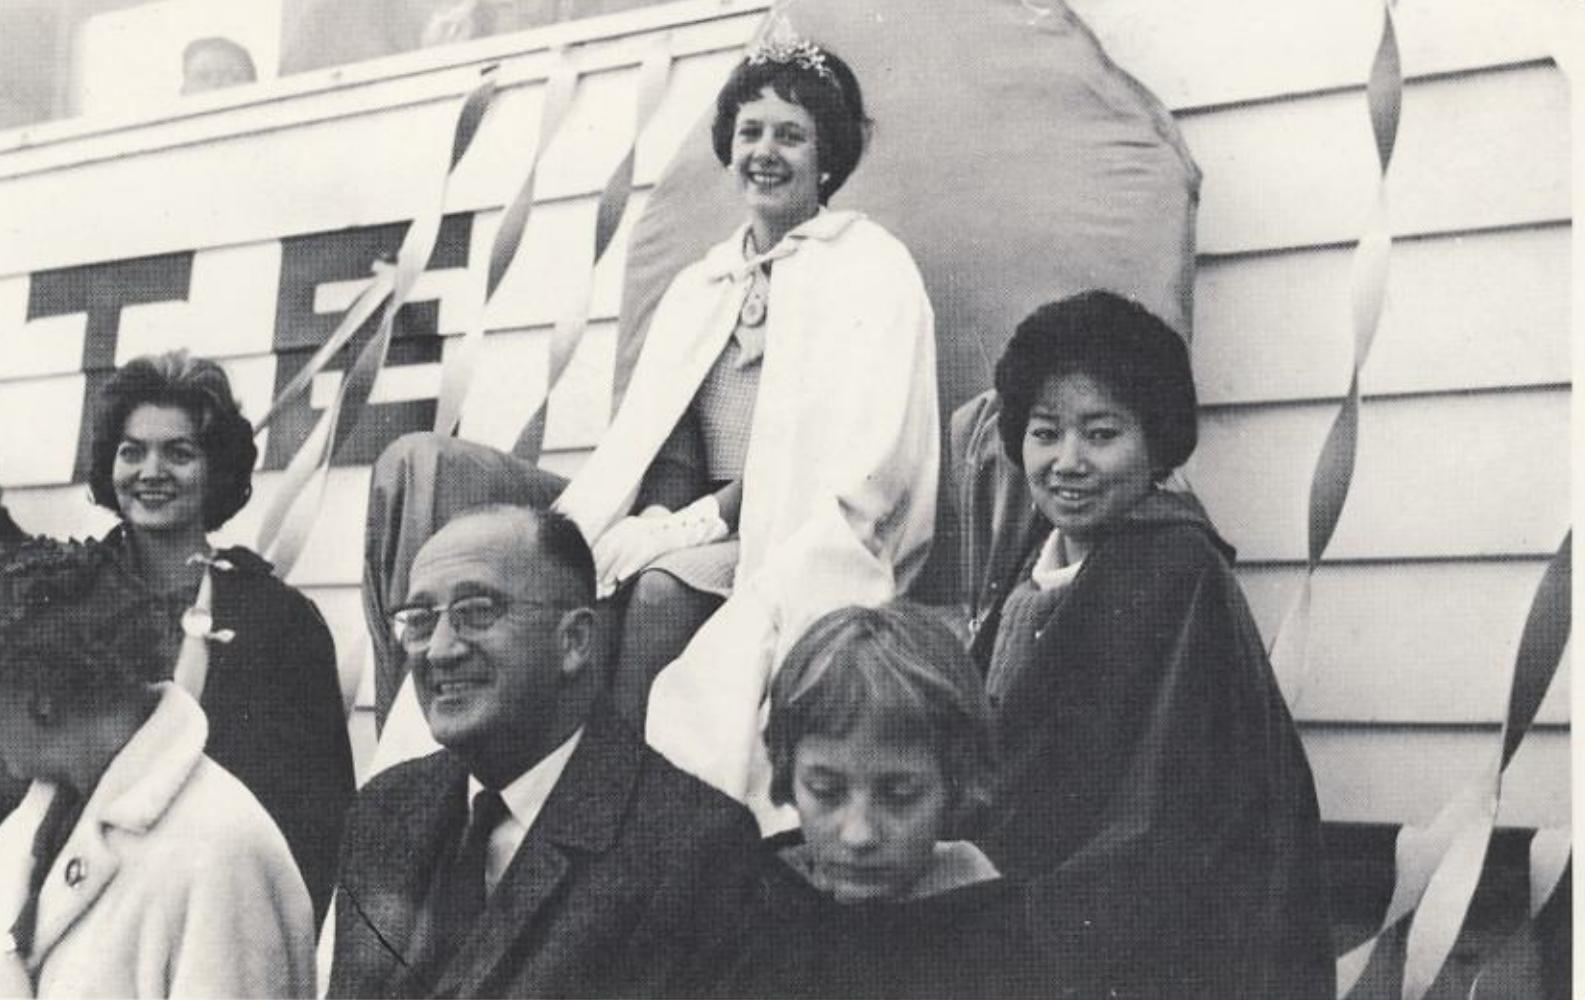

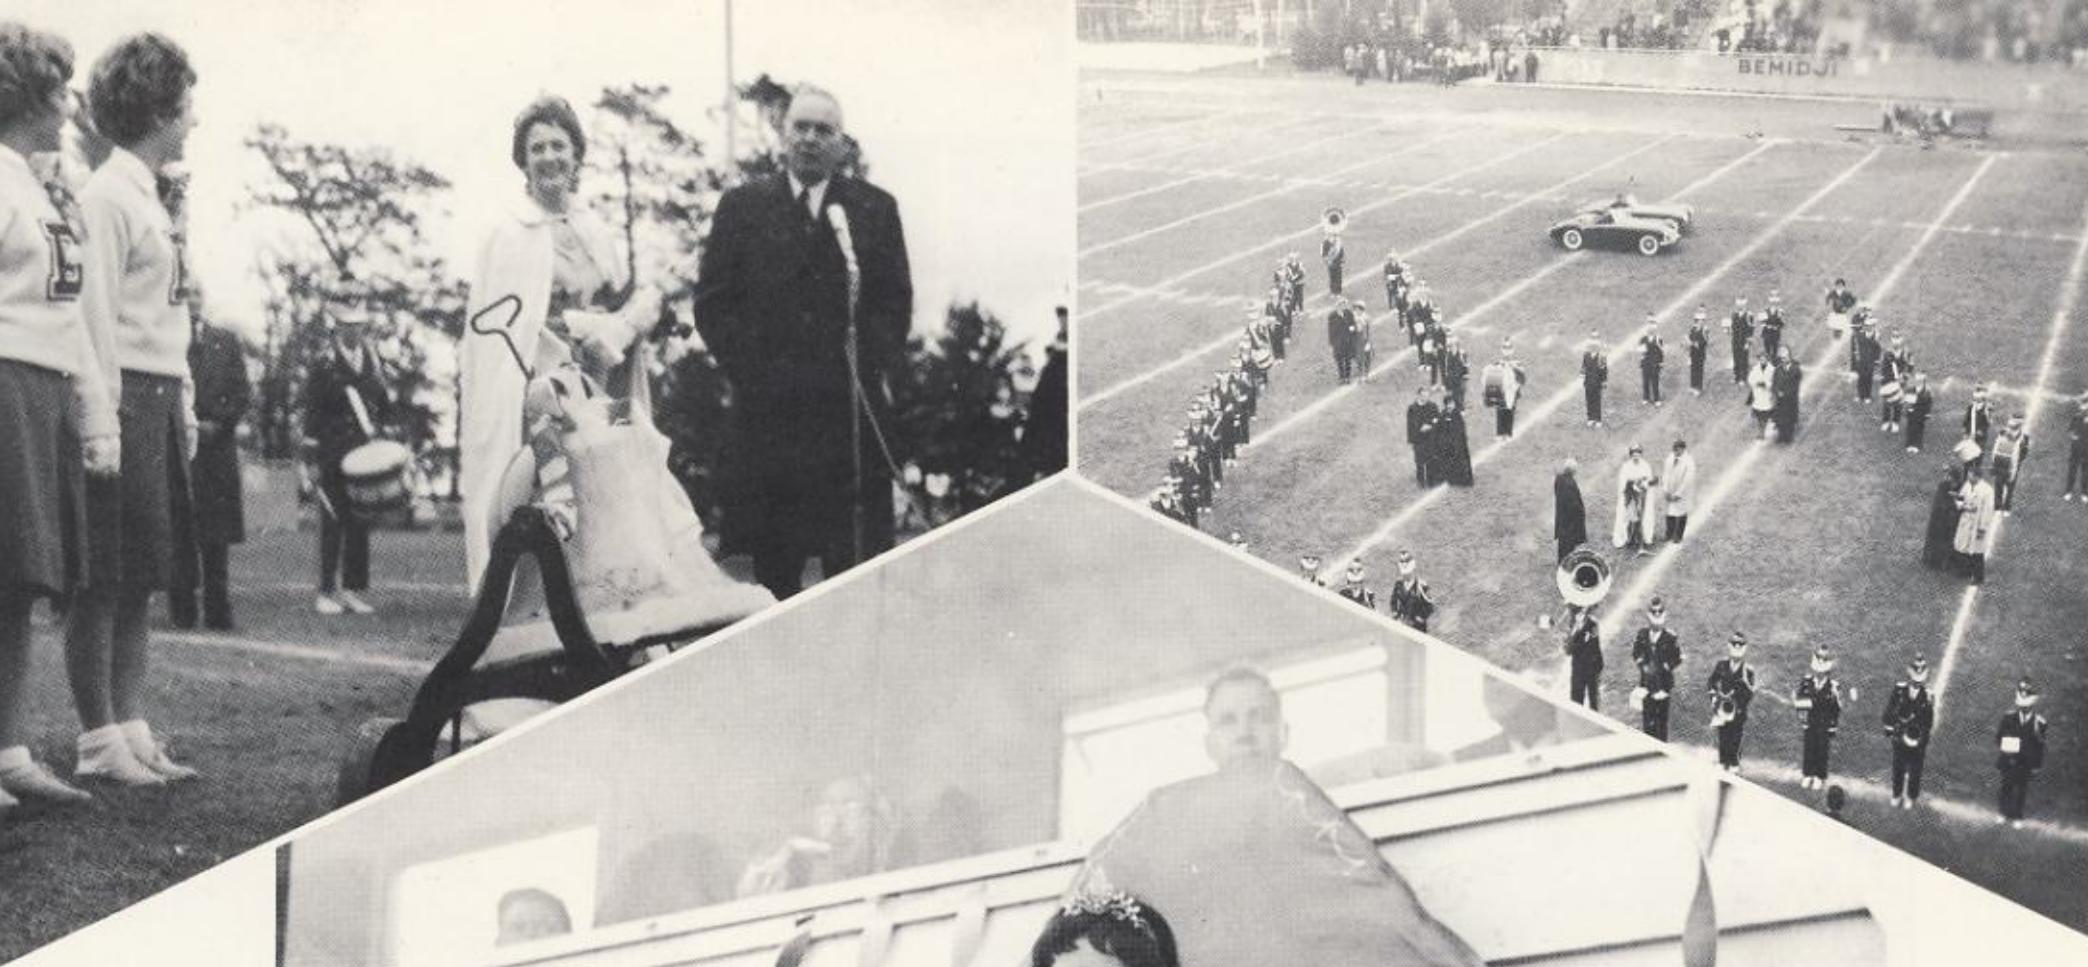

I sit by the fire of today  
And ask if yesterday has been.  
An orange and spurting flame reminds me  
That the leaves were gold and crimson  
And magnificent beyond Splendor.

Then I see the blue of the glowing flame  
And I remember that the sky  
Was bright beyond Glory.

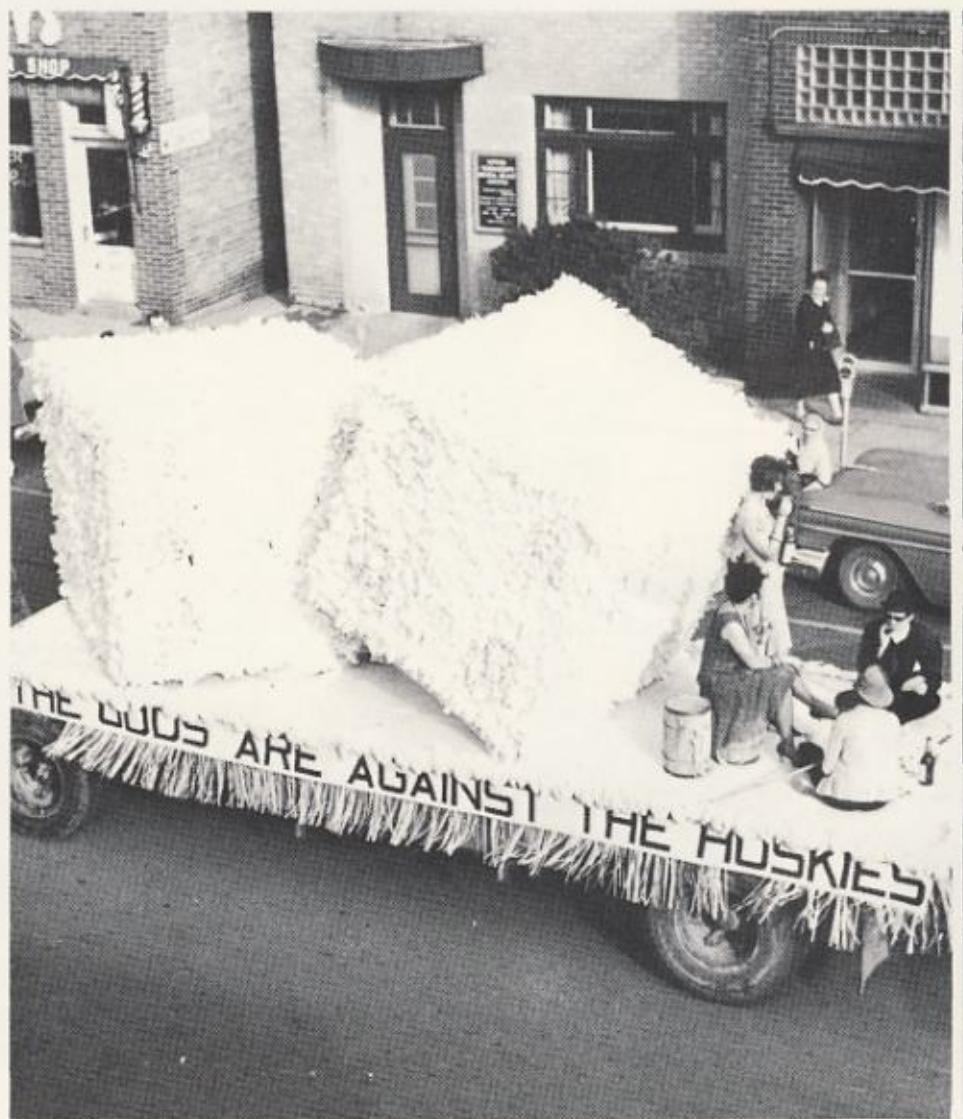

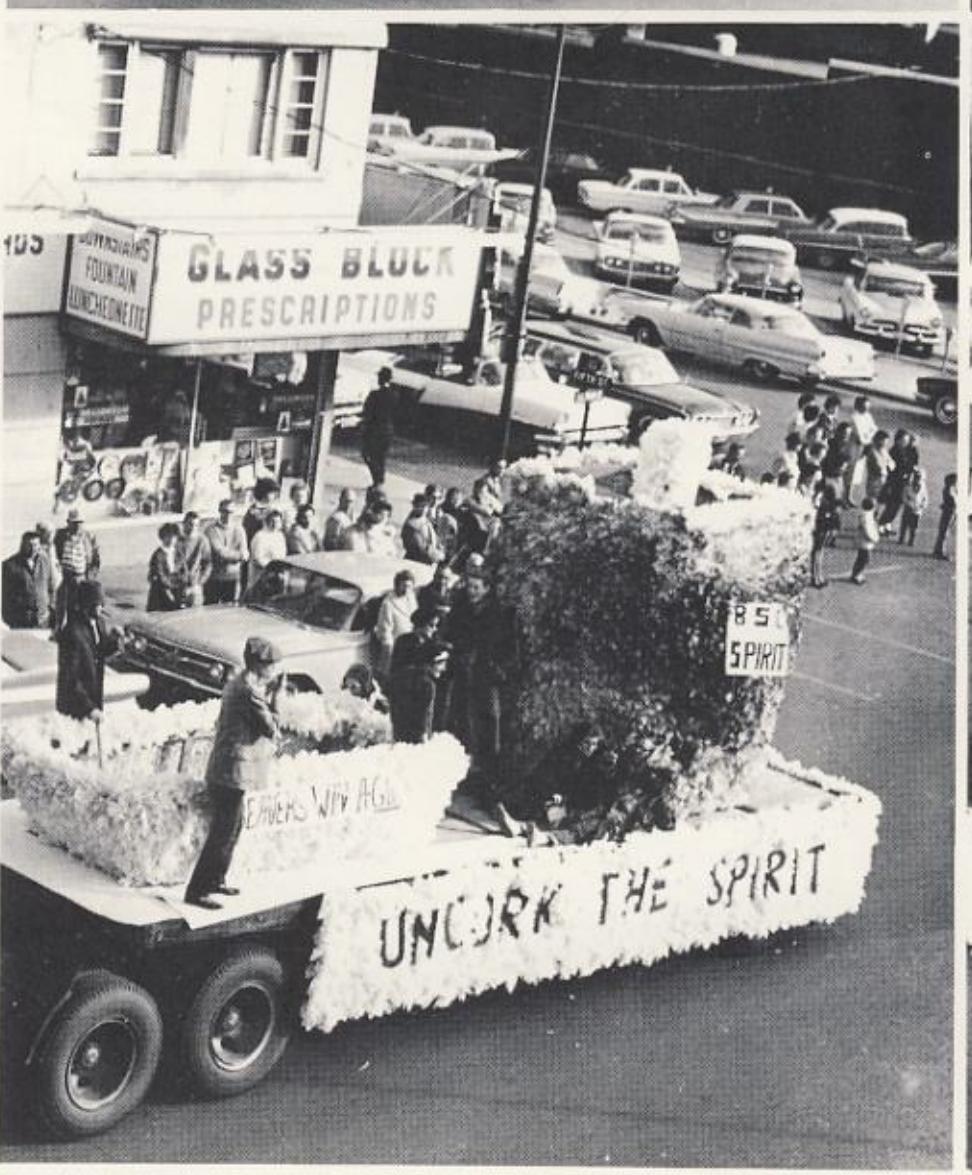

The wood burns steadily,  
And in its crackling, the voices echo.  
I remember they are laughing.  
They were young and laughing beyond Ecstasy.

The fire becomes colder now,  
And I remember that today is here.  
But my heart rejoices that the secret fire of yesterday  
Burns warm and real and strong beyond Time.

The blue of her eyes . . .

## Football

Three Beaver Gridders got top honors from their teammates. John Christie was a standout lineman both offensively and defensively all season and Mike Goeden led the Beavers in the scoring department with 44 points and was only second in the conference to Don Pate of Moorhead with 46 points. These two were named co-captains for the 1963 year. Lowell Nomeland received the Larry Eckhardt Memorial Award, which is given to the outstanding junior or senior lineman of the year.

Playing his last game for the Beavers was Joe Mayer, Bemidji State's outstanding guard.

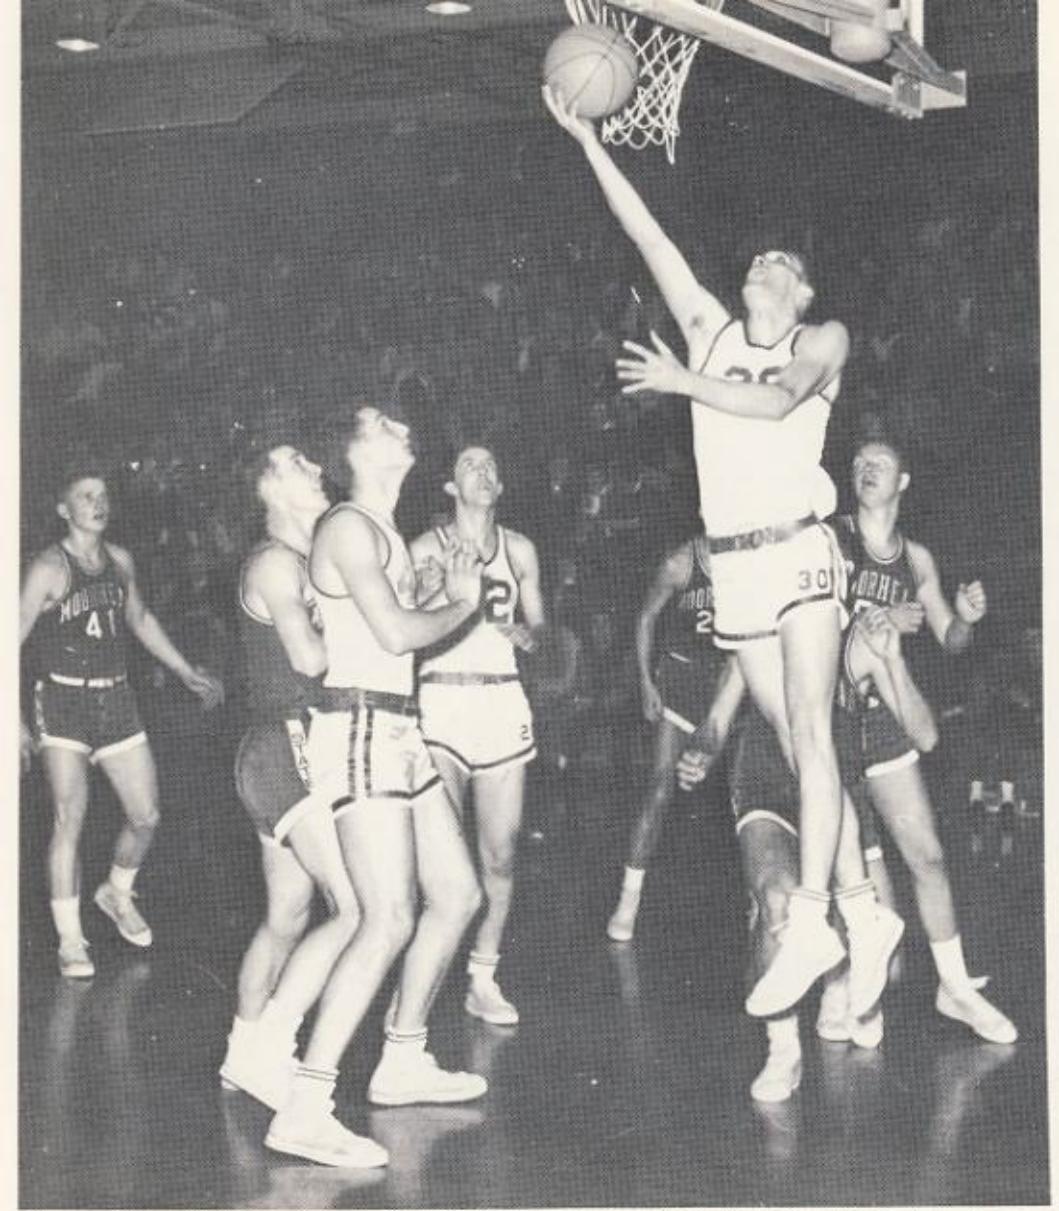

This is how to do it ...

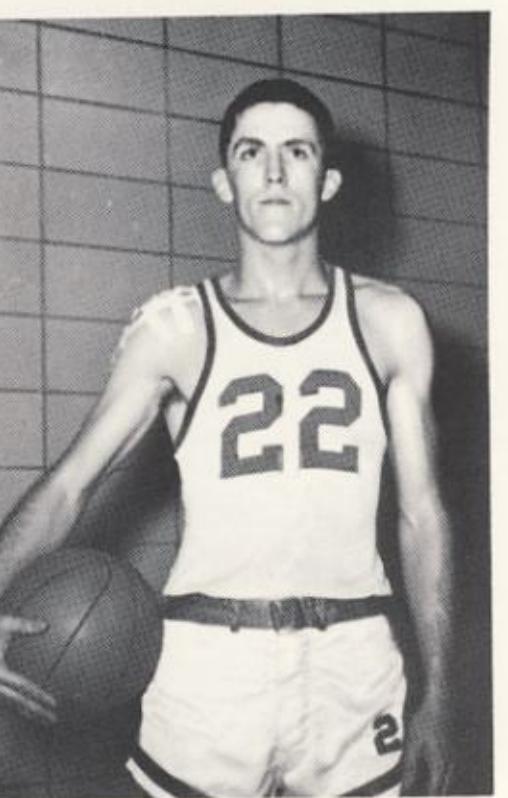

Coach Zeke Hogeland, who finished his first year at the Beaver helm ended the season with an even five up record. This year saw two upsets that alone made the season, that of Michigan Tech and St. Cloud.

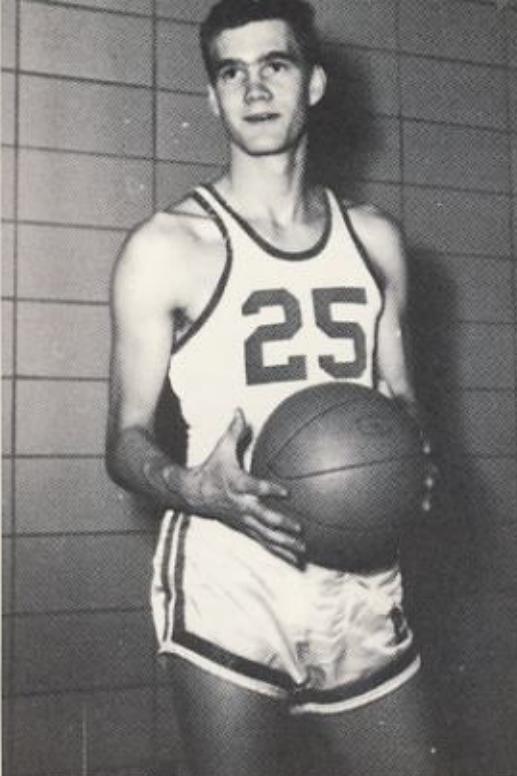

Dave Sjoblad holds down third place, scoring wise, in Northern States College Conference play. Sjoblad who had led scoring most of the season was passed by Jack Harrison of St. Cloud and Doug Scheuneman of Michigan Tech.

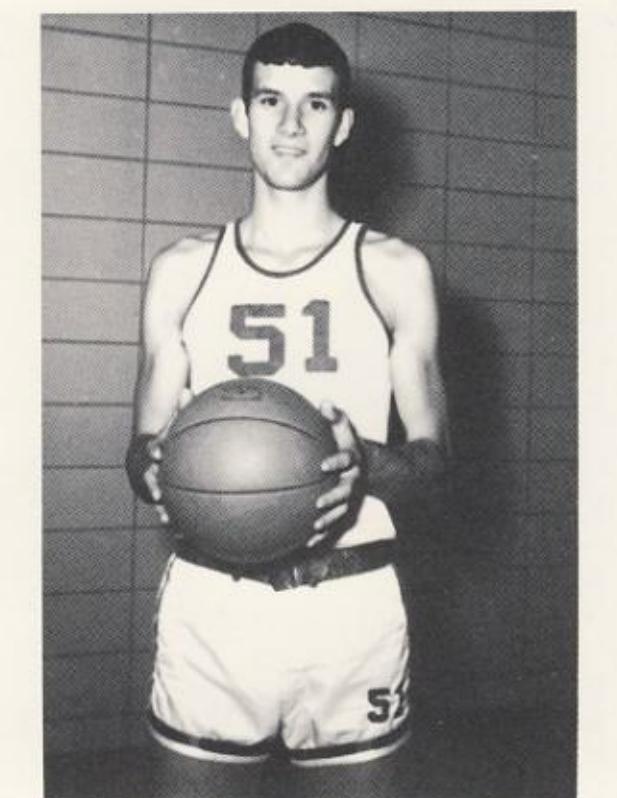

Up into the air with the greatest of ease, and makes a basket for BSC.

# Baseball

The Beaver baseball team had a better season than the '61 team who lost ten and won four. The Beavers of '62 had a rather disappointing record and season with nine losses and six wins. We are looking forward to a better '63 season with the Beavers and Coach Montebello.
